

# HP EcoFFICIENT™ Paper

## Lighten your impact with paper that's efficient to print and store

HP EcoFFICIENT paper meets your printing needs while delivering greater value pound for pound. Weighing in at 16 lb bond (60 g/m<sup>2</sup>), this paper is 20% lighter by the sheet and 10 pounds lighter by the carton compared to standard copy paper. This means it's lighter to carry and more compact in the storage closet.

## Print more, print smart

HP EcoFFICIENT paper is optimized for HP EcoSMART printers and compatible with all multifunction printers and copiers that support thin and lightweight paper. It brings measurable advantages to the office environment, including:

- Delivers HP quality and reliability at a great value
- Fits more sheets in the paper tray for fewer refill interruptions
- Prints your jobs more efficiently while helping to reduce your impact on the environment
- Provides high whiteness for brighter, sharper text and colors
- Allows more sheets on pallets and trucks for more efficient shipping and distribution
- Is certified to the Forest Stewardship Council (FSC®)

## HP EcoFFICIENT vs. standard 20 lb (75 g/m<sup>2</sup>) copy paper

- 125 more sheets per pack
- 8 more cartons per pallet (40,000 more sheets per pallet)
- 168 more cartons per truck (840,000 more sheets per truck)
