

# HP EliteDisplay S270c 27-in Curved Monitor

Show off your PC and mobile device content in a remarkable new way with the HP Elite Display S270c Curved Monitor, HP's first curved commercial display—27 diagonal inches of an elegant, immersive visual experience with enhanced peripheral readability.

#### **Expand your view.**

- Enhance your visual perception with a 1920 x 1080 Full HD<sup>1</sup> curved screen that increases your field of vision vs. a flat 16:9 FHD display of the same size.

#### **Deliver glamorous presentation from every device.**

- Instantly mirror your smart phone or tablet content to the super-sized screen through an easy MHL connection that also keeps your devices charged and ready to go.<sup>2</sup>

#### **Get all the sights and sounds.**

- Make the most of your media with an expansive visual experience from wide viewing angles, and enjoy immersive quad-speaker DTS Audio that provides a more natural audio experience with maximized bass response.

#### **Featuring:**

- Set the bar for stylish performance with a sleek, modern black-and-silver color palette, thin design, and stellar front of screen from 82 ppi and 95% sRGB color gamut, plus low reflection and distortion for consistent imagery across the screen.
- Design the screen for how you work with HP Display Assistant software.
- Rest assured that your IT investment is supported by a standard limited warranty. To extend your protection beyond the standard warranties, select an optional HP Care service.<sup>3</sup>
- Be a better consumer with a display that has environmentally responsible components that include low halogen<sup>4</sup>, arsenic-free glass, and mercury-free backlights.
