

HP Active Pen with App Launch

Boost your tablet experience

Maximize your HP Active Pen uptime by having extra nibs at the ready with the HP Active Pen with App Nib Set. It has 12 replacement nibs to write or draw onscreen with your device's touchscreen applications and one easy assembly tool.

Simplify onscreen navigation

Use the pen to write or draw onscreen or interact with your touch applications. Integrated pressure sensors help you control the width of your drawn lines.

Open sesame

Launch an app on your tablet from your pen with a programmable Bluetooth® feature that you can pair with your choice of frequently-used software.

Easy to use

Once in range, your tablet¹ detects the pen and cues you where to place it onscreen. Erase, highlight, and click on your content with the two convenient side buttons.

World-class support

Rest easy with a one-year limited warranty.

¹ The HP Active Pen with App Launch is only compatible with HP Elite x2 1012 G1, sold separately
