

Data sheet

HP Elite Top Load Herringbone Nylon Case

Exceptional quality and unexpected organization in an ultra-lightweight design

Take mobility to the max and carry your mobile device and everyday essentials in style with the eye-catching HP Elite Top Load Herringbone Nylon Case¹, which helps protect your devices and data and delivers ultimate expandability without the extra bulk.

Super secure

Defend yourself against the electronic data theft of your cards and personal identification with the RFID-shielded pocket.

Never lose your bag again

Keep track of your bag and belongings with the optional HP TrackR Device², which fits neatly into a discrete pocket and enables device tracking from your phone through a Bluetooth® connection.

Leave nothing behind

Use the main padded compartment for your device up to 14" diagonal, and the versatile foldout pocket to store your adapter, mouse, compact umbrella, and more. There's even a mouse pouch, an external phone pocket, and an adjustable-length key clip.

Leave nothing behind

Throw the bag across your chest to keep your hands free, or carry by hand with the double handles. Commuting and traveling are easier than ever with a luggage pass-through pocket that fits over the handle of most rolling suitcases.

¹ Case is composed of 75% herringbone nylon and 25% PU. Nylon interior, web shoulder strap.

² Sold separately see product insert. Compatible with iPhone 4s and later and Android 4.4 and later with Bluetooth® low energy. Availability varies by region
