

HP Tri-Mode Wireless Charging Stand 800-705-600 AIO

Make room and charge up

Customize a unique workspace with the HP Tri-Mode Wireless Charging Stand 800-705-600 AIO, which enables adjustable positioning for your HP All-in-One and wireless charging for your mobile device.

Always within reach

Streamline your workspace with an integrated charging module at the base of the stand that keeps your mobile device (up to 6" diagonal) charged, viewable, and close at hand throughout the work day.

Plan ahead with expansive compatibility

Deploy a convenient, future-proofing solution that works with your current mobile device, and your next one, with support for Qi, PMA and A4WP technologies.¹

Create your comfort zone

Find your best screen viewing height with up to four inches of vertical travel, and use the stand to rotate your AiO for portrait views of your content.

Easy assembly

Simply attach your AiO to the VESA bracket on the stand. The sturdy design is built to withstand up to 10,000 lift mechanisms.

Rest easy

Get the reassurance of a one-year limited warranty.

¹ Mobile device must natively support Qi, PMA and A4WP technologies or be configured with an adapter, sold separately.
