

# HP Latex 3100 Printer

**Produce a wide range of applications and meet short turnaround times, without sacrificing quality.**

## Offer a diverse range of high-quality applications

- Versatile HP Latex Technology and HP Latex Optimiser deliver high image quality at speed.<sup>1</sup>
- Handle diverse campaign and production needs from high-value indoor to economical outdoor applications.
- Get superb quality for signage and decoration – wide colour gamut, sharp, repeatable quality, 6 colours, 1200 dpi.
- Retain media value – HP Latex Inks conform to the media surface, preserving gloss and texture, unlike UV.

## Handle peaks in production

- Respond to increasingly shorter turnaround times without sacrificing quality – 77 m<sup>2</sup>/hr indoor high quality.<sup>2</sup>
- Proof while printing with the LED Proofing Lights for on-printer visual assessment and proofing.
- Increase efficiency – Printer Status Beacon enables one person to operate multiple printers effectively.
- Confidently increase unattended printing with HP Latex Mobile app<sup>3</sup> for remote production monitoring.

## Enable higher profitability

- Help reduce maintenance costs with ramp-up training, HP Print Care preventive maintenance and uptime kits.
- Help reduce support and service fees with easy servicing your operator can perform.
- Maintain control over your costs and contract commitments by keeping peaks of production in-house.
- JDF enabled for integrating production data – for more accurate data analysis, accounting and cost control.

<sup>1</sup>The HP Latex 3100 Printer is based on HP Thermal Inkjet technology – seven printheads providing over 70,000 nozzles with 12 picolitre drops, nozzle redundancy and automatic maintenance features – enabling high image quality at high speed over long runs compared to piezo-based technology.

<sup>2</sup>Printed in Indoor High Quality mode (6-pass 6-colour 100%).

<sup>3</sup>HP Latex Mobile is compatible with Android™ 4.1.2 or later and iOS 7 or later, and requires the printer and the smart phone or tablet to be connected to the Internet.

<sup>4</sup>Printed in Outdoor mode (3-pass 6-colour 80%).

## Technical specifications

<b>Printing</b>	
Printing modes	High Saturation Backlits (18p 6c 230%): 27 m <sup>2</sup> /hr Textiles and Canvas (10p 6c 170%): 44 m <sup>2</sup> /hr Indoor High Quality (6p 6c 100%): 77 m <sup>2</sup> /hr Outdoor (3p 6c 80%): 120 m <sup>2</sup> /hr Billboard (2p 4c 70%): 180 m <sup>2</sup> /hr
Print Resolution	Up to 1200 x 1200 dpi
Ink Types	HP Latex Inks
Ink cartridges	Black, cyan, light cyan, light magenta, magenta, yellow, HP Latex Optimizer
Printheads	7 (2 cyan/black, 2 magenta/yellow, 2 light cyan/light magenta, HP Latex Optimizer)
