

HP 256GB SATA Solid State Drive

Solid State Drives (SSDs) are fast becoming a real force with respect to storage in the computer industry. With no moving parts, storage is no longer bound by mechanical barriers to higher performance. HP SSDs for workstations offer overall performance typically beyond that of SAS 15k rpm HDDs (Hard Disk Drives).

- Higher overall performance than 15k HDDs based on random IOPs, sustained reads and sustained writes.
- Lower systems level acoustical emissions than systems with HDDs, especially 15k rpm HDDs
- More rugged than HDDs with respect to shock and vibration

HP 256GB SATA Solid State Drive

Compatibility	Z210SFF, Z210CMT, Z220SFF, Z220CMT, Z1 AIO, Z600, Z600RDIMM, Z400, Z400-6DIMM, Z1Gen2, Z230SFF, Z230TWR, Z800, Z420, Z620 and Z820
Dimensions	Out of Package: 6.985 x 0.7 cm
Warranty	HP SSD drives have a one-year limited warranty or the remainder of the warranty of the HP Workstation (up to 3 years, whichever is longer). Technical support is available seven days a week, 24 hours a day by phone, as well as in online support forums. Certain restrictions and exclusions apply.
Additional information	P/N: A3D26AA UPC/EAN code: 886112212322
Country of Origin	China
What's in the box	A 256GB SSD SATA , 4x length of SATA cables, carrier adapter 2.5" to 3.5", install guide document, HP warranty flyer.
