

HP ProDesk 400 G1 Desktop Mini PC

Unclutter your desk with the ultra small HP ProDesk 400 Desktop Mini. Compact yet powerful, this next-gen mini PC packs the performance and industry leading security software you need to work efficiently and safely—at a great price.

- Windows 8.1¹
- 4th Generation Intel® Core™ Processors²

Affordable functionality

- Get all of the capabilities you need at a price you can afford on a commercial-grade PC designed for business, complete with accessories, services, and OS options.

Flexibility to fit your needs

- Fit this very small form factor just about anywhere and enjoy flexible mounting options and accessories³ that enhance productivity and security.

Petite powerhouse

- Tackle every task with 4th generation Intel® processors² and HD 4400 graphics with the option to scale up to Core™ i7² if your workload demands it.

Always under control

- Give your IT team the tools they need to efficiently address the needs of your fleet with industry standard manageability features.

Featuring

- Help reduce energy use and costs with processors that help consume less than half the energy of those in other mini PCs.
- Use it in a kiosk, as digital signage, and more. Plus, take advantage of expandability and compatibility with the HP mini accessories.³
- Do more on dual displays with DisplayPort 1.2 and full HD VGA ports, plus use 6 USB ports to plug in all the peripherals you need.
- HP BIOSphere boosts security and keeps mission-critical data and systems under lock and key with customizable authentication and BIOS-level passwords.⁴
- Need more than a standard hard drive? Upgrade to an SSD with a full range of choices that fit a variety of needs and budgets, including M.2.
- Explore your wireless options with M.2 LAN choices, and give your IT team entry level manageability with wake-on-LAN capabilities.⁴
- Help keep your investment safe and conveniently power up your desktop mini directly from the keyboard so you don't have to open enclosures or strain for the power button when it's out of reach.
- Choose the operating system that best fits your needs from a range of Windows options including Windows 8.1¹, Windows 7¹, and education editions.

Please refer to this product's quick spec document for a full list of preinstalled software. ^{8,9,10,11,14}
Security Management	Trusted Platform Module (TPM) 1.2; SATA port disablement (via BIOS); Drive lock; Serial, parallel, USB enable/disable (via BIOS); Optional USB port disable at factory (user configurable via BIOS); Removable media write/boot control; Power-on password (via BIOS); Administrator password (via BIOS); Support for chassis padlocks and cable devices; Solenoid hood lock/sensor
Power	65 W 87% efficient, active PFC (external)
Dimensions	17.5 x 17.7 x 3.4 cm
Weight	1.3 kg
Environmental	Low Halogen ¹³
Energy Efficiency Compliance	ENERGY STAR® certified and EPEAT® registered configurations available ¹²
Warranty	On-site warranty: One-year (1-1-1) limited warranty delivers one year of on-site, next business day service for parts and labor and includes free telephone support 24 x 7. One-year onsite and labor are not available in all countries. Service offers terms up to 5 years by choosing a Care Pack. To choose the right level of service for your HP product, visit HP Care Pack Central: www.hp.com/go/cpc

HP ProDesk 400 G1 Desktop Mini PC

Recommended Accessories and Services

HP USB Business Speakers

Quickly and easily add stereo sound to your workspace with USB-powered speakers. Get enhanced sound quality from the integrated DTS Sound Software.

Product number: D9J19AA

HP Desktop Mini Chassis Tower Stand

Keep it vertical. Make the most of space-constrained environments by deploying your HP Desktop Mini in a vertical orientation with the HP Desktop Mini Chassis Tower Stand.

Product number: G1K23AA

HP Integrated Work Center for Desktop Mini and Thin Client

Make the most of small work spaces with an HP IWC Desktop Mini/Thin Client that lets you create a compact desktop solution by combining a display with an HP Desktop Mini, HP Thin Client or HP Chromebox and giving you convenient front access to all of its inputs.

Product number: G1V61AA

HP Business Headset

Comfortable and lightweight, the HP Business Digital Headset provides a headset that is perfect for call centers, telephone-intensive jobs, or casual use while working at your desk. The over-the-head flexible design includes light padding, full size leather ear phones and a mounted microphone boom.

Product number: QK550AA

HP Wireless Keyboard and Mouse

The HP Wireless Keyboard and Mouse places advanced functionality and ease of operation at your fingertips. Stop hiding wires and regain a clutter-free work space with a cordless keyboard, cordless laser mouse and USB wireless receiver in a single package – built with the environment in mind.

Product number: QY449AA

HP 5-year Next Business Day Onsite Desktop Only Hardware Support

Receive 5 years of Next Business Day Onsite repair from an HP-qualified technician for your computing device, if the issue cannot be solved remotely. For more information on Care Pack services, please visit www.hp.com/go/cpc.

Product number: U7899E

Messaging Footnotes

¹ Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers and/or software to take full advantage of Windows functionality. See <http://www.microsoft.com>.

² Multi-Core is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. 64-bit computing system required. Performance will vary depending on your hardware and software configurations. Intel's numbering is not a measurement of higher performance.

³ Sold separately or as optional features.

⁴ Wireless access point and internet service required. Service starts on date of hardware purchase. Restrictions and limitations apply. For details, visit www.hp.com/go/cpc. HP services are governed by the applicable HP terms and conditions of service provided or indicated to Customer at the time of purchase. Customer may have additional statutory rights according to applicable local laws, and such rights are not in any way affected by the HP terms and conditions of service or the HP Limited Warranty provided with your HP Product.

Technical Specifications Footnotes

¹ Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers, software or BIOS update to take full advantage of Windows functionality. Windows 10 is automatically updated, which is always enabled. ISP fees may apply and additional requirements may apply over time for updates. See <http://www.microsoft.com>

² This system is preinstalled with Windows 7 Professional software and also comes with a license and media for Windows 8.1 Pro software. You may only use one version of the Windows software at a time. Switching between versions will require you to uninstall one version and install the other version. You must back up all data (files, photos, etc.) before uninstalling and installing operating systems to avoid loss of your data.

³ Multi-Core is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. 64-bit computing on Intel® architecture requires a computer system with a processor, chipset, BIOS, operating system, device drivers, and applications enabled for Intel® 64 architecture. Processors will not operate (including 32-bit operation) without an Intel® 64 architecture-enabled BIOS. Performance will vary depending on your hardware and software configurations. Intel's numbering is not a measurement of higher performance.

⁴ Maximum memory capacities assume Windows 64-bit operating systems or Linux. With Windows 32-bit operating systems, memory above 3 GB may not all be available due to system resource requirements.

⁵ For storage drives, GB = 1 billion bytes. Actual formatted capacity is less. Up to 16 GB (for Windows 7) and 30 GB (for Windows 8.1 and 10) of system disk is reserved for the system recovery software.

⁶ Intel 802.11 and 802.11 + Bluetooth combos are optional features sold separately. Wireless access point and internet access required. Availability of public wireless access points limited.

⁷ Optional or add-on feature.

⁸ Drive Encryption requires Windows. Data is protected prior to Drive Encryption login. Turning the PC off or into hibernate logs out of Drive Encryption and prevents data access.

⁹ Secure Erase is for the methods outlined in the National Institute of Standards and Technology Special Publication 800-88.

¹⁰ ePrint requires an Internet connection to HP web-enabled printer and HP ePrint account registration, see www.hp.com/go/mobileprinting for complete details.

¹¹ HP Support Assistant requires Windows 7 or later edition and internet access.

¹² EPEAT® registered where applicable. EPEAT registration varies by country. See www.epeat.net for registration status by country.

¹³ Low halogen: External power supplies, power cords, cables and peripherals are not low halogen. Service parts obtained after purchase may not be low halogen.

¹⁴ HP Client Security requires Windows.

¹⁵ This system is preinstalled with Windows 7 Professional software and also comes with a license and media for Windows 10 Pro software. You may only use one version of the Windows software at a time. Switching between versions will require you to uninstall one version and install the other version. You must back up all data (files, photos, etc.) before uninstalling and installing operating systems to avoid loss of your data.
