

HP 3001 pr USB 3.0 Port Replicator

Meet your go-to, platform-independent hot-desking solution for getting online and connecting to a single external display^{1,2} and up to three USB-connected devices.^{1,3}

Keep your most frequently-used peripherals¹ plugged in to the replicator and ready with one USB cable⁴ connection to your notebook. The included power cord keeps the replicator charged and ready.⁵

Connect your devices to two USB 3.0 charging ports and one USB 2.0 charging port. Work smarter by adding a standalone display to the integrated HDMI or VGA connector or use the included adapter to connect to a DVI display.^{1,2,3}

Get online with 10/100/1000 Ethernet. Enjoy seamless web conferencing with a combo headphone and microphone input that supports a headset and microphone capabilities on the connected notebook (if available).⁶

Get the reassurance of a one-year parts replacement limited warranty. Additional support is available (North America only) seven days a week, 24 hours a day by phone as well as through online support forums.

1 Each sold separately.

2 Up to 2560 x 1600 resolution available on a single display when connected.

3 Depending on the power output required for connected devices, not all USB ports may function simultaneously.

4 USB cable included.

5 Included power cord does not power or charge the notebook. Separate notebook power adapter required and not included.

6 Internet access required and sold separately.
