Helping you work more effectively

Quick quote

Use our Online Calculator to quickly respond to customer queries regarding leasing options.

Contact HP Financial Services

Our experts are available to resolve any customer issue quickly and effectively.

Credit applications

Quickly generate a credit application on behalf of your customer and track the application through its lifecycle (submit, withdraw, declines, approvals).

Marketing and promotions

Visibility and access to all special offers added to the portal.

Firm quotes

Create and save terms to provide your customer with options. Download PDF proposal document for each option.

Reporting

Customer or partner transaction history accessible by keyword search or customizable dashboard.

Proposals & Contracts

Easily convert a quote into an accepted proposal in seconds.

Monitor status real-time

Monitor all of your customer transactions from a dashboard on the home page. View easily how many transactions are at each step.

Partner Connection API

With the HPFS Partner Connection API, you can utilize a set of pricing and credit web services to streamline and automate your selling activities. Easily integrate monthly pricing and terms into your public website and intranet ordering pages to provide customers with alternatives to an upfront purchase. Our API guide provides simple-to-follow instructions and examples to get you up and running fast.
