HP School Pack 2.0 featuring the HP Prime Graphing Calculator App

Powerful graphing functionality for the modern classroom

The HP Prime App for HP School Pack 2.0 is an extensive and comprehensive mathematics tool for students to solve problems, learn and explore on their Windows® devices. Calculate with confidence using an app designed with the same layout and features as the College Board approved HP Prime Graphing Calculator.[1]

The HP Prime Mobile App features:

- Advanced graphing, Dynamic Geometry, Statistics and Spreadsheet applications perfect for Secondary and College-level courses

- A multidimensional Computer Algebra System (CAS)

- In-app, just-in-time, context-sensitive help

- Single equations and systems of equations (linear and nonlinear) problem-solving

- Hundreds of mathematical functions and commands for quick and easy problem solving
