

# HP SureSupply Auto-Delivery

## Right cartridges, right time

HP SureSupply Auto-Delivery is the fastest, easiest, and most convenient way to order your Original HP cartridges. Get the cartridges you need, exactly when you need them.

## Save time with quick and easy cartridge ordering

HP SureSupply Auto-Delivery monitors your cartridge levels 24/7 and provides convenient alerts whenever your printers reach a predefined ink or toner level, before you run out. This program is loaded with features that help give HP significant advantages over the competitors listed below:<sup>1</sup>

- **Install and enrol quickly:** setup of HP SureSupply Auto-Delivery is quick, easy, and secure. USB- and network-connected printers are discovered automatically. After installation, Auto-Delivery monitors cartridge levels around the clock—streamlining the ordering process, and reducing complaints and urgent requests when a printer runs out of ink or toner.
- **Stay in control:** choose whether to approve orders or enable automatic ordering.<sup>2</sup> Customised shipping labels<sup>2</sup> ensure the cartridge is delivered to the right location every time.
- **Cancel at any time:** HP SureSupply Auto-Delivery is no additional cost, convenient, and helps save time and money. Plus, there is no contract and no commitment.
- **Get peace of mind:** HP SureSupply Auto-Delivery is tested and certified by Security Innovation, an application security company.<sup>3</sup> HP digitally signs the installation package to ensure the integrity of the software.

## Competitive comparisons<sup>1</sup>

### Notes

<sup>1</sup> Based on manufacturers' published specifications.

<sup>2</sup> Automatic ordering and customised shipping labels may not be available through all participating cartridge suppliers. Please inquire with your cartridge supplier for details.

<sup>3</sup> Security Innovation of Wilmington, MA, (SI) is a globally recognised authority in application security. HP partnered with SI to test HP SureSupply Auto Delivery application. SI concluded that while no application can be proven to be completely secure, HP SureSupply Auto Delivery is reasonably free of security vulnerabilities (certificate letter dated July 10, 2014).
