

HP ProDesk 600 G2 Desktop Mini PC

Equipped with the latest business-class performance and security features the HP ProDesk 600 Desktop Mini works with a complete line of accessories creating a smart solution for your work space.

- Windows 10 Pro¹
- 6th Gen Intel® Core™ Processors²

Perform at the speed of work

- Power through your day with speed on a PC that takes up very little space. Get the latest in processing technology with your choice of 6th Gen Intel® Core™ processors² and Intel® HD Graphics.

Keep it secure, keep it simple

- Help keep your PC safe with optional security accessories³ to deter theft and a full portfolio of HP security solutions including HP BIOSphere,⁴ HP Client Security Suite,⁵ and new Windows 10 Pro¹ features.

The right balance

- The HP ProDesk 600 Desktop Mini delivers powerful commercial-grade performance, security, and manageability at a value that lets you keep business growing.

Versatile deployment options

- Incorporate the HP ProDesk Desktop Mini into different work environments utilizing innovative mounting, expansion, and security options³ that help you create the right solution for your work space.

Featuring

- Help secure the future of your business. PCs from HP make the most of Windows 10 Pro¹ to protect you from today's security threats and maximize management and productivity features for business.
- The HP ProDesk 600 Desktop Mini endured 120,000 hours of rigorous testing during the HP Total Test Process. This combined with HP temperature controls helps provide reliability for your work environment.
- Keep an available ENERGY STAR® certified PC on and updated with low energy consumption.
- HP BIOSphere⁴ is your security toolkit to safeguard and manage critical business data and devices.
- Reduce the complexity of administration. HP Touchpoint Manager,⁶ Windows 10 Pro¹ manageability features and HP Common Core BIOS, provide enterprise-class manageability for your assets.
- Select Pro and Elite Displays with integrated VESA mount options, easily create a complete solution with your Mini. Directly mount the Mini to the monitor or stand with optional accessories for a clean connection.
- Increase storage and performance with an optional powerful HP Turbo Drive³ that handles your growing and complex workloads.
- Get the same HP configuration across the globe for your international business, available in more than 180 countries where HP conducts business.

Product number: UE379E

Messaging Footnotes

- ¹ Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers, software or BIOS update to take full advantage of Windows functionality. Windows 10 is automatically updated, which is always enabled. ISP fees may apply and additional requirements may apply over time for updates. See <http://www.microsoft.com>.
- ² Multi-Core is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. 64-bit computing system required. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. Intel's numbering is not a measurement of higher performance.
- ³ Sold separately or as an optional feature.
- ⁴ HP BIOSphere features may vary depending on the PC platform & configuration.
- ⁵ Requires Windows.
- ⁶ HP Touchpoint Manager requires purchase of a subscription and supports Android™, iOS and Windows 7 or higher operating systems and PCs, notebooks, tablets and smartphones from various manufacturers. Not available in all countries see www.hp.com/touchpoint for availability information. Third party management software sold separately.

Technical Specifications Footnotes

- ¹ Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers, software or BIOS update to take full advantage of Windows functionality. Windows 10 is automatically updated, which is always enabled. ISP fees may apply and additional requirements may apply over time for updates. See <http://www.microsoft.com>.
- ² This system is preinstalled with Windows 7 Professional software and also comes with a license and media for Windows 10 Pro software. You may only use one version of the Windows software at a time. Switching between versions will require you to uninstall one version and install the other version. You must back up all data (files, photos, etc.) before uninstalling and installing operating systems to avoid loss of your data.
- ³ This system is preinstalled with Windows 7 Professional software and also comes with a license and media for Windows 8.1 Pro software. You may only use one version of the Windows software at a time. Switching between versions will require you to uninstall one version and install the other version. You must back up all data (files, photos, etc.) before uninstalling and installing operating systems to avoid loss of your data.
- ⁴ Multi-Core is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. 64-bit computing system required. Performance will vary depending on your hardware and software configurations. Intel's numbering is not a measurement of higher performance.
- ⁵ Transfer rates up to 2133 MT/s
- ⁶ For storage drives, GB = 1 billion bytes. TB = 1 trillion bytes. Actual formatted capacity is less. Up to 16 GB (for Windows 7) and up to 36 GB (for Windows 8.1 and 10) of system disk is reserved for system recovery software.
- ⁷ Wireless cards are optional or add-on features and requires separately purchased wireless access point and internet service. Availability of public wireless access points limited. The specifications for the 802.11ac WLAN are draft specifications and are not final. If the final specifications differ from the draft specifications, it may affect the ability of the notebook to communicate with other 802.11ac WLAN devices.
- ⁸ HD content required to view HD images.
- ⁹ Optional or add-on feature.
- ¹⁰ HP ePrint requires an Internet connection to HP web-enabled printer and HP ePrint account registration (for a list of eligible printers, supported documents and image types and other HP ePrint details, see www.hp.com/go/businessmobileprinting). HP PageLift requires Windows 7 or higher.
- ¹¹ HP BIOSphere available only on business PCs with HP BIOS.
- ¹² EPEAT® registered where applicable. EPEAT registration varies by country. See www.epeat.net for registration status by country.
- ¹³ External power supplies, power cords, cables and peripherals are not low halogen. Service parts obtained after purchase may not be low halogen.
