Print, scan and copy information

Large-format MFP solutions by HP and Contex

Benefit from top scanning technology

CIS Scanner

Contex patented Unibody CIS technology, a unique image-capture design, is based on a single aluminum extrusion and custom CIS modules ensuring market-leading accuracy in every image aspect. Its high resolution sensor allows for better text and line definition.

Benefit from an All-Wheel-Drive (AWD), enabling perfect grip on your documents ensuring a seamless scan. Furthermore, you can easily monitor your scan job as it evolves face-up during the scanning process.

This CIS scanning technology is designed for CAD, GIS and most technical documents that are rolled or stored flat or hanging.

HP and Contex, two of the leading large-format technology companies, have come together to offer various multifunction (MFP) solutions for architectural, facility, construction, graphics and mapping professionals at a price to fit most budgets. With these powerful and intuitive MFP solutions, you can copy and scan to email, FTP, network or USB. Enjoy outstanding image quality with real-time view and edit functionality for your daily scanning needs.

The right MFP solution for your needs

These MFP bundles from HP and Contex offer you the print, scan, copy and file-sharing experience that will help simplify your work and increase your productivity:

- User-friendly solution for single printer copy system for in-house use
- Robust controller utilizing a PC and a 21.5-inch touchscreen monitor
- Full color printing and scanning
- Full scan functions that include:
 - Multi-page PDF, TIF files
 - Automatic file-naming templates
 - Customize/edit index color palette
 - Accounting
 - Batch copy
 - Full image auto adjustment
 - TWAIN driver
- CLC (Closed Loop Calibration)
- Scaling controls (scale by specific percentage or to a specific document size)
- Energy efficiency at its best—ENERGY STAR® certified
- Low cost of ownership
- Accurate line quality and color
- Sorting and collation

HP and Contex offer solution for small, medium and large workgroups. These MFP solutions are only available through HP DesignJet Specialist Premium Value Added Resellers and the direct reseller channel.

HP DesignJet T520 MFP Bundle with 36-inch Contex Scanner

This MFP solution includes:

- HP DesignJet T520 36-inch Printer, Contex IQ Quattro 3620 MFP Repro
- Scanner, PC, 21.5-inch touchscreen monitor, scanner stand
- Contex Nextimage Repro Software
- Duty cycle (print)—75 D-size prints per week
- Duty cycle (scan)—1000+ scans per week

For small AEC and GIS offices that want a printer, scan, and copy solution with full scanning functionality that is very compact for tight spaces.

- Benefit from a super-optimized, small footprint for small offices.
- Great price for a full-function MFP solution from the market leaders in large-format.

HP DesignJet T730 Printer Bundle with 36-inch Contex Scanner

This printer solution includes:

- HP DesignJet T730 36-inch Printer, Contex IQ Quattro 3620 MFP Repro
- Scanner, PC, 21.5-inch touchscreen monitor, scanner stand
- Contex Nextimage Repro Software
- Duty cycle (print)—100 D-size prints per week
- Duty cycle (scan)—1000+ scans per week

Robust and compact Wi-Fi printer for CAD and general-purpose applications for offices that want a printer, scan, and copy solution that fits their business.

- Benefit from a fast printer (1 D-sized print in 25 seconds).
- The printer creates its own Wi-Fi network for easy connectivity with Wi-Fi Direct.

HP DesignJet T795 MFP Bundle with 36-inch Contex Scanner or Power MFP Bundle with 44-inch Contex Scanner

The MFP Bundle solution includes:

- HP DesignJet T795 44-inch Printer, Contex IQ Quattro 3620 MFP Repro
- Scanner, PC, 21.5-inch touchscreen monitor, scanner stand
- Contex Nextimage Repro Software
- Duty cycle (print)—200 D-size prints per week
- Duty cycle (scan)—1000+ scans per week

For small AEC and GIS offices that want a stackable 44-inch printer and 36-inch scanner that can be used to produce fast scans, copies, and prints in full color.

- Benefit from a fast printer (2 D-sized prints per minute).
- Produce fine, detailed lines and highly accurate drawings with innovative technology and Original HP inks.
- Achieve outstanding and sharp copy quality with 1200 dpi optical scan resolutions.

Best value!

The Power MFP Bundle solution includes:

- HP DesignJet T795 44-inch Printer, Contex IQ Quattro 44MFP Repro
- Scanner, PC, 21.5-inch touchscreen monitor, scanner stand
- Contex Nextimage Repro Software
- Duty cycle (print)—200 D-size prints per week
- Duty cycle (scan)—1000+ scans per week

For small AEC and GIS offices that want a stackable 44-inch printer and 44-inch scanner that can be used to produce fast scans, copies, and prints in full color.

- Benefit from a fast printer (2 D-sized prints per minute).
- Outstanding performance with a 44-inch color printer and 44-inch color scanner.

HP DesignJet T930 PostScript® MFP Bundle with 36-inch Context Scanner

This MFP solution includes:

- HP DesignJet T930 PostScript® 36-inch Printer, Context IQ Quattro 3620 Repro
- Scanner, PC, 21.5-inch touchscreen monitor, scanner stand
- Context Nextimage Repro Software
- Duty cycle (print)—300 D-size prints per week
- Duty cycle (scan)—1000+ scans per week

For medium CAD and GIS offices that want a printer, scan, and copy solution with full scanning functionality that is easy to use.

- Benefit from the HP DesignJet T930 PostScript® Printer with front-loading roll and integrated 50-page stacker.
- Outstanding ease of use through touch panels on the monitor and the printer.

HP DesignJet Z5600 PostScript® Power MFP Bundle with 44-inch Context Scanner

This MFP solution includes:

- HP DesignJet Z5600 PostScript® Printer, Context IQ Quattro 44MFP Repro
- Scanner, PC, 21.5-inch touchscreen monitor, scanner stand
- Context Nextimage Repro Software
- Duty cycle (print)—400 D-size prints per week
- Duty cycle (scan)—1000+ scans per week

For medium AEC and GIS offices, and small reprographic shops that want a stackable 44-inch printer and 44-inch scanner that can be used to produce high-resolution prints, scans and copies.

- Produce prints and copies that are fade- and water-resistant, perfect for field use.
- Benefit from a fast printer (print speeds at 650 ft² per hour).

HP DesignJet T7200 MFP Bundle with 36-inch or 44-inch Context Scanner

These MFP solution includes:

- HP DesignJet T7200 Printer, Context IQ Quattro 3620 Repro Scanner (36-inch) or Context IQ Quattro 44MFP Repro Scanner (44-inch)
- Scanner, PC, 21.5-inch touchscreen monitor, scanner stand
- Context Nextimage Repro Software
- Duty cycle (print)—600 D-size prints per week
- Duty cycle (scan)—1000+ scans per week

For large AEC and GIS offices as well as reprographic shops looking for a production MFP solution.

- Benefit from a fast printer (4 D-sized prints per minute).
- Benefit from this heavy-duty cycle solution to meet strict deadlines in a timely manner.

HP and Contex, market leaders, giving you high-quality, large-format MFP choices.

¹ Length limitation for HD/SD Pro Scanners depends on different factors:

- PDFs are limited to 5m by definition of PDF 1.4 Standard.
- JPEGs and PDFs have a limit of 65,536 lines, depending on resolution you can achieve different lengths. At 200dpi, you can scan 327 inches.
- With TIFF, there is a limitation depending on width and resolution, color mode and compression available.
