

HP Elite x2 1011 Pen

Intuitive tablet interaction at the touch of a pen

Handwrite naturally and enhance the touchscreen experience on your HP Elite x2 1011 with the HP Elite x2 1011 Pen.¹

Write or tap

Use the pen to write or draw onscreen or interact with your touch applications. Help prevent accidental inputs with palm rejection technology built into your tablet.

Simple to operate

Once the pen is in range, your tablet¹ detects it and cues you where to place it onscreen. Erase, highlight, and click on your content with the two convenient side buttons. Store the pen easily inside your tablet.

No battery required

Get a pen that's ready to go when you need it with Wacom's EMR (Electro-Magnetic Resonance) Technology.

World-class support

Rest easy with a one-year limited warranty.

¹ The HP x2 1011 Pen is only compatible with HP Elite x2 1011.
