

# HP Spectre Pro x360 G2 Convertible PC

The sleek, precision-crafted HP Spectre Pro x360 offers the benefits of flexible 360 degree hinge movement and four operating modes. Stay productive with long battery life on an x360 business convertible with 6th Gen Intel® Core™ i5/i7 processors<sup>2</sup> and optional vPro™.<sup>3</sup>

- Windows 10 Pro<sup>1</sup>
- 13.3-inch diagonal display

## Break from the conventional with 360o flexibility.

- Sturdy lightweight aluminum creates a seamless look on this incredibly thin (.61 in. / 15.4 mm.) convertible PC. Starting at just 3.2lbs / 1.45kg, easily switch between four different user modes on the 13.3-inch diagonal touch FHD or QHD<sup>5</sup> touchscreen.

## Power for hours

- Never slow down with long battery life that allows you to create, stay productive, and entertain without having to recharge.

## Premium performance

- Take charge of your workday with Windows 10<sup>1</sup> Pro and powerful 6th Gen Intel® Core™ processors<sup>2</sup> with optional vPro™<sup>3</sup> technology.

## Field ready

- Never fear bumps and minor spills. The thin and light HP Spectre Pro x360 is designed to undergo MIL-STD 810G testing.<sup>4</sup>

## Featuring

- The best features of your favorite Windows OS and new features come together in Windows 10 Pro.<sup>1</sup>
- Lifelike Full HD with an optional QHD ultra-resolution 13.3-inch touch diagonal display.<sup>5</sup>
- Get through your busy day using a notebook and simply fold the 13.3-inch diagonal screen over to go between tablet, stand or tent mode and stay connected on the go.
- Encrypt your SED or SSD drive with Windows BitLocker and TPM 2.0.
- Manage data, security, and devices from a single cloud-based solution with HP Touchpoint Manager.<sup>6</sup>
- Work in more places with multiple connectivity options to help you stay connected on-the-go.
- Help improve productivity with the optional HP Executive Tablet Pen.<sup>5</sup>
- Simplify technical support with Helpdesk by HP Care. Rely on cost-effective expertise that's available 24x7, covering multiple brands, devices and operating systems.<sup>7</sup>

## Messaging Footnotes

<sup>1</sup> Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers, software or BIOS update to take full advantage of Windows functionality. Windows 10 is automatically updated, which is always enabled. ISP fees may apply and additional requirements may apply over time for updates. See <http://www.microsoft.com>.

<sup>2</sup> Multi-Core is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. Intel's numbering is not a measurement of higher performance.

<sup>3</sup> Some functionality of this technology, such as Intel® Active management technology and Intel Virtualization technology, requires additional 3rd party software in order to run. Availability of future "virtual appliances" applications for Intel vPro technology is dependent on 3rd party software providers. Sold as an optional feature.

<sup>4</sup> MIL-STD testing is pending and is not intended to demonstrate fitness for U.S. Department of Defense contract requirements or for military use. Test results are not a guarantee of future performance under these test conditions. Damage under the MIL STD test conditions or any accidental damage requires an optional HP Accidental Damage Protection Care Pack.

<sup>5</sup> Sold separately or as an optional feature.

<sup>6</sup> HP Touchpoint Manager requires purchase of a subscription and supports Android™, iOS and Windows 7 or higher operating systems and PCs, notebooks, tablets and smartphones from various manufacturers. Not available in all countries see [www.hp.com/touchpoint](http://www.hp.com/touchpoint) for availability information.

<sup>7</sup> HP Care Services are optional. Service levels and response times for HP Care Services may vary depending on your geographic location. Service starts on date of hardware purchase. Restrictions and limitations apply. For details, visit [www.hp.com/go/cpc](http://www.hp.com/go/cpc). HP services are governed by the applicable HP terms and conditions of service provided or indicated to Customer at the time of purchase. Customer may have additional statutory rights according to applicable local laws, and such rights are not in any way affected by the HP terms and conditions of service or the HP Limited Warranty provided with your HP Product.

## Technical Specifications Footnotes

<sup>1</sup> Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers, software or BIOS update to take full advantage of Windows functionality. Windows 10 is automatically updated, which is always enabled. ISP fees may apply and additional requirements may apply over time for updates. See <http://www.microsoft.com>.

<sup>2</sup> Multicore is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. Intel's numbering is not a measurement of higher performance.

<sup>3</sup> Some vPro™ functionality, such as Intel® Active management technology and Intel Virtualization technology, requires additional 3rd party software in order to run. Availability of future "virtual appliances" applications for Intel vPro technology is dependent on 3rd party software providers. Microsoft Windows required.

<sup>4</sup> For storage drives, GB = 1 billion bytes. Actual formatted capacity is less. Up to 30 GB (for Windows 10) is reserved for system recovery software.

<sup>5</sup> All wireless options are sold separately or as optional features.

<sup>6</sup> For all 802.11 wireless, wireless access point and Internet service is required and is not included. Availability of public wireless access points limited. The specifications for the 802.11ac WLAN are draft specifications and are not final. If the final specifications differ from the draft specifications, it may affect the ability of the notebook to communicate with other 802.11ac WLAN devices.

<sup>7</sup> Miracast is a wireless technology your PC can use to project your screen to TVs, projectors, and streaming media players that also support Miracast. You can use Miracast to share what you're doing on your PC and present a slide show. For more information: <http://windows.microsoft.com/en-us/windows-8/project-wireless-screen-miracast>.

<sup>8</sup> Intel WiDi Pro support requires Intel vPro processor, Intel Graphics, and Intel X22 ac WLAN.

<sup>9</sup> HD content required to view HD images.

<sup>11</sup> Integrated Intel WiDi software is available and requires separately purchased projector, TV or computer monitor with an integrated or external WiDi receiver. External WiDi receivers connect to the projector, TV or computer monitor via a standard VGA, HDMI cable, also sold separately.

<sup>12</sup> HP Touchpoint Manager requires purchase of a subscription and supports Android™, iOS and Windows 7 or higher operating systems and PCs, notebooks, tablets and smartphones from various manufacturers. Not available in all countries see [www.hp.com/touchpoint](http://www.hp.com/touchpoint) for availability information.

<sup>13</sup> The Wireless Hotspot application requires an active Internet connection and separately purchased data plan. While HP Wireless Hotspot is active, on-device applications will continue to work and will use the same data plan as the wireless hotspot. Wireless Hotspot data usage may incur additional charges. Check with your for plan details. Requires Windows.

<sup>14</sup> ePrint requires an Internet connection to HP web-enabled printer. HP ePrint account registration required. For a list of eligible printers, supported documents and image types, and for complete details, see [www.hp.com/go/businessmobileprinting](http://www.hp.com/go/businessmobileprinting).
