

HP EliteOne 800 G2 23-inch Non-Touch All-in-One PC

Elegant, sleek, user-friendly, and designed to perform, the HP EliteOne 800 is ready to deploy in demanding environments, with manageability and security, and enterprise-class collaboration technologies.²

HP recommends Windows 10 Pro.

- Windows 10 Pro¹
- Screen Size: 23" diagonal

Place it here, there, and everywhere

Deploy this redesigned, stylish All-in-One with a 23" diagonal FHD display anywhere you need a powerhouse PC. Its slim design and integrated cable management make an impression at reception, on an executive's desk or mounted on a wall.

Deeply secure

Help secure your PC with comprehensive hardware and software tools and HP BIOSphere with Sure Start's customizable BIOS-level passwords.³

Power-packed performance

Drive your most demanding workloads with an All-in-One powered by fast 6th Gen Intel® Core™ processors⁴ for your most challenging use cases.

Count on premier audiovisual clarity

Collaborate naturally with Cortana⁵ on Windows 10 Pro,¹ Audio by Bang & Olufsen, HP Clear Sound Amp, HP Noise Reduction Software, and a 2MP HD webcam.⁶

Featuring

- Help protect from today's security threats and maximize management and productivity features for business with Windows 10 Pro.¹
- Make expansion and upgrades a snap with a tool-less rear access panel.
- Simplify IT manageability with Intel® vPro™⁷ and Windows 10¹ plus HP Common Core BIOS, which enables easy management of your entire fleet of HP devices.
- Rest easy with a PC that passed 120,000 hours of testing and is designed to undergo MIL-STD 810G⁸ testing.
- Get the same HP configuration across the globe, available in more than 180 countries where HP conducts business.
- Make more room with optional, versatile stands⁹ or a space-saving VESA wall mount⁹ for a range of use cases.

HP EliteOne 800 G2 23-inch Non-Touch All-in-One PC

Accessories and services (not included)

HP Single Monitor Arm

The HP Single Monitor Arm is the perfect desk accessory for your work life. Sleek and streamlined, the HP Single Monitor Arm is designed to complement the way you work.

Product number: BT861AA

HP Quick Release Bracket

HP Quick Release is an easy to use, 100 mm VESA-compliant, LCD monitor mounting solution that allows you to quickly and securely attach a flat panel monitor to a variety of stands, brackets, arms or wall mounts. HP Quick Release can also be used for mounting any combination of devices that are compatible with the 100 mm VESA Flat Display Mounting Interface Standard. The failsafe "Sure-Lock" mechanism snaps the monitor (or mounted device) securely in place, and can be further secured with a theft-deterrent security screw.

Product number: EM870AA

HP 3D 256GB SATA Solid State Drive

Expand the storage capabilities of your desktop with the HP 3D 256 GB SATA SSD¹, which includes 3D V NAND flash for impressive read/write performance and reliability plus the same solid performance you already get from current SATA SSD drives.

Product number: N1M49AA

HP USB Conference Keyboard

Drive your Microsoft Lync voice and video calls directly from your HP USB Conference Keyboard and connect, disconnect, and manage your calls and videoconferencing settings with simple dedicated keys¹.

Product number: N8N57AA

HP 8GB SODIMM DDR4 Memory

Boost the capabilities of your HP Business Desktop PC and improve system performance and application responsiveness with low-power, high-speed DDR4 memory from HP.

Product number: P1N54AA

HP 3 Year Recover & Restore Service

HP Recover & Restore Service includes recovery of data in the event of data loss due to mechanical failure, accidental deletion, software crash, or malware; onsite operating system restoration and easy access to HP-certified remote diagnosis and troubleshooting. Get help with installation, setup, sync, and troubleshooting for computer operating systems and common software applications.

Product number: U9AN7E

Messaging Footnotes

¹ Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers and/or software to take full advantage of Windows functionality. Windows 10 is automatically updated, which is always enabled. ISP fees may apply and additional requirements may apply over time for updates. See <http://www.microsoft.com>.

² Sold separately or as an optional feature.

³ HP BIOSphere features may vary depending on the PC platform & configuration.

⁴ Multi-Core is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. Intel's numbering is not a measurement of higher performance.

⁵ Cortana experience may vary by device, region.

⁶ Speakers and web cam are offered as standard features but may be deselected during the ordering process.

⁷ Some functionality of vPro, such as Intel® Active Management Technology and Intel Virtualization Technology, requires additional third party software in order to run. Availability of future "virtual appliances" applications for Intel vPro technology is dependent on third party software providers. Microsoft Windows required.

⁸ MIL-STD testing is pending and is not intended to demonstrate fitness for U.S. Department of Defense contract requirements or for military use. Test results are not a guarantee of future performance under these test conditions. Accidental damage or damage under the MIL STD test conditions requires an optional HP Accidental Damage Protection Care Pack.

⁹ Mounting hardware required and sold separately.

Technical Specifications Footnotes

¹ Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers, software or BIOS update to take full advantage of Windows functionality. Windows 10 is automatically updated, which is always enabled. ISP fees may apply and additional requirements may apply over time for updates. See <http://www.microsoft.com>

² This system is preinstalled with Windows 7 Professional software and also comes with a license and media for Windows 10 Pro software. You may only use one version of the Windows software at a time. Switching between versions will require you to uninstall one version and install the other version. You must back up all data (files, photos, etc.) before uninstalling and installing operating systems to avoid loss of your data.

³ Multi-Core is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. Intel's numbering is not a measurement of higher performance.

⁴ For storage drives, GB = 1 billion bytes. TB = 1 trillion bytes. Actual formatted capacity is less. Up to 16 GB (for Windows 7) and up to 36 GB (for Windows 8.1 and 10) of system disk is reserved for system recovery software.

⁵ Duplication of copyrighted material is strictly prohibited. Actual speeds may vary. Double Layer media compatibility will widely vary with some home DVD players and DVD-ROM drives. Note that DVD-RAM cannot read or write to 2.6GB Single Sided/5.2 Double Sided-Version 1.0 Media.

⁶ Wireless cards are optional or add-on features and requires separately purchased wireless access point and internet service. Availability of public wireless access points limited. The specifications for the 802.11ac WLAN are draft specifications and are not final. If the final specifications differ from the draft specifications, it may affect the ability of this desktop PC to communicate with other 802.11ac WLAN devices.

⁷ HD content required to view HD images.

⁸ Optional or add-on feature.

⁹ HP ePrint requires an Internet connection to HP web-enabled printer and HP ePrint account registration (for a list of eligible printers, supported documents and image types and other HP ePrint details, see www.hp.com/go/businessmobileprinting).

¹⁰ Microsoft Security Essentials requires Windows 7 and internet access.

¹¹ Miracast is a wireless technology your PC can use to project your screen to TVs, projectors, and streaming media players that also support Miracast. You can use Miracast to share what you're doing on your PC and present a slide show. Miracast is available for Windows 8 and Windows 10. For more information: <http://windows.microsoft.com/en-us/windows-8/project-wireless-screen-miracast>.

¹² This product ships with TPM 1.2 with option to upgrade to TPM 2.0. Upgrade utility is expected to be available by the end of 2015 via HP Customer Support.

¹³ EPEAT® registered where applicable. EPEAT registration varies by country. See www.epeat.net for registration status by country.

¹⁴ External power supplies, power cords, cables and peripherals are not low halogen. Service parts obtained after purchase may not be low halogen.
