

HP Payment Jacket

Enable your business to take mobile commerce to the max

Create a complete mPOS solution with the HP Payment Jacket, which lets you connect your Verifone e355¹ to your HP Pro Tablet 608 so you can conduct transactions, take tableside orders, and assist customers right on the floor—from virtually anywhere.

Run your business from the palm of your hand

Be more efficient by adding a jacket that attaches an optional Verifone e355¹ to your tablet so you can accept all major methods of payment, including credit cards, debit cards, EMV, contactless, NFC, and Apple Pay™.

Get a grip

Experience perfect portability with attachable hand grips and connection points for an optional shoulder strap. Make scanning barcodes easy with ergonomic barcode scan actuator buttons.

Design your deployment

Configure your HP Payment Jacket and Verifone e355¹ with your choice of Verifone options¹, like a barcode scanner or charging station⁵, which charges the tablet and Verifone e355—*together* in the jacket—so you're ready to go on a moment's notice.
