

HP EliteDisplay S140u 14-inch USB Portable Monitor

Create a dual-display mobile workspace almost anywhere with the HP EliteDisplay S140u 14" USB Portable Monitor, an ultra-compact, strikingly thin, high-resolution display in a wraparound cover. Fold it back to add a second screen for your Windows tablet or notebook¹ and connect with one USB cable.

Sleek, stylish, and ultra-portable.

- The super-compact, ultra-thin design weighs 3.17 pounds, and is just a half-inch thick. The cover doubles as an adjustable stand and helps protect the display so you can slide it into your carrying case with your tablet or notebook.¹

Double your visual workspace.

- Pair the 1600 x 900² high-resolution display with a notebook or tablet¹ to extend to a dual-display setup wherever you work, or make a big impression with mirror mode.

Super simple set-up.

- Get ready in a snap with the single USB cable that also acts as a power source. Fold back the cover and connect to any USB³ port on your notebook or tablet¹ and you're ready to work.

Featuring

- Rest assured that your IT investment is supported by a three-year standard limited warranty. To extend your protection beyond the standard warranties, select an optional HP Care service.⁴
- Be a better consumer with a display that has environmentally responsible components that include low halogen⁵, arsenic-free glass, and mercury-free backlights.
