# Stay mobile and tackle more tasks with ease

## HP DeskJet 3630 All-in-One

April 2015

**Easy mobile printing from HP**

Print, scan, and copy using a straightforward, affordable all-in-one with some unique features:

- The easiest way to print from a smartphone or tablet[1]
- Easy setup from a smartphone, tablet, or PC[2]
- HP All-in-One Printer Remote mobile app for managing printing and scanning on the go[3]
- Wireless direct printing lets you print from mobile devices without accessing a network[4]
- Optional HP high-yield ink cartridges offer a better value for frequent printing[5]
- Reliable, high-quality printing from the world's No. 1 printer brand[6]
- Intuitive control panel with icon LCD display
- Borderless photo and document printing
- Colouring pages, recipes, and more with HP Printables—delivered on your schedule[7]
- Compact, space-saving design
- Quiet mode for noise-sensitive environments

**Learn more**

Print a demonstration page right from the HP DeskJet all-in-one control panel. Set up your all-in-one, install the print cartridges, and load plain paper according to the instructions on the setup flyer. Press and hold the Resume button for three seconds (page prints in English only).

Simplify tasks with an affordable all-in-one you can count on. Print documents and photos from your smartphone or tablet[1] and send scans to email while on the go.[3] Get up and running right out of the box, and print, scan, and copy with ease. Keep your space free of clutter and distraction with a sleek, quiet device that fits almost anywhere.

## Who can benefit?

The HP DeskJet 3630 All-in-One is ideal for those who want affordable, reliable printing and need:

- An easy way to print from smartphones and tablets[1]
- Quick, simple setup from smartphones, tablets, and PCs[2]
- Consistent, high-quality printing with low operating costs
- Versatile scanning and copying
- Compact design

## The easiest way to print from a smartphone or tablet[1]

Stay connected with easy mobile printing.[1] Get started right away and conveniently manage printing tasks, with or without a network.[3,4]

- Start printing quickly with easy setup from your smartphone, tablet, or PC.[2] Use your mobile device to register your new all-in-one and connect to your local wireless network.[2]
- Print from your smartphone or tablet without accessing a network.[4] Wireless direct printing lets you connect your mobile device directly to your all-in-one.
- Manage printing tasks and scan directly from your mobile device using the HP All-in-One Printer Remote mobile app for smartphones and tablets.[3] Quickly send scans to email or cloud storage, and check ink status before you print.[3]
- Easily print documents, photos, and more from your iPhone and iPad using AirPrint, and from smartphones and tablets running Android™, Windows® 8, and Google™ Chrome™ operating systems.[1]
- Rely on this all-in-one to take care of your print jobs, even when you're not there. Whether the output tray is open or closed, printed pages have an unobstructed path and come out looking great.

## Affordable, high-quality printing

Print affordably, with a reliable all-in-one you can count on.

- Produce up to twice as many pages and change cartridges less often with optional Original HP high-yield ink cartridges.[5]
- Count on quality with every page. Get high-quality prints, time after time, using the world's No. 1 printer brand.[6]

# ⏱ Everything you need—right away

Print, scan, and copy with ease, right out of the box.

- Simplify your tasks and finish in less time. Intuitive control panel buttons and an icon LCD display make it easy to access all-in-one functions.
- Easily create borderless photos, flyers, and other documents—all from the convenience of home.
- Get colouring pages, recipes, coupons, crossword puzzles, and more with HP Printables—delivered to your all-in-one, on your schedule.[7]
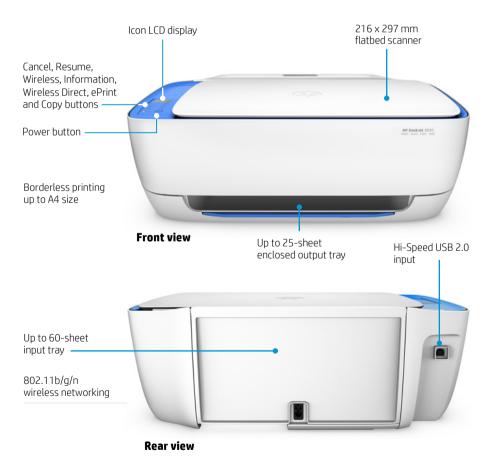

# 🏠 Designed to fit your life

Set up this space-saving device wherever you choose. It's designed to work quietly in the background, so you can print, scan, and copy almost anywhere.

- Save your space with a compact all-in-one designed to fit where it's most convenient—on your desk, on a shelf, or anyplace you need it.
- Use this all-in-one in the living room, a bedroom, or anyplace you choose, without disrupting your family's activities. Simply select the optional quiet mode to help keep noise to a minimum.

[1] In comparison to the majority of consumer/home office inkjet all-in-one printers <€399 as of November 2014 based on market share as reported by IDC as of Q3 2014, and typical time to set up and/or presence of preloaded plug-in. App download required for printer setup. Local printing requires mobile device and printer to be on the same network or have a direct wireless connection to the printer. Wireless performance is dependent on physical environment and distance from access point. Wireless operations are compatible with 2.4 GHz operations only. Remote printing requires an Internet connection to an HP web-connected printer. App or software and HP ePrint account registration may also be required. Wireless broadband use requires separately purchased service contract for mobile devices. Check with service provider for coverage and availability in your area. See hp.com/go/mobileprinting for more details.

[2] Requires HP All-in-One Printer Remote mobile app download and is compatible with iPhone 4 and later, iPad 4th generation, iPad mini, iPad Air, iPod, and mobile devices using Android™ 4.0.3 or later. Printer and mobile device must be on the same local wireless network with Internet access. For a full list of supported operating systems, see hp.com/go/mobileprinting.

[3] Mobile device requires wireless access point and an Internet connection. Compatible with iPhone 4 and later, iPad 4th generation, iPad mini, iPad Air, iPod 5G using iOS 7 or later, and mobile devices using Android 4.0.3 or later. Features controlled may vary by mobile device operating system. Scan/copy control requires mobile device and printer be on the same wireless network or through wireless direct connection to printer. For mobile scanning, device camera requires 5 megapixels or greater with autofocus capability.

[4] Mobile device needs to be connected directly to the Wi-Fi signal of a wireless direct-capable MFP or printer prior to printing. Depending on mobile device, an app or driver may also be required. Wireless performance is dependent on physical environment and distance from the wireless access point in the printer. For details, see hp.com/go/mobileprinting.

[5] Based on HP 302XL High Yield Black Original Ink Cartridges. High-yield ink cartridges not included; purchase separately. For more information, see hp.com/go/learnaboutsupplies. Less cost per page compared with estimated street price and published page yield of standard-yield HP 302 Original Ink Cartridges. Actual pricing may vary.

[6] Based on IDC's Worldwide Quarterly Hardcopy Peripherals Tracker®, 2014 Q4. Shipments for inkjet single-function printers and multifunction printers (MFPs), including production units.

[7] Requires a wireless access point and an Internet connection to the printer. Services require registration. HP Printable availability varies by country, language, and agreements, and may require a firmware upgrade. Not all HP Printables can be set up for automatic delivery and not for all printer models. For details, visit hp.com/go/hpconnected/help/printablesgs.
