

# HP EliteBook 720 G2 Notebook PC

## Everything you need for business

The travel-ready HP EliteBook 720 thin and light notebook allows users to be ultra-productive in and out of the office. Work with confidence, stay connected, and enjoy a range of security and manageability features designed for your growing business.

## HP recommends Windows.

- Windows 8.1<sup>1</sup>
- Screen Size: 31,75 cm (12.5") diagonal

### Effortless manageability and security

- Enjoy simple integration into your IT environment with HP Touchpoint Manager,<sup>2</sup> HP Client Management Solutions,<sup>3</sup> and the security features of HP BIOSphere<sup>4</sup> with Sure Start and HP Client Security.<sup>3</sup>

### Portable performance

- Get the latest technology with Windows 8.1,<sup>1</sup> and powerful Future 5th Gen Intel® Core™ processors<sup>5</sup> that provide long battery life.

### Equipped for productivity

- Leave dongles behind with a drop-jaw Ethernet port, VGA port, and DisplayPort for key connections to all your devices. Stay connected with HP Connection Manager,<sup>6</sup> HP Wireless Hotspot,<sup>7</sup> and HP Mobile Connect<sup>8</sup> and optional Qualcomm® Gobi™ 4G LTE.<sup>9</sup>

### Sleek, durable design

- Never fear bumps and minor spills. The thin, light, and stylish HP EliteBook 720 endures HP's Total Test Process and passes rigorous MIL-STD 810G testing.<sup>10</sup>

### Featuring

- Manage data, security, and devices from a single cloud-based solution with HP Touchpoint Manager.<sup>2</sup>
- Enjoy the intuitive control of Windows 8.1<sup>1</sup> and impressive clarity of the optional FHD touchscreen<sup>11</sup> featuring tough Corning® Gorilla® Glass 3.
- The latest storage options ensure optimum performance from your HP EliteBook. Choose from a range of HDD and SSD options as well as flash cache and a mini-card SSD.
- HP BIOSphere keeps mission-critical data and systems protected with customizable security.<sup>4</sup>
- Whether working from a coffee shop or in the office, HP Sure Start Technology will protect your PC and data from malicious intended and unintended attacks.
- Stay productive throughout the day with the optional HP UltraSlim docking station.<sup>11</sup>
- HP 3D DriveGuard<sup>3</sup> helps protect critical information while you're on the move.
- Simplify technical support with Helpdesk by HP Care Services. Rely on cost-effective expertise that's available 24x7, covering multiple brands, devices and operating systems.<sup>13</sup>

## Messaging Footnotes

- <sup>1</sup> Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers and/or software to take full advantage of Windows functionality. See <http://www.microsoft.com>.
- <sup>2</sup> HP Touchpoint Manager supports Android™, iOS and Windows operating systems and PCs, notebooks, tablets and smartphones from various manufacturers. Some features require a subscription. Not available in all countries see [www.hp.com/touchpoint](http://www.hp.com/touchpoint) for availability information. Touchpoint Manager requires purchase of a subscription.
- <sup>3</sup> Requires Microsoft Windows Operating System.
- <sup>4</sup> HP BIOSphere features may vary depending on the PC platform & configuration.
- <sup>5</sup> Multi-Core is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. 64-bit computing system required. Performance will vary depending on your hardware and software configurations. Intel's numbering is not a measurement of higher performance.
- <sup>6</sup> HP Connection Manager available on Windows 7 only.
- <sup>7</sup> The wireless hotspot application requires an active internet connection and separately purchased data plan. While HP Wireless Hotspot is active, on-device applications will continue to work and will use the same data plan as the wireless hotspot. Wireless hotspot data usage may incur additional charges. Check with your service provider for plan details. Requires Windows 8.1 or HP Connection Manager for Windows 7.
- <sup>8</sup> HP Mobile Connect service requires a compatible CDMA or HSPA mobile broadband module and prepaid service purchase. Find coverage and availability for your service area at [hp.com/go/mobileconnect](http://hp.com/go/mobileconnect).
- <sup>9</sup> Built-in Qualcomm® Gobi® modules available in select HP products and require wireless data service contract, network support, and is not available in all areas. Contact service provider to determine the coverage area and availability. 4G LTE not available in all regions. Connection speeds will vary due to location, environment, network conditions, and other factors.
- <sup>10</sup> MIL-STD testing is not intended to demonstrate fitness for U.S. Department of Defense contract requirements or for military use. Test results are not a guarantee of future performance under these test conditions. Tests passed include: High Temperature (Operational), High Temperature (Non-Operational), Low Temperature, Altitude, Humidity, Temperature Shock, Dust, Drop, Vibration (Category 4), Vibration (Category 24), and Shock.
- <sup>11</sup> Sold separately or as an optional feature.
- <sup>12</sup> HP Care Services are optional. Service levels and response times for HP Care Services may vary depending on your geographic location. Service starts on date of hardware purchase. Restrictions and limitations apply. For details, visit [www.hp.com/go/cpc](http://www.hp.com/go/cpc). HP services are governed by the applicable HP terms and conditions of service provided or indicated to Customer at the time of purchase. Customer may have additional statutory rights according to applicable local laws, and such rights are not in any way affected by the HP terms and conditions of service or the HP Limited Warranty provided with your HP Product.

## Technical specifications disclaimers

- <sup>1</sup> Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers and/or software to take full advantage of Windows functionality. See <http://www.microsoft.com>.
- <sup>2</sup> This system is preinstalled with Windows 7 Professional software and also comes with a license and media for Windows 8.1 Pro software. You may only use one version of the Windows software at a time. Switching between versions will require you to uninstall one version and install the other version. You must back up all data (files, photos, etc.) before uninstalling and installing operating systems to avoid loss of your data.
- <sup>3</sup> Multi-Core is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. 64-bit computing system required. Performance will vary depending on your hardware and software configurations. Intel's numbering is not a measurement of higher performance.
- <sup>4</sup> Maximum memory capacities assume Windows 64-bit operating systems or Linux. With Windows 32-bit operating systems, memory above 3 GB may not all be available due to system resource requirements.
- <sup>5</sup> For storage drives, GB = 1 billion bytes. TB = 1 trillion bytes. Actual formatted capacity is less. Up to 30GB (for Windows 8) is reserved for system recovery software.
- <sup>6</sup> 802.11 wireless is an optional add-on feature and requires wireless access point and Internet service is required and is not included. Availability of public wireless access points limited.
- <sup>7</sup> 4G LTE module is optional and require separately purchased service contract. Check with service provider for coverage and availability in your area. Connection speeds will vary due to location, environment, network conditions, and other factors. 4G LTE not available on all products, in all regions.
- <sup>8</sup> Miracast is a wireless technology your PC can use to project your screen to TVs, projectors, and streaming media players that also support Miracast. You can use Miracast to share what you're doing on your PC and present a slide show. For more information: <http://windows.microsoft.com/en-us/windows-8/project-wireless-screen-miracast>
- <sup>9</sup> NFC is an optional feature.
- <sup>10</sup> HD content required to view HD images.
- <sup>11</sup> Not available in all countries see [www.hp.com/touchpoint](http://www.hp.com/touchpoint) for availability information. Some Touchpoint Manager features require purchase of a subscription.
- <sup>12</sup> HP 3D Drive Guard requires Windows.
- <sup>13</sup> The HP Wireless Hotspot application requires an active internet connection and separately purchased data plan. While HP wireless hotspot is active, on-device applications will continue to work and will use the same data plan as the wireless hotspot. Wireless hotspot data usage may incur additional charges. Check with your service provider for plan details. Requires Windows 8.1 or HP Connection Manager for Windows 7.
- <sup>14</sup> HP Mobile Connect service requires a compatible CDMA or HSPA mobile broadband module and prepaid service purchase. Find coverage and availability for your service area at [hp.com/go/mobileconnect](http://hp.com/go/mobileconnect)
- <sup>15</sup> HP PageLift requires Windows 7 or higher.
- <sup>16</sup> HP ePrint requires an internet connection to HP web-enabled printer and HP ePrint account registration (for a list of eligible printers, supported documents and image types and other HP ePrint details, see [www.hp.com/go/businessmobileprinting](http://www.hp.com/go/businessmobileprinting))
- <sup>17</sup> External power supplies, power cords, cables and peripherals are not Low Halogen. Service parts obtained after purchase may not be Low Halogen.
