

# HP Spectre Pro x360 G1 Convertible PC

The sleek, precision-crafted HP Spectre Pro x360 offers the benefits of flexible 360 degree hinge movement and four operating modes. The leading-edge technology delivers a no-compromise solution that will exceed your every need.

- Windows 8.1<sup>1</sup>
- 13.3-inch diagonal display

## Sleek and slender

- Sturdy lightweight aluminum creates a seamless look on this incredibly thin (15.4 mm) convertible PC. Starting at just 1.5 kg, easily switch between four different user modes on the 13.3-inch diagonal touch FHD or QHD<sup>2</sup> touchscreen.

## Premium performance

- Take charge of your workday with Windows 8.1<sup>1</sup> and the 5th Gen Intel® Core™ processors<sup>3</sup> with optional vPro™<sup>4</sup> technology.

## Power for hours

- Never slow down with long battery life that provides hours of time for you to create, stay productive and entertain without having to recharge.

## Featuring

- Enjoy the intuitive control of Windows 8.1<sup>1</sup> or the familiar interface of Windows 7.<sup>1</sup>
- Manage data, security, and devices from a single cloud-based solution with HP Touchpoint Manager.<sup>5</sup>
- With TPM 1.2 your critical data has protection with hardware-based encryption keys.
- Work in more places with multiple connectivity options to help you stay connected on-the-go.
- Simplify technical support with Helpdesk by HP Care Services. Rely on cost-effective expertise that's available 24x7, covering multiple brands, devices and operating systems.<sup>6</sup>
- HP helps you preserve your time and optimize your resources with expert configuration and deployment services that bring you fast, accurate, and globally standardized IT solutions.
- Lifelike Full HD with an optional QHD ultra-resolution 13.3-inch touch diagonal display.<sup>2</sup>
- Sturdy, lightweight aluminum creates a beautiful, seamless look on this incredibly thin convertible PC.

## HP Spectre Pro x360 G1 Convertible PC

### Recommended Accessories and Services

---

#### HP UltraBook 14-inch Sleeve

Pack your Ultrabook™ to go with an HP Ultrabook Sleeve, a stylish, durable, and compact sleeve case designed to help protect your notebook and maintain its sleek profile.

**Product number: F7Z99AA**

---

#### HP 3005pr USB 3.0 Port Replicator

Everything you need every day, ready with one simple connection. The HP 3005pr USB 3.0 Port Replicator is our ultimate platform-independent hot desking solution. Get online, make up to six of your everyday USB devices immediately available, and expand your productivity with connection to two external displays—all through one USB 3.0 cable.

**Product number: H1L08AA**

---

#### HP HDMI to VGA Adapter

The HP HDMI to VGA Adapter maximizes the display functionality of your HP Ultrabook™ or Notebook PC by converting the HDMI output signal to an analog VGA input for easy connecting to an external VGA display for dual-display productivity.

**Product number: H4F0ZAA**

---

#### HP USB Ethernet Adapter

Easily connect your HP Slate 500 to an Ethernet network

**Product number: XZ613AA**

---

#### HP 3-year Next Business Day Onsite Notebook Only Hardware Service

Receive 3 years of next business day onsite repair from an HP-qualified technician for your computing device, if the issue cannot be solved remotely. For more information on Care Pack services, please visit [www.hp.com/go/cpc](http://www.hp.com/go/cpc).

**Product number: HL510E**

---

## Messaging Footnotes

<sup>1</sup> Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers and/or software to take full advantage of Windows functionality. See <http://www.microsoft.com>.

<sup>2</sup> Sold separately or as an optional feature.

<sup>3</sup> Multi-Core is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. 64-bit computing system required. Performance will vary depending on your hardware and software configurations. Intel's numbering is not a measurement of higher performance.

<sup>4</sup> Some functionality of this technology, such as Intel® Active management technology and Intel Virtualization technology, requires additional 3rd party software in order to run. Availability of future "virtual appliances" applications for Intel vPro technology is dependent on 3rd party software providers. Sold as an optional feature.

<sup>5</sup> HP Touchpoint Manager supports Android™, iOS and Windows operating systems and PCs, notebooks, tablets and smartphones from various manufacturers. Not available in all countries see [www.hp.com/touchpoint](http://www.hp.com/touchpoint) for availability information. Touchpoint Manager requires purchase of a subscription. In-band Find, Wipe, Lock, Unlock, Alarm is supported on Windows, Android, iOS with the exception of Alarm on iOS is not supported. Out-of-band HP only Wipe, Lock, Unlock, and reporting of BIOS boot error codes is planned to be available on select HP EliteBooks and requires Intel vPro technology and functions in S3/Sleep, S4/Hibernate and S5/Soft Off power states.

<sup>6</sup> HP Care Services are optional. Service levels and response times for HP Care Services may vary depending on your geographic location. Service starts on date of hardware purchase. Restrictions and limitations apply. For details, visit [www.hp.com/go/cpc](http://www.hp.com/go/cpc). HP services are governed by the applicable HP terms and conditions of service provided or indicated to Customer at the time of purchase. Customer may have additional statutory rights according to applicable local laws, and such rights are not in any way affected by the HP terms and conditions of service or the HP Limited Warranty provided with your HP Product.

## Technical Specifications Footnotes

<sup>1</sup> Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers, software or BIOS update to take full advantage of Windows functionality. Windows 10 is automatically updated, which is always enabled. ISP fees may apply and additional requirements may apply over time for updates. See <http://www.microsoft.com>.

<sup>2</sup> Multi-Core is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. 64-bit computing system required. Performance will vary depending on your hardware and software configurations. Intel's numbering is not a measurement of higher performance.

<sup>3</sup> For storage drives, GB = 1 billion bytes. Actual formatted capacity is less. Up to 30 GB (for Windows 8 and 10) is reserved for system recovery software.

<sup>4</sup> 802.11 wireless is an optional add-on feature and requires wireless access point and Internet service is required and is not included. Availability of public wireless access points limited.

<sup>5</sup> Miracast is a wireless technology your PC can use to project your screen to TVs, projectors, and streaming media players that also support Miracast. You can use Miracast to share what you're doing on your PC and present a slide show. For more information: <http://windows.microsoft.com/en-us/windows-8/project-wireless-screen-miracast>

<sup>6</sup> The specifications for the 802.11ac WLAN are draft specifications and are not final. If the final specifications differ from the draft specifications, it may affect the ability of the notebook to communicate with other 802.11ac WLAN devices.

<sup>7</sup> Integrated Intel WiDi software requires separately purchased projector, TV or computer monitor with an integrated or external WiDi receiver. External WiDi receivers connect to the projector, TV or computer monitor via a standard VGA, HDMI cable, also sold separately.

<sup>8</sup> HD content required to view HD images.

<sup>9</sup> The HP Wireless Hotspot application requires an active internet connection and separately purchased data plan. While HP Wireless Hotspot is active, on-device applications will continue to work and will use the same data plan as the wireless hotspot. Wireless hotspot data usage may incur additional charges. Check with your service provider for plan details. Requires Windows 8.1 or HP Connection Manager for Windows 7.

<sup>10</sup> HP Touchpoint Manager supports Android™, iOS and Windows operating systems and PCs, notebooks, tablets and smartphones from various manufacturers. Not available in all countries see [www.hp.com/touchpoint](http://www.hp.com/touchpoint) for availability information. Touchpoint Manager requires purchase of a subscription. Out-of-band HP only Wipe, Lock, Unlock and reporting of BIOS boot error codes is planned to be available on select HP EliteBooks and requires an internet connection, Intel® vPro™ technology and functions in S3/Sleep, S4/Hibernate and S5/Soft Off power states. SATA drives are wiped. The remote wipe of Self Encrypting Drives that have hardware encryption active is not supported.

<sup>11</sup> HP ePrint requires an internet connection to HP web-enabled printer and HP ePrint account registration (for a list of eligible printers, supported documents and image types and other HP ePrint details, see [www.hp.com/go/businessmobileprinting](http://www.hp.com/go/businessmobileprinting))

<sup>12</sup> Windows 8 MM12 battery life will vary depending on various factors including product model, configuration, loaded applications, features, use, wireless functionality, and power management settings. The maximum capacity of the battery will naturally decrease with time and usage. See [www.bapco.com](http://www.bapco.com) for additional details.
