Keep moving forward with this compact, efficient color printer

In today's fast-paced business environment, you need technology that's ready to hit the ground running. This compact printer, combined with Original HP Toner cartridges with JetIntelligence, is built to help meet the needs of your growing business—and is ready to get to work when you are.

Who can benefit?

This printer is perfect for teams of one to five people—printing 250 to 2,500 pages per month—who require vibrant color printing. The HP Color LaserJet Pro M252dw will help your work team speed through tasks, using mobile printing options,¹ business apps,² and essential manageability and security features. In addition, you will be able to print more pages than ever before,³ using innovative, specially-designed Original HP Toner cartridges with JetIntelligence.

Business-Class Printers New to the Line

For the fifth year in a row and the sixth time since 2008, HP has captured BLI's Color Printer/MFP Line of the Year award

Product walk around

- 1 Intuitive 3-inch (7.6 cm) color touchscreen tilts up for easier viewing
- 2 100-sheet output bin
- 3 Easy-access USB port for printing without a computer
- 4 Built-in wireless direct⁴/NFC touch-to-print⁵
- 5 Output bin extension
- 6 Front door access to Original HP Toner cartridges with JetIntelligence
- 7 Single-sheet priority feed slot
- 8 150-sheet main input tray 2
- 9 Power on/off button
- 10 Built-in automatic two-sided printing
- 11 Rear door (provides access to paper path)
- 12 Hi-Speed USB 2.0 printing port
- 13 Fast Ethernet network port
- 14 Built-in wireless networking
- 15 800 MHz processor, 256 MB RAM

Product comparison

The following table compares the new HP Color LaserJet Pro M252dw with the HP LaserJet Pro 200 color M251nw:

HP Color LaserJet Pro M252dw	HP LaserJet Pro 200 color M251nw	Benefits
Printer size: 15.4 x 16.4 x 9.3 in (392 x 417 x 236 mm) (width x depth x height)	Printer size: 15.9 x 17.8 x 10.4 (405 x 453 x 265 mm)	Save space with a 28% smaller printer
Print speed (black/color): up to 19 ppm, letter (18 ppm, A4) ⁶	Print speed (black/color): up to 14 ppm, letter/A4 ⁶	Save time with 36% faster output
First page out (FPO) from sleep mode, letter/A4: as fast as 13 seconds, black and as fast as 14 sec, color ⁷	As fast as 25 sec FPO from sleep mode, letter/A4 (black/color) ⁷	Get right to work, with up to 48% faster FPO time from sleep mode
Original HP Toner cartridges with JetIntelligence	Original HP toner cartridges	28% more pages, ³ peak printing performance, and the added protection of anti-fraud technology
High-yield cartridge options available for black toner (~2,800 pages) and color toner (~2,300 pages each for CMY) ⁸	High-yield cartridge available for black toner (~2,400 pages); Standard color cartridges (~1,800 pages each for CMY) ⁸	28% more pages with high-capacity toner cartridges ⁹
Automatic duplex printing	Manual duplex (driver support provided)	Improved ease of use and up to 50% paper savings with two-sided printing as default
NFC touch-to-print ⁵	Not available	Improved efficiency and convenient printing from mobile devices
Typical electricity consumption (TEC) of 0.82 kWh/Week	TEC of 0.98 kWh/Week	16% less energy usage
3-inch (7.6 cm) color touchscreen with gesturing and business apps ²	3.5-inch (8.89 cm) touchscreen Color Graphic Display (CGD)	Improved ease of use with better touch accuracy and more intuitive interface
Print Microsoft® Word and PowerPoint documents, ¹⁰ as well as PDF and JPG—right from your USB drive	Print only PDF and JPG file formats from USB drive	Increased productivity and flexibility
256 MB memory	128 MB memory	Twice as much memory for better performance
Recommended monthly print volume (RMPV) of 250 to 2,500 pages ¹¹	RMPV of 250 to 1,500 pages	Rated to print up to 67% more pages per month

Key benefits at a glance

Complete tasks quickly with this compact printer. Streamline workflow with mobile printing options, essential management and security capabilities, and innovative, specially designed toner.

Accomplish more with your time

- Create the professional-quality color documents your business depends on.
- Print at the pace of business without slowing down—this printer is equipped with super-fast two-sided printing.
- Access time-saving, built-in business apps. Just tap and swipe the 3-inch (7.6 cm) touchscreen.²
- Grab what you need and go. This printer wakes up from sleep mode and prints faster than any printer in its class.¹²
- The easy-access USB port lets you print Microsoft Word and PowerPoint documents—directly from your USB drive.¹⁰

Easy mobile printing options

- Print with just a touch of your NFC-enabled mobile device—no network needed.⁵
- Count on wireless direct printing in the office—from mobile devices—without accessing the company network.⁴
- Easily print from a variety of smartphones and tablets, generally no setup or apps required.¹

HP JetIntelligence: More. Pages, Performance and Protection

- Get more pages than ever before thanks to page maximizer and print gauge technology.³
- Count on professional quality at high speeds—reformulated low-melt toner works best with your HP printer.
- Get exceptional protection from anti-fraud technology—it authenticates your cartridge as it is installed and notifies you if a used or counterfeit cartridge is installed.
- Speed through print jobs right out of the box, using preinstalled Original HP Toner cartridges with JetIntelligence. The toner seal is automatically removed, saving you a step.

Meet everyday IT challenges head-on

- Safeguard data and easily manage devices with a suite of essential security and management features.
- Easily set up, print, and share resources with built-in Ethernet and wireless networking.¹³

Designed with the environment in mind

- Help reduce energy use with HP Auto-On/Auto-Off Technology.¹⁴
- Support for thin media allows users to print on papers as light as 16 lb bond (60 g/m²).

Accomplish more with your time

Speed through tasks, using a range of productivity and workflow features, while consistently producing professional-quality prints. This printer is packed with the tools you need to get the job done quickly.

Produce high-quality color prints

Achieve the professional-quality color your business depends on—without running to the print shop. Help save money by printing marketing materials in your own office, plus make quick edits and control results.

HP EasyColor detects document content and automatically adjusts to optimize quality and speed. When combined with embedded HP ImageREt 3600, the result is exceptional output at resolutions up to 600 by 600 dots per inch.

Start printing fast, directly from sleep mode

Grab the documents you need and go. This printer wakes up from sleep mode and starts printing in as fast as 13 seconds, letter/A4 (black) and as fast as 14 seconds, color⁷—faster than any other printer in its class,¹² so your prints are ready right when you need them. Speed through big jobs with print speeds up to 19/18 ppm, letter/A4.⁶

Print Microsoft documents—right from your USB drive

Easily print the Microsoft Word and PowerPoint documents you work with every day.¹⁰ The easy-access USB port near the control panel lets you quickly print jobs from a flash drive.

Print at the speed of business

Do more with your time and your budget. This printer offers fast, automatic two-sided printing at up to 11 images per minute (ipm), letter/A4.⁶ Plus, reduced paper use helps lower printing costs.

This printer supports a wide variety of media weights and sizes. For quick prints on special media, use the priority feed slot. Just insert a sheet of paper into the slot until it makes contact. The printer pulls the paper through as it prints.

Make the most of your office space

The compact HP Color LaserJet Pro M252dw is 28% smaller than its predecessor—so you can place it right where you need it.

Put the right touch on tasks

Easily manage print jobs directly at the printer. Just tap and swipe the intuitive 3-inch (7.6 cm) touchscreen to access time-saving, built-in business apps.² The adjustable tilt angle of the control panel provides convenient accessibility to all users.

Easy mobile printing options

Stay on top of pressing business demands—whether you're in the office or on the go. Easily print from a variety of mobile devices, and work securely from virtually anywhere business takes you.¹

Print without wires from mobile devices

This printer offers wireless direct printing from virtually anywhere in the office from smartphones, tablets, and notebook PCs.⁴ Or, walk up and print with a touch of your NFC-enabled smartphone or tablet to the M252dw.⁵ (On Android™ devices, NFC touch-to-print is enabled via the HP ePrint app.¹⁵)

There's no need to search through a long list of devices—automatically discover the nearest printer without accessing your corporate network. Security and user access settings—like encryption and a configurable passphrase—can be easily set up with HP Web Jetadmin¹⁶ or the HP Embedded Web Server.

Print from a variety of mobile devices

Easily print documents, emails, PDFs, and more from iPhones® and iPads® as well as smartphones and tablets running iOS, Android and Windows® 8 operating systems—with generally no setup or apps required.¹ Simply open and preview the content you want to print, select your printer, and hit Print. For mobile devices without built-in print support, users will first need to download the HP ePrint app or HP ePrint software.¹⁵

Enable mobile printing—virtually anytime, anywhere

Even when employees are traveling, a printer can always be close at hand—with HP ePrint¹⁵ and more than 30,000 HP Public Print Locations. Empower them to print virtually anywhere from a smartphone, tablet, or notebook.¹

HP JetAdvantage Mobile Print Solutions

Choose the HP mobile print solution that fits your business needs.

Wi-Fi mobile printing

Simple options for employees to print from their mobile device

- Print via the wireless network
- Or use wireless direct or NFC touch-to-print for a secure peer-to-peer connection
- Generally no apps to download
- Supported on new and existing HP devices

HP ePrint Enterprise

HP's enterprise solution for secure mobile printing within the firewall

- Advanced management and tracking
- Seamless integration with other solutions
- Print via app, email, or native print path
- Multi-vendor device support

HP JetIntelligence: More. Pages, Performance, and Protection

Original HP Toner cartridges with JetIntelligence give your business more pages,³ peak printing performance, and the added protection of anti-fraud technology—something the competition can't match.

Original HP Toner cartridge with JetIntelligence

More pages—and more value—than ever³

Be confident you're getting the most out of every cartridge you buy. HP JetIntelligence Toner cartridges deliver up to 28% more pages³ than ever before with page maximizer technology and more dependable print gauge technology.¹⁷

Print at top speeds without sacrificing quality

Produce even more of the top-quality documents you expect from HP,³ at speeds your printer was built to achieve. HP ColorSphere 3 toner is precisely tuned to work best with the M252dw printer.

Protect your investment

Built in to every Original HP Toner cartridge with JetIntelligence, HP's exclusive anti-fraud technology protects you from potential counterfeit cartridges by authenticating the cartridge as it is installed and notifying you if a used or counterfeit cartridge is installed.

High yield, low intervention

Spend less time replacing toner, and more on important business, with optional high-yield cartridges—both black and color.⁹

Ready to work, right away

Speed through print jobs right out of the box. This printer is shipped with preinstalled, specially designed HP JetIntelligence Toner cartridges. And replacing cartridges just got easier with auto seal removal—you can get right to printing without delays.

More pages

Original HP Toner cartridges with JetIntelligence are re-engineered for higher ISO yields³ and more dependable toner level status.¹⁷

Page maximizer technology

- More pages per cartridge than previous generations of HP toner cartridges³
- Smaller, more robust parts¹⁹
- Less cartridge wear¹⁹

Print gauge technology

- More dependable gauges¹⁷ to ensure you get the most prints possible from your cartridges

More performance

Reformulated toner for a low melt point and hard shell that supports more pages³ in a smaller, faster device that uses less energy to print a page.¹⁸

ColorSphere 3 toner

- Low melt core = faster print speed and HP legendary quality
- Hard shell = durable toner for higher yields

More protection

Get the authentic HP quality you paid for and avoid potential problems. Help manage business costs and maintain quality standards across your fleet.

Anti-fraud technology

- Your HP LaserJet printer or MFP helps you identify the difference between Original HP and used or counterfeit cartridges as soon as they are installed
- Support policies you set for your printing fleet

Auto seal removal

- Skip a step—the toner seal is automatically removed for you
- Get right to printing without delays

Meet everyday IT challenges head-on

Seamlessly manage the flow of information to and from your devices, using efficient HP JetAdvantage business workflow and printing solutions. Help safeguard data and your printer with a wide range of advanced security features.

HP JetAdvantage

Business Workflow and Printing Solutions

Streamline crucial business processes and tasks, using powerful HP solutions for printing and imaging. With the latest workflow and productivity tools for efficient fleet management, you can reduce IT workload and costs, boost employee performance, and enable users to print safely and securely—wherever business demands. Learn more at hp.com/go/printingsolutions.

HP JetAdvantage Security Manager

Secure your HP printing fleet with the solution Buyers Laboratory (BLI) calls trailblazing.²⁰

Safeguard data with simple security

Gain comprehensive control of the information that matters most to your business. Safeguard data and easily manage devices with a suite of essential security features.

The M252dw supports security standards and recommended protocols that help you keep the product secure and protect critical information on your network. With Pro series security, you can define which clients/devices are allowed on the network, manage the industry-standard of SNMP configuration, and decide which ports/IP addresses have access to printer features. Utilize data encryption and optional password settings for wireless direct printing for improved security.

Easily manage your printer or fleet

Protect your print environment with the optional HP JetAdvantage Security Manager.²¹ Apply efficient, fleet-wide security policies to protect all your HP print devices.

IT can easily manage the core features of the M252dw, which is supported at the distributed enterprise level, using fleet management solutions such as HP Web Jetadmin¹⁶ and HP Universal Print Driver.²² Get standard monitoring and reporting (such as page counts and supply status), core fleet configuration and security settings, and basic management and policy tools. IT can quickly and easily apply printing rules across your fleet—to help meet environmental goals, improve security, and help reduce operating costs.

Support for Remote Print Monitoring enables automatic information collection and dynamically updated usage reports for the portal.

Manage the printer right at your PC

For simple one-on-one management, connect via the network or USB to the product's HP Embedded Web Server. Here you can easily view supplies status, adjust device settings, and more.

Extend your printing reach

Keep your office connected. Built-in Ethernet and 802.11b/g/n wireless connectivity lets you share printing resource on a network and print virtually anywhere in the office.¹³

Designed with the environment in mind

Shrink your energy use while helping your company save money. This printer is designed for low energy consumption. Keep the printing process efficient and produce less waste.

Use only the resources you need

With its intelligent design, the M252dw can help you meet your energy goals, without sacrificing performance:

- HP Auto-On/Auto-Off Technology turns your printer on when you need it and off when you don't.¹⁴
- With Instant-on Technology, the fuser warms rapidly and cools quickly, helping you conserve energy.²³
- Get up to 50% paper savings with built-in automatic two-sided printing. Use HP Web Jetadmin¹⁶ and HP Universal Print Driver²² to set two-sided printing as the default for one device or an entire fleet.
- Support for thin media allows users to print on papers as light as 16 lb bond (60 g/m²).

Work and print more efficiently

In addition to its energy-saving features, this printer is ENERGY STAR[®] certified. HP products with the ENERGY STAR logo are certified to the U.S. Environmental Protection Agency's ENERGY STAR specifications. Additional information is listed at: hp.com/go/energystar.

Reduce your impact—recycle HP cartridges

HP helps you recycle your Original HP cartridges—it's easy and convenient with the HP Planet Partners program, available in more than 50 countries and territories around the world.²⁴

No Original HP cartridges returned through HP Planet Partners are ever sent to a landfill. For more information, visit hp.com/recycle.

Technical specifications

HP Color LaserJet Pro M252dw	
Product number	B4A22A
Control panel	3-inch (7.62 cm) intuitive touchscreen color graphic display; Buttons: Back, Home, Help
Print speed (black/color)⁶	Up to 19 ppm, letter (up to 18 ppm, A4); Duplex: up to 11 ipm, letter/A4
First page out (letter/A4)⁷	From ready: as fast as 11.5 seconds, black; as fast as 13 sec, color From sleep: as fast as 13 sec, black; as fast as 14 sec, color
Print resolution (black/color)	Up to 600 x 600 dpi, HP ImageREt 3600
Print features	
Print from or scan to USB drive (no computer required)	File formats: Microsoft Word and PowerPoint documents, ¹⁰ PDF, JPG
Two-sided printing	Automatic (standard)
Processor	800 MHz
Memory	256 MB
Durability ratings	
RMPV ¹¹	250 pages to as high as 2,500 pages
Duty cycle ²⁵	Up to 30,000 pages (letter/A4)
Media specifications	
Input capacities	Tray 1: Single-sheet priority feed slot Tray 2: Up to 150 sheets
Output capacity	Up to 100 sheets
Media sizes	Tray 1 (priority feed slot) and Tray 2: letter, legal, executive, 8.5 x 13 in, 3 x 5 in, 4 x 6 in, 5 x 8 in, envelopes (No 9 and 10, Monarch); A4, A5(L), A5(P), A6, B5, B6, 16K, 10 x 15 cm, postcards (JIS), envelopes (DL, C5, B5); Custom sizes: 3 x 5 to 8 x 14 in (76 x 127 to 216 x 356 mm) Automatic duplexer: letter, legal, executive, 8.5 x 13 in; A4, A5, B5, Oficio, 16K
Media weights	Tray 1 (priority feed slot) and Tray 2: Uncoated/matte (recommended): 14 to 43 lb (52 to 163 g/m ²), postcards up to 47 lb (175 g/m ²), HP Matte up to 53 lb (200 g/m ²), Coated/glossy (recommended): 16 to 43 lb (60 to 163 g/m ²), postcards up to 47 lb (175 g/m ²), HP Glossy up to 59 lb (220 g/m ²) Automatic duplexer: Recommended: 16 to 32 lb (60 to 120 g/m ²), Allowed: 14 to 53 lb (52 to 200 g/m ²)
Media types	Paper (brochure, inkjet, plain), photo paper (borderless, HP premium, panoramic, plus tab), envelopes, labels, cards (greeting, index), transparencies
Print languages	HP PCL 6, HP PCL 5c, HP postscript level 3 emulation, PCLm, PDF, URF, Native Office
Fonts	84 scalable TrueType fonts; Additional font solutions available at hp.com/go/laserjetfonts
Connectivity	Hi-Speed USB 2.0 port; Fast Ethernet 10/100Base-TX network port; Host USB
Mobile printing	HP ePrint, ¹⁵ Apple AirPrint™, ²⁶ Mopria-certified, ²⁷ Mobile Apps, wireless direct, ⁴ NFC touch-to-print ⁵
Network capabilities	Via built-in 10/100 Base-TX Ethernet; authentication via 802.11x; Wireless networking: built-in Ethernet 802.11 b/g/n, Wi-Fi operates as both an AP and STA; Authentication via WEP, WPA, or 802.11x, Encryption via AES or TKIP
Network protocols	Via built-in networking solution: TCP/IP, IPv4, IPv6 Print: TCP-IP port 9100 Direct Mode, LPD (raw queue support only), Web Services Printing Discovery: SLP, Bonjour, Web Services Discovery IP Configuration: IPv4 (BootP, DHCP, AutoIP, Manual), IPv6
Security management	Embedded Web Server: password-protection, secure browsing via SSL/TLS; Network: enable/disable network ports and features, SNMPv1 community password change; HP ePrint: HTTPS with certificate validation, HTTP Basic Access Authentication; Firewall and ACL; SNMPv3

Notes

The world's most preferred printers (cover page): Worldwide printer marketshare, and HP printer brand awareness, consideration and preference study in 9 markets 2014.

¹ Local printing requires mobile device and printer to be on the same wireless network or have a direct wireless connection. Wireless performance is dependent on physical environment and distance from access point. Wireless operations are compatible with 2.4 GHz operations only. Remote printing requires an Internet connection to an HP web-connected printer. App or software and HP ePrint account registration may also be required. Wireless broadband use requires separately purchased service contract for mobile devices. Check with service provider for coverage and availability in your area. See hp.com/go/mobileprinting for more details.

² Requires a wireless access point and an Internet connection to the printer. Services require registration. App availability varies by country, language, and agreements, and requires a firmware upgrade. For details, visit hpconnected.com.

³ Based on cartridge yields for HP 131A compared with HP 201X Original HP toner Cartridges. For more information, see hp.com/go/learnaboutsupplies.

⁴ Mobile device must be connected directly to the printer's wireless network prior to printing. Depending on mobile device, an app or driver may also be required. Wireless performance is dependent on physical environment and distance from the access point in the printer.

⁵ Requires a compatible near-field communications (NFC)-printing-enabled mobile device. For a list of compatible NFC-printing-enabled mobile devices, see hp.com/go/nfcprinting.

⁶ Measured using ISO/IEC 24734, excludes first set of test documents. For more information see hp.com/go/printerclaims. Exact speed varies depending on the system configuration, software application, driver, and document complexity.

⁷ Measured using ISO/IEC 17629. For more information, see hp.com/go/printerclaims. Exact speed varies depending on system configuration, software applications, driver, and document complexity.

⁸ Declared yield value in accordance with ISO/IEC 19798 and continuous printing. Actual yields vary considerably based on images printed and other factors. For details see hp.com/go/learnaboutsupplies.

⁹ High-yield Original HP LaserJet toner cartridges not included; please purchase separately.

¹⁰ Feature works with Microsoft Word and PowerPoint 2003 and later. Only Latin language fonts are supported.

¹¹ HP recommends that the number of pages per month of imaged output be within the stated range for optimum device performance, based on factors including supplies replacement intervals and device life over an extended warranty period.

¹² Comparison based on manufacturers' published specifications (as of November 2014) and includes color laser printers with print speed between 11 and 20 ppm.

¹³ Wireless performance is dependent on physical environment and distance from access point, and may be limited during active VPN connections.

¹⁴ HP Auto-On/Auto-Off Technology capabilities are subject to printer and settings. May require a firmware upgrade.

¹⁵ Requires an Internet connection to an HP web-enabled printer and HP ePrint account registration. For a list of eligible printers, supported documents and image types, and other HP ePrint details, see hpconnected.com. Mobile devices require Internet connection and email capability. May require wireless access point. Separately purchased data plans or usage fees may apply. Print times and connection speeds may vary.

¹⁶ HP Web Jetadmin is free and available for download at hp.com/go/webjetadmin.

¹⁷ As compared with cartridge gauges for predecessor products.

¹⁸ As compared with previous generation of HP LaserJet printers.

¹⁹ As compared with previous generation of HP LaserJet toner cartridges.

²⁰ Buyers Laboratory LLC Solutions Report, February 2015. For details, see hp.com/go/SecurityManager or buverslab.com.

²¹ HP JetAdvantage Security Manager must be purchased separately. To learn more, please visit hp.com/go/securitymanager.

²² The HP Universal Print Driver is free and available for download at hp.com/go/upd.

²³ Compared with products that use traditional fusing.

²⁴ Program availability varies. Original HP cartridge return and recycling is currently available in more than 50 countries, territories, and regions in Asia, Europe, and North and South America through the HP Planet Partners program. For more information, visit hp.com/recycle.

²⁵ Duty cycle is defined as the maximum number of pages per month of imaged output. This value provides a comparison of product robustness in relation to other HP LaserJet or HP Color LaserJet devices, and enables appropriate deployment of printers and MFPs to satisfy the demands of connected individuals or groups.

²⁶ Supports the following devices running iOS 4.2 or later: iPad, iPad 2, iPhone (3GS or later), iPod touch (3rd generation or later). Works with HP's AirPrint-enabled printers and requires the printer be connected to the same network as your iOS device. Wireless performance is dependent on physical environment and distance from the access point.

²⁷ Mopria-certified HP printer and mobile device must be connected to the same wireless network or have a direct wireless connection. Performance is dependent on physical environment and distance from the wireless access point. Wireless operations are compatible with 2.4 GHz routers only.

²⁸ For Windows XP/Vista 32-bit and 64-bit, and for Windows Server 2003 32-bit and 2008 32-bit and 64-bit, only the printer driver and scanner driver are installed.

²⁹ Acoustic values are subject to change. For current information see hp.com/support. Configuration tested: base model, simplex printing, A4 paper at an average of 18 ppm.

³⁰ Power requirements are based on the country/region where the printer is sold. Do not convert operating voltages. This will damage the printer and void the product warranty.

³¹ Service levels and response times may vary depending on your geographic location. Service starts on date of hardware purchase. Restrictions and limitations apply. For details, visit hp.com/go/cpc. HP services are governed by the applicable HP terms and conditions of service provided or indicated to Customer at the time of purchase. Customer may have additional statutory rights according to applicable local laws, and such rights are not in any way affected by the HP terms and conditions of service or the HP Limited Warranty provided with your HP Product.
