

HP LaserJet Enterprise MFP M630 series

Full-featured Flow MFP that streamlines digital workflow and safeguards business information.

A full-featured HP Enterprise Flow MFP that streamlines digital workflow with advanced HP Flow solutions, safeguards business data and documents with a robust suite of top-flight security features, and offers simple, efficient mobile printing.

HP LaserJet Enterprise MFP M630h

HP LaserJet Enterprise MFP M630f

HP LaserJet Enterprise Flow MFP M630z

Powerful performance to enhance workflow

- Finish faster—without missing a page—using single-pass, dual-head scanning, and the automatic document feeder.
- Increase efficiency and streamline workflow with a suite of HP Flow MFP features and scanning solutions.
- Easily tackle large jobs with a standard paper capacity of up to 3,100 sheets, and paper-finishing options.
- Quickly troubleshoot problems with cloud-based help services that are relevant and up to date.³

Protecting your business—now and in the future

- Safeguard and manage your printing with the HP Imaging and Printing Security Center and HP Web Jetadmin.⁴
- Confidently safeguard the sensitive data sent to your MFP with the encrypted hard drive.
- Depend on this MFP for easy solutions as technologies advance.
- Safeguard security keys, passwords, and certificates with the HP Trusted Platform Module.⁶

Quick and easy mobile printing⁷

- Enable optional touch-to-print and touch-to-authenticate convenience from mobile devices.⁸
- Enable secure peer-to-peer direct-access mobile printing without connecting to the corporate network.⁹
- Print on the go from your smartphone, tablet, and notebook with HP ePrint¹⁰ and AirPrintTM.¹¹

¹ Optional high-input paper trays must be purchased separately. ² Paper-handling options vary by model and may require separate purchase. ³ Online help must be enabled on the printer or MFP. Mobile device must have an Internet connection to access online services. ⁴ HP Web Jetadmin is free and available for download at <http://www.hp.com/go/webjetadmin>. ⁵ Use of the optional HP Trusted Platform Module accessory may require a firmware upgrade. ⁶ Local printing requires mobile device and printer to be on the same wireless network or have a direct wireless connection. Wireless performance is dependent on physical environment and distance from access point. Wireless operations are compatible with 2.4 GHz operations only. Remote printing requires an Internet connection to an HP web-connected printer. App or software and HP ePrint account registration may also be required. Wireless broadband use requires separately purchased service contract for mobile devices. Check with service provider for coverage and availability in your area. See [hp.com/go/mobileprinting](http://www.hp.com/go/mobileprinting) for more details. Some features require purchase of optional module. ⁷ HP touch-to-print requires purchase of an optional module. Mobile device must support near field communications-enabled printing. For a list of supported devices, see <http://www.hp.com/go/businessmobileprinting>. ⁸ HP touch-to-print requires purchase of optional module. Mobile device needs to be connected directly to the WiFi network of a wireless-direct capable MFP or printer prior to printing. Depending on mobile device, an app or driver may also be required. Wireless performance is dependent on physical environment and distance from the access point in the MFP or printer. For details, see <http://www.hp.com/go/businessmobileprinting>. ⁹ Wireless direct printing requires purchase of optional module. Mobile device needs to be connected directly to the WiFi network of an HP web-enabled printer and HP ePrint account registration. For a list of eligible printers, supported documents and image types, and other HP ePrint details, see <http://www.hpconnected.com>. Mobile devices require Internet connection and email capability. May require wireless access point. Separately purchased data plans or usage fees may apply. Print times and connection speeds may vary. Wireless performance is dependent on physical environment and distance from access point. Wireless operations are compatible with 2.4 GHz routers only. ¹⁰ Supports the following devices running iOS 4.2 or later: iPad®, iPad® 2, iPhone® (3GS or later), iPod touch® (3rd generation or later). Works with HP's AirPrint-enabled printers and requires the printer be connected to the same network as your iOS device. Wireless performance is dependent upon physical environment and distance from the access point. AirPrint, the AirPrint logo, iPad, iPhone, and iPod touch are trademarks of Apple® Inc., registered in the U.S. and other countries.

Product walkaround

1. Intuitive 20.3 cm (8-inch) touchscreen control panel
2. 100-sheet automatic document feeder (ADF) with single-pass, two-sided scanning
3. Hardware Integration Pocket (for connecting accessory and third-party devices)
4. Easy access USB port to save and print files directly
5. 500-sheet input tray
6. 100-sheet multipurpose tray
7. On/off button
8. 500-sheet input tray
9. Lower-right door (access for clearing jams)
10. 500-sheet input tray and cabinet with stand
11. Built-in automatic duplexer
12. Access port for optional Kensington-style lock
13. 800 MHz processor, 1.5 GB RAM
14. HP High-Performance Secure Hard Disk
15. Hi-Speed USB 2.0 port (for connecting third-party devices)
16. Hi-Speed USB 2.0 printing port
17. HP Jetdirect Gigabit Ethernet print server
18. Foreign interface harness (for connecting external devices)
19. Fax port
