

# HP Preventive Maintenance & Print Care Program

**Did you know with regular preventive maintenance you can**

**Minimize unpredictable downtime and unexpected repair costs**

**Extend the lifespan**

**Improve the performance and print quality of your HP industrial press**

Get discount up to  
**25%-30%\***

\*Enjoy 30% off list prices when you place an order for two or more

To help get you started, from now until 31 October 2015, we are offering a discount on preventive maintenance kits for the following:

- HP Scitex FB10000 and FB7600 press \*
- HP Scitex TJ8600 press \*
- HP Scitex XP2xx0/5xx0 press.

For existing HP Scitex FB10000 or FB7600 press customers, you are eligible to participate in our quarterly HP Scitex Rewards Program. To qualify, we highly recommend that

- Your HP Scitex FB10000/FB7600 press is connected online at all times.
- You do not accumulate more than two critical press alerts per task per press.

**To know more, kindly contact your local HP Sign & Display Services manager. We look forward to your participation!**
