Low-cost printing for your busy mobile lifestyle

HP DeskJet Ink Advantage 4675 All-in-One

June 2015

Affordable, easy mobile printing

This versatile HP all-in-one with fax and an automatic document feeder delivers:

- The easiest way to print from smartphones and tablets¹
- Simple printer setup from a smartphone, tablet, or PC²
- Easy printing from mobile devices without accessing a network³
- Unattended remote printing
- Consistent, high-quality prints with low-priced Original HP ink cartridges
- Quick, easy printing, faxing, scanning, and copying from a 5.5 cm touchscreen
- Hands-free multipage faxing, scanning, and copying
- Automatic two-sided printing
- Borderless printing for documents, flyers, photos, and more
- Printing and scanning on the go with the HP All-in-One Printer Remote mobile app⁴
- Space-saving design
- An optional quiet mode for noise-sensitive environments
- Menu planners, news, reports, and more with HP Printables—delivered on your schedule⁵

Take productivity to the next level and print affordably, with this versatile all-in-one from HP. Print from your smartphone or tablet,¹ and fly through home and work tasks. Efficiently fax, scan, and copy multipage documents, and manage print jobs from the touchscreen. HP's low-priced ink cartridges deliver consistent, high-quality results at a great value. Focus on work and save space with a quiet, compact device.

Who can benefit?

This HP all-in-one is ideal for those who want affordable, professional-quality printing for work, home, and school projects, and need:

- Easy mobile printing from smartphones and tablets¹
- Simple printer setup from mobile devices²
- Low operating costs
- Efficient multipage faxing, scanning, and copying
- Fast print speeds, a large paper input tray, and automatic two-sided printing
- Attractive, compact design and quiet operation

Easy printing from mobile devices¹

Set up this all-in-one quickly² and keep tasks moving with the easiest way to print from your smartphone or tablet.¹

- Easily print documents, photos, and more from your iPhone and iPad using AirPrint, and from smartphones and tablets running Android™, Windows® 8, Windows 10, and Google™ Chrome™ operating systems.¹
- Start printing quickly with easy setup from your smartphone, tablet, or PC.² Use your mobile device to register your new all-in-one and connect to your local wireless network.²
- Print from your smartphone or tablet anywhere in your home, without accessing a network.³ Wi-Fi Direct printing lets you connect your mobile device directly to your all-in-one.³
- Rely on this all-in-one to take care of your print jobs, even when you're not there. The auto-deploying output tray keeps printed pages from landing on the floor.

Affordable at-home printing

Keep costs down without sacrificing quality, using HP's low-priced ink cartridges. Get reliable results for everything from coupons to school projects.

- Print all the lab-quality photos and laser-sharp documents you need for a great value. HP's low-priced ink cartridges are designed to help ensure your HP printer delivers consistent, reliable results.
- Count on this HP all-in-one and Original HP ink cartridges to deliver high-quality prints, time after time. This all-in-one is designed and built to HP's high standards for reliable, long-term use.

Powerful all-in-one productivity

Tackle multipage faxing, scanning, and copying, two-sided printing, borderless photos and more, right in your own home.

- Take charge of your tasks. It's easy to control printing, faxing, scanning, and copying jobs from the 5.5 cm display. Simply touch and go.
- Quickly fax, scan, and copy multipage documents hands-free using the 35-page automatic document feeder.
- Save paper and conserve resources. Easily print on both sides of a page with automatic two-sided printing, and reduce paper consumption by up to 50%.
- Ensure your projects always look great, no matter what you print. Create borderless, lab-quality colour photos and laser-quality documents.
- Manage printing tasks and scan directly from your mobile device using the HP All-in-One Printer Remote mobile app for smartphones and tablets.⁴ Quickly send scans to email or cloud storage, and check ink status before you print.⁴

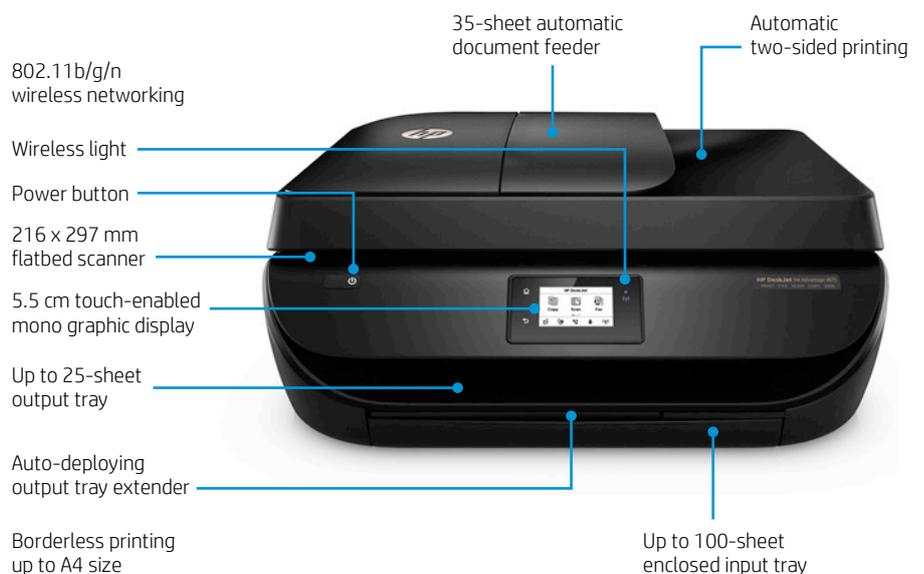

Perfect for your home—and home office

Take advantage of a space-saving all-in-one that fits right into your busy home and work life.

- Save space with a sleek all-in-one designed to fit where it's most convenient. Place it on a desk, on a shelf, or anywhere you need it.
- Use this all-in-one in your living room, a bedroom, or wherever you choose, without disrupting other activities. Simply select the optional quiet mode to help keep noise to a minimum.
- Access menu planners, news, recipes, and more with HP Printables—delivered to your all-in-one, on your schedule.⁵

Product walk around

¹ In comparison to the majority of consumer/home office inkjet all-in-one printers €399 as of Nov 2014 based on market share as reported by IDC. App download required for printer setup; HP ePrint account registration may be required. Wireless operations are compatible with 2.4 GHz operations only. See hp.com/go/mobileprinting for more details.

² Requires HP All-in-One Printer Remote mobile app download and is compatible with iPhone 4 and later, iPad 4th generation, iPad mini, iPad Air, iPod, and mobile devices using Android™ 4.0.3 or later. For a full list of supported operating systems, see hp.com/go/mobileprinting.

³ Mobile device needs to be connected directly to the Wi-Fi Direct signal of a Wi-Fi Direct-supported AiO or printer prior to printing. Depending on mobile device, a free app or driver may also be required. For details, see hp.com/go/mobileprinting.

⁴ Compatible with iPhone 4 and later, iPad 4th generation, iPad mini, iPad Air, iPod 5G using iOS 7 or later, and mobile devices using Android 4.0.3 or later. Features controlled may vary by mobile device operating system. For mobile scanning, device camera requires 5 megapixels or greater with autofocus capability.

⁵ Requires a wireless access point and an Internet connection to the printer. Services require registration. HP Printable availability varies by country, language, and agreements, and may require a firmware upgrade. Not all HP Printables can be set up for automatic delivery and not for all printer models. For details, visit hp.com/go/hpconnected/help/printablesqs.
