

HP Chromebook 11 G3

Collaboration in the classroom

Keep students engaged and empower staff to easily manage classroom assignments with the affordable, powerful, and productive HP Chromebook 11 G3. From research to collaboration, this thin and light Chromebook gets top marks.

Powerful performance

- Stay productive in the classroom or on the go with the HP Chromebook 11 G3. Fast start-up and browsing¹ combined with cloud based storage and a wealth of web apps all help keep you productive.

Lean and light

- Travel light with a thin and reliable Chromebook 11 G3. Its sleek, compact design at just 2.83 pounds (1.28 kg) makes it easy to take anywhere.

Stay up to date

- Access the web and apps with confidence. Chrome OS provides a low maintenance experience with automatic software updates and virus protection built in.¹

Featuring

- Gain faster, more reliable wireless than ever. Stay connected in the classrooms with less interference using the built-in wireless support.²
- Your system runs quietly with a design that eliminates the fan.
- Speed through work and assignments with the trusted processing power of an Intel® Celeron® processor.³
- Immerse yourself in the exciting and ever expanding world of the Chrome Web Store. And customize your Chromebook with the latest apps, tools, extensions and themes.¹
- Use Google Play for Education⁴ to find just the right apps, books and videos and easily manage and deliver content to help students.
- Manage 10s, 100s, even 1000s of Chromebooks with ease. The optional web-based management console⁵ makes it easy to deploy and control users, devices, and apps across a fleet of Chromebooks.
- Starting is amazingly quick – and browsing even faster. Within seconds have your HP Chromebook 11 G3 booted and just moments later be navigating the Internet or accessing your online content.¹
- Your own virtual hard drive is available anywhere the Internet is accessible. Securely store up to 100GB of your files and content within the Google Drive Storage for 2 years.⁶
- Invite guests and experts into your classroom with the web cam on the HP Chromebook 11 G3 for real time, face to face collaboration across the globe.

Messaging Footnotes

¹ Internet service required and not included.

² Wireless access point and internet services required. Availability of public wireless access points limited. The specifications for the 802.11ac WLAN are draft specifications and are not final. If the final specifications differ from the draft specifications, it may affect the ability of the notebook to communicate with other 802.11ac WLAN devices.

³ Multi-core is designed to improve performance of certain software products. Not all customers or software will necessarily benefit from use of this technology. Performance will vary depending on your hardware and software configurations. Intel's numbering system is not a measurement of clock speed.

⁴ Google Play for Education only available in the U.S. Internet service required and not included.

⁵ Sold separately or as an optional feature.

⁶ This offer is tied to this device and non-transferable; if returned, the extra storage will be revoked. In order to redeem, you will need to be on Chrome OS 23 or later. Internet access is required and not included. Additional information about storage plan refunds, renewals, cancellations and expiration is available at the Google website: <https://support.google.com/Chromebook/answer/2703646?hl=en>

Technical specifications disclaimers

¹ Multi-core is designed to improve performance of certain software products. Not all customers or software will necessarily benefit from use of this technology. Performance will vary depending on your hardware and software configurations. Intel's numbering system is not a measurement of clock speed.

² For hard drives, GB = 1 billion bytes. Actual formatted capacity is less. 5.1GB of the eMMC are dedicated/allocated to the OS and OS partitions.

³ This offer is tied to this device and is non-transferable. If this device is returned, the extra storage will be revoked. Internet access is required and not included. Additional information about storage plan refunds, renewals, cancellations and expiration is available at the Google website: <https://support.google.com/chromebook/answer/2703646?hl=en>

⁴ Wireless access point and internet service required and not included. Availability of public wireless access points limited.

⁵ Mobile Broadband is an optional feature and requires factory configuration. Connection requires wireless data service contract, network support, and is not available in all areas. Contact service provider to determine the coverage area and availability. Connection speeds will vary due to location, environment, network conditions, and other factors. 4G LTE not available on all products or in all countries.

⁶ External power supplies, power cords, cables and peripherals are not Low Halogen. Service parts obtained after purchase may not be Low Halogen.

⁷ Testing conducted by HP using Google Chrome OS power_LoadTest. Battery life will vary and the maximum capacity of the battery will naturally decrease with time and usage. See <http://www.chromium.org/chromium-os/testing/power-testing> for test details.
