

HP Pro Tablet Mobile Retail Charging Dock

Dock, charge, and lock your mobile POS

Park your HP Pro Tablet Mobile Retail Solution¹ in the HP Pro Tablet Mobile Retail Charging Dock when it's not in use for quick charge ups and expanded connectivity.

Note: HP Pro Tablet with Retail Case 8 and mobile payment device shown are sold separately.

1. The dock charges the HP Pro Tablet Mobile Retail Solution (HP Pro Tablet 608 while housed in the HP Retail Case 8). Sold separately.

2. Locking slot included. Lock sold separately.

Easy charging

Connect the tablet to the dock through the pogo pin connector, without removing it from the case. LED cues alert you when your solution is completely charged.

Lock it down

Help secure your solution to the dock and the dock to a table or counter with built-in locking provisions.²

Expand your connectivity

Use the RJ-45 port to connect to a network and the USB port to connect a device or to charge an attached mobile payment device (sold separately).

Ports	(1) RJ-45 jack (1) USB 2.0 (1) Power connector (1) Locking slot

Service and support	Each accessory carries a one-year limited warranty. Online technical support is available seven days a week, 24 hours a day. Certain restrictions and exclusions apply.
HP 3 Year Next Business Day Advanced Exchange Hardware Support For Docking Station (UC296E)	HP Hardware Support Exchange Service offers a reliable and fast exchange service for eligible HP products. Specifically targeted at products that can easily be shipped and on which customers may easily restore data from backup files, HP Hardware Support Exchange Service is a cost-efficient but still convenient alternative to onsite support. HP Hardware Support Exchange Service provides a replacement product or part to be delivered free of freight charges to your location within a specified period of time. Replacement products or parts are new or equivalent to new in performance.
