

# HP PageWide XL 4000 Printer series

Do the work of two printers with one—faster and lower cost than LED<sup>1</sup>

## FASTER

### Monochrome and color, faster than LED<sup>1</sup>

- Move projects forward with up to 8 A1/D pgs/min monochrome and color, quick 30-second first page out
- Print, scan, copy in a single device—integrated 1200 dpi scanner with advanced and convenient workflows
- Consolidate—a single, easy-to-use device for all your monochrome and color printing/scanning needs
- Focus on your project, not the printer—up to 4 rolls with 100-page integrated top stacker

## SAVE

### Better document quality vs LED, lower cost<sup>1</sup>

- Run at lower costs than low-volume LED<sup>1</sup>—in monochrome and color
- Produce excellent technical documents—crisp lines, fine detail, smooth grayscales that beat LED<sup>2</sup>
- HP PageWide XL pigment ink for dark blacks, vivid colors, moisture/fade resistance—even on uncoated bond<sup>3</sup>
- Use half the energy per page compared to equivalent LED printers<sup>4</sup>

## SECURE

### Help keep data safe, meet IT standards

- Get a range of strict security features—self-encrypting HDD, Secure Disk Erase, IPSec, and PIN printing
- Reduce time and costs of managing individual drivers by using HP DesignJet Universal Print Driver
- Control your printer fleet with HP Web Jetadmin, monitor your device remotely with the HP Embedded Web Server
- Streamline your print workflow with HP SmartStream software, print easily with HP Click submission tool<sup>5</sup>

reddot award 2016  
best of the best

Dynamic security enabled printer. Cartridges using a non-HP chip might not work and those that work today might not work in the future. More at: [hp.com/go/learnaboutsupplies](http://hp.com/go/learnaboutsupplies)

**Note:** HP PageWide XL printers are not designed to use continuous ink systems. HP PageWide XL printers are designed for ink cartridges to be used until they are empty. Refilling cartridges prior to depletion might cause the printer to fail, and voids the HP ink cartridge warranty.

<sup>1</sup> Fastest based on alternative low-volume LED printers and MFPs (under 7 A1/D pages/minute) as of April, 2015. Operational costs based on low-volume LED technology under \$20,000 USD in the market as of April, 2015. Operational costs consist of supplies and service costs. For testing criteria, see [hp.com/go/pagewidexlclaims](http://hp.com/go/pagewidexlclaims).

<sup>2</sup> For output produced with HP PageWide XL printers and LED printers from different manufacturers and that represent greater than 50% of the annual shipments of LED printers in North America as of 2014 according to IDC. For testing criteria, see [hp.com/go/pagewidexlclaims](http://hp.com/go/pagewidexlclaims).

<sup>3</sup> Compared to prints produced with HP 970/971/980 inks that are fade and moisture resistant per ISO 11798 Permanence and Durability Methods certification. For testing criteria, see [hp.com/go/pagewidexlclaims](http://hp.com/go/pagewidexlclaims).

<sup>4</sup> Conclusions based on internal HP testing for a specific use scenario. Comparable printers using LED technology based on LED printers capable of printing 4 to 6 A1/D pages per minute and which represent more than 80% of the share of mid-volume LED printers in the US and Europe according to IDC as of April, 2015. For testing criteria, see [hp.com/go/pagewidexlclaims](http://hp.com/go/pagewidexlclaims).

<sup>5</sup> Once image is selected, one-click printing when printing the entire file without any modifications to the print settings. Applicable to PDF, JPEG, TIFF, and HP-GL/2 files.

Elevate your on-the-job productivity. The HP PageWide XL 4000 Printer series consolidates monochrome and color printing, as well as print/scan/copy in a single device. Fast, quality document production keeps the focus on moving projects forward.

### HP PageWide XL 4000 Printer series

- Boost your productivity
- Set a new quality standard for your technical documents
- Save space, reduce complexity
- Easy to use, easy to manage
- A better choice for the office—and the environment
- Select your file and click print

### Boost your productivity

The HP PageWide XL 4000 Printer series is designed to boost your productivity, whether you're printing a large project or a short job.

- With no warm-up time and ultra-fast processing, the HP PageWide XL 4000 Printer series can finish printing most jobs by the time other devices are still getting ready to print the first page
- With a print speed up to 8 A1/D pages per minute in both monochrome and color, dealing with peaks and printing large projects is no longer a hassle

### Set a new quality standard for your technical documents

HP 841 PageWide XL Printheads, working with HP PageWide XL pigment ink, are designed to produce high-quality output with dark blacks, neutral grays, and vivid colors that are moisture and fade resistant.<sup>3</sup>

Accurate and reliable dot placement results in crisp lines, fine detail, and smooth grayscales. HP PageWide XL printers do not apply heat to the paper as part of the printing process, enabling very high levels of line accuracy ( $\pm 0.1\%$ ).<sup>6</sup>

### Save space, reduce complexity

The HP PageWide XL 4000 Printer series can do the job of two printers—faster and at lower operating costs than LED.<sup>1</sup> With a single device, you can save space and reduce complexity—you now have one less printer to manage on the network, and you no longer need to manage two sets of printing supplies.

## Easy to use, easy to manage

The HP PageWide XL 4000 Printer series produces both monochrome and color in a single, easy-to-use device—with an MFP that can meet all your printing and scanning needs. The touchscreen interface enables simple, intuitive navigation and customization of print, scan, and copy functions. The status light provides at-a-glance status information from a distance. Replace ink or load new rolls simply and quickly. And run the printer unattended with four 400-ml HP ink cartridges and up to four 200-m (650-ft) long rolls.

## A better choice for the office—and the environment

The HP PageWide XL 4000 Printer series integrates easily into the office, with typical ventilation.<sup>7</sup> Both the printer and the MFP use a standard office plug for efficient energy consumption, and use half the energy per page compared to equivalent LED printers.<sup>8</sup> Unlike LED technology, HP PageWide Technology operates without a fuser, generating reduced heat and noise—and produces no ozone.<sup>9</sup> In addition, The HP PageWide XL 4000 Printer series has earned a number of leading environmental credentials including ENERGY STAR<sup>®</sup> certification and EPEAT registration.<sup>10</sup>

## Select your file and click print

With just one click,<sup>5</sup> you can print common file formats—like PDF, JPEG, TIFF, and HP-GL/2—from a PC or a Mac to the HP PageWide XL 4000/4500 Printer series. Produce a broad range of applications, from posters to drawings and maps with HP Click printing software. You can also optimize media usage and costs with features such as PDF error check, auto-orientation, resizing and alignment, and automatic nesting.

**1. Up to 4 rolls**—automatic roll switching when a roll is depleted or a different page size is selected

**2. 400-ml HP ink supplies**

**3. 203-mm (8-inch) touchscreen** with status light that reports at-a-glance current status from a distance; detailed preview and scan, copy, print presets help prevent errors and enable effortless operation

**4. Top stacker** designed to save space and allows the printer to be placed against a wall; capacity up to 100 pages

**5. Integrated 1200 dpi scanner**—scan at speeds up to 7.62 cm/sec (3 in/sec) in color and 25.4 cm/sec (10 in/sec) in grayscale; scan to a variety of file formats and work with advanced and convenient workflows

# Technical specifications

<b>General</b>	Description	Large-format color MFP or printer	
	Technology	HP PageWide Technology	
	Applications	Line drawings, Maps, Orthophotos, Posters	
	Ink types	Pigment-based (cyan, magenta, yellow, black)	
	Ink cartridges	4 (1 x 400-ml per color)	
	Printheads	8 x HP 841 PageWide XL Printheads	
	Average printhead life	32 liters	
	Printhead warranty	10 liters or 12 months from installation	
	Print resolution	1200 x 1200 dpi	
	Minimum line width	0.02 mm (0.0008 in) (HP-GL/2 addressable)	
	Guaranteed minimum line width	0.085 mm (0.0033 in) (ISO/IEC 13660:2001(E)) <sup>11</sup>	
	Line accuracy	±0.1% <sup>6</sup>	
	<b>Print speed</b>	Maximum print speed	4.8 m/min (15.65 ft/min) (7.3 m/min (23.8 ft/min) with optional speed upgrade) <sup>12</sup>
		A1/Arch D/ANSI D (long edge first)	8 pages/min (12 pages/min with optional speed upgrade)
		Warm-up time	No warm up
First page out		30 sec (from Ready mode)	
<b>Media</b>		Media rolls	2 rolls default with auto-switching, expandable to 4 rolls
	Roll width	279 to 1016 mm (11 to 40 in)	
	Roll length	Up to 200 m (650 ft)	
	Roll diameter	Up to 177 mm (7 in)	
	Roll core diameter	7.6 cm (3 in)	
	Printable width	Up to 1000 mm (39.4 in)	
	Printable length	Up to 200 m (650 ft) for CAD and 30 m (98 ft) for poster <sup>13</sup>	
	Media weight	70 to 200 g/m <sup>2</sup> (19 to 53 lb)	
	Media thickness	Up to 0.4 mm (15.7 mil)	
	Media types	Bond and recycled papers, poster papers, polypropylene, Tyvek® papers, matte film	
	Media output (standard)	Top stacker	
	<b>Scanner<sup>14</sup></b>	Description	91-cm (36-in) CIS scanner
Speed		Color: up to 7.62 cm/sec (3 in/sec) Grayscale: up to 25.4 cm/sec (10 in/sec)	
Optical resolution		1200 dpi	
Scan width		Up to 914 mm (36 in)	
Original thickness		Up to 0.26 mm (0.01 in)	
Maximum copy length		9512 mm (374.5 in)	
Maximum scan length		18 m (708.7 in) (TIFF, 610-mm (24-in) wide original at 200 dpi), 8 m (315 in) (JPEG), 5 m (196.9 in) (PDF)	
Scan format		Standard: JPEG, TIFF Optional: PDF 1.4, multipage PDF 1.4 (with PS/PDF upgrade)	
Scan features		Preview with cropping, scan quicksets, batch scanning	
Scan destination		USB, network folder (SMB), scan to email and to HP SmartStream software	
<b>Embedded controller</b>	Processor	Intel Core i3	
	Memory	8 GB DDR3	
	Hard drive	1 x 500 GB HDD, self-encrypted with AES-256	
	Print languages (standard)	HP-GL/2, PCL 3 Win	
	Print languages (optional)	Adobe PostScript 3, Adobe PDF 1.7, TIFF, JPEG (with PS/PDF upgrade)	
<b>Connectivity</b>	Remote management	HP Partner Link, HP Embedded Web Server, HP Web Jetadmin	
	Interfaces	TCP/IP, BootP/DHCP, USB 2.0 host (certified)	
	Printing paths	HP SmartStream software (optional) HP Click printing software HP Universal Print Driver (HP-GL/2 and PS) HP PageWide XL print drivers (PDF, HP-GL/2, and PS)	
<b>User interface</b>	203-mm (8-inch) capacitive touchscreen		

<sup>6</sup> ±0.1% of the specified vector length or ±0.2 mm (whichever greater) at 23°C (73°F), 50–60% relative humidity, on A0/E printing material in Best or Normal mode with HP Matte Polypropylene and HP PageWide XL pigment ink.

<sup>7</sup> Special ventilation equipment (air filtration) is not required to meet U.S. OSHA requirements. Special ventilation equipment installation is at the discretion of the customer. The need for special ventilation is not anticipated. In case of doubt, customers should consult state and local requirements and regulations.

<sup>8</sup> Conclusions based on internal HP testing for a specific use scenario. Comparable printers using LED technology based on LED printers capable of printing 4 to 6 A1/D pages per minute and which represent more than 80% of the share of mid-volume LED printers in the US and Europe according to IDC as of April, 2015. For testing criteria, see [hp.com/go/pagewidexclaims](http://hp.com/go/pagewidexclaims).

<sup>9</sup> Based on third-party testing conducted in 2014 and 2015, no ozone was detected.

<sup>10</sup> EPEAT registered where applicable and/or supported. See [epeat.net](http://epeat.net) for registration status and rating by country.

<sup>11</sup> Measured on HP Universal Bond Paper.

<sup>12</sup> Measured using 91-cm (36-in) print width.

<sup>13</sup> For longer plots (up to 200 m (656 ft)), image quality might be affected.

<sup>14</sup> Scanning functionality available with the HP PageWide XL 4000 Multifunction Printer only.

<sup>15</sup> Printing to non-HP large format printers is done through specific drivers, each of them covering several printers: Océ Windows Printer Driver (WPD), KIP Windows Driver WHQL, RICOH PostScript Driver, Xerox WHQL Driver. Enjoy best-in-class support services, knowing HP works with HP PageWide XL Channel Partners to enable them to be properly trained, certified, and equipped to meet your needs. With efficient support and innovative support features, such as printer self-monitoring, predefined resolution paths, and intuitive maintenance wizards, you can work with confidence every day. For more information, please visit [hp.com/go/pagewidexservice](http://hp.com/go/pagewidexservice).

HP Financial Services can help you acquire an HP PageWide XL printing solution and accelerate the benefits to your business. Our solutions can help you increase your flexibility by preserving cash, freeing up budgets with a monthly payment structure, and offering an easy option to upgrade to the latest model when your business is ready. For more information, please visit the Programs and Promotions section at [hp.com/hpfinancialservices](http://hp.com/hpfinancialservices).

Find the media solution that fits your business and your HP PageWide XL printer at [hp.com/go/mediasolutionslocator](http://hp.com/go/mediasolutionslocator).

### Eco Highlights

- Save paper with automatic print settings and image nesting
- ENERGY STAR® certified and EPEAT Silver registered<sup>10</sup>
- Free, convenient HP ink cartridge recycling<sup>18</sup>
- FSC®-certified papers,<sup>16</sup> range of recyclable HP media<sup>17</sup>
