²Requires an Internet connection to an HP web-enabled printer and HP ePrint account registration. For a list of eligible printers, supported documents and image types and other HP ePrint details, see hpconnected.com. Mobile devices require Internet connection and email capability. May require wireless access point. Separately purchased data plans or usage fees may apply. Print times and connection speeds may vary. Wireless performance is dependent on physical environment and distance from access point. Wireless operations are compatible with 2.4 GHz routers only.

³Based on IDC's Worldwide Quarterly Hardcopy Peripherals Tracker®, 2012 Q4 Shipments for inkjet single-function printers and multifunction printers, including production units.

⁴Mobile device requires wireless access point and Internet connection. Features controlled may vary by mobile device operating system. Scan/copy control requires mobile device and printer be on the same wireless network or through wireless direct connection to printer. For more details, see www.hp.com/go/mobileapps.

⁵HP Auto Wireless Connect may not be available for all system configurations. Wireless performance is dependent on physical environment and distance from access point. Wireless operations are compatible with 2.4 GHz routers only. For information on compatibility, visit hp.com/go/autowirelessconnect.

⁶Requires a wireless access point and an Internet connection to the printer. Services require registration. Availability varies by country, language and agreements and may require a firmware upgrade. HP Printables may not be available on all printer models and not all apps can be set up for automatic delivery. For details, see hpconnected.com.

⁷Program availability varies. Original HP cartridge return and recycling is currently available in more than 50 countries, territories and regions in Asia, Europe and North and South America through the HP Planet Partners program. For more information, visit hp.com/recycle.
