

Accelerate your workplace transformation

Investment Solutions for HP PageWide XL printers

HP Financial Services can help customers find new ways to plan for, acquire, consume and adapt the technology needed for workplace transformation.

It's no secret that many businesses are looking to leverage IT to accelerate their growth, profitability and competitiveness. And organizations that rely on large-scale technical documents, retail point of sale posters or other corporate graphics, as an essential element of their business, need advanced printing technology that helps them improve their performance and differentiate themselves, while controlling costs.

A leap in performance

What would it add to your business if you could print the highest quality large-scale documents, in black and white and color in half the time,¹ on one printer?

The HP PageWide XL Printer portfolio enables you to do just that, offering the fastest large-format monochrome and color printing with up to 50% savings in total production costs.² And HP Financial Services can help accelerate your time to value, while providing you the flexibility to accomplish more of your current IT and financial plans, allowing you to preserve cash for other priorities.

IT Investment Solutions to fuel your business

You choose an IT investment solution that helps you avoid making a large, up-front cash outlay and provides a monthly payment plan that aligns your IT and financial goals. You can save 10% – 15% over 4 years compared to a cash purchase.³

We can help make it easier for you to transition from old printers and deploy a new HP PageWide XL solution.

- Ease into your deployment with the option to defer payments for up to 60 days
- Start with lower payments as you ramp up production and productivity, and increase payments in steps over 6 or 12 months with a 60 month term.
- Recycling services are done in accordance with applicable environmental regulations

You have the flexibility to add-on or expand as your business grows, and at the end of your chosen term, we make it simple for you to refresh and renew to the next generation of HP PageWide XL printers. You no longer have to hold on to your printers for a long period, waiting for them to fully depreciate. You can cost effectively keep your business in a position to grow and improve with the most advanced printing technology.

¹ Based on internal HP testing on the HP PageWide XL 8000 Printer compared to using two different printers (one monochrome LED printer, one color printer). For testing criteria, see hp.com/go/pagewidexlclaims.

² Fastest based on internal HP testing and methodology compared to alternatives for large-format printing of technical documents, GIS maps, and point-of-sale (POS) posters under \$200,000 USD as of March, 2015. Production costs savings based on comparison to a setup consisting of one monochrome LED printer and one color production printer, both under \$150,000 USD, as of April, 2015. Production costs consist of supplies and service costs, printer energy costs, and operator costs. For testing criteria, see hp.com/go/pagewidexlclaims.

³ Financing available through Hewlett-Packard International Bank plc (HPIB), Liffey Park Technology Campus, Barnhall, Leixlip, Co. Kildare, Ireland. Co.
