Fast printing and energy efficiency brought together

Put impressive print speeds and performance to work in your office. This energy-saving printer starts faster¹ and offers security features that help guard against threats. Produce more consistent, high-quality pages using Original HP Toner cartridges with JetIntelligence.²

Who can benefit?

This printer is ideal for teams of five to fifteen people—printing 1,500 to 6,000 pages per month—who want to print consistent, high-quality documents. The HP LaserJet Pro M501 series will help your work team speed through tasks, using a range of productivity features and essential security and manageability features. Print up to 44% more pages,² using HP JetIntelligence Toner cartridges.

Product walk around

HP LaserJet Pro M501dn shown

- 1 250-sheet output bin
- 2 Top cover release button (access to JetIntelligence toner cartridges)
- 3 Gigabit Ethernet port, USB port for job storage with PIN printing,³ Hi-speed USB 2.0 printing port
- 4 256 MB standard memory and 1.5 GHz processor
- 5 2-line LCD control panel with numerical keypad
- 6 100-sheet multipurpose tray 1
- 7 Automatic two-sided printing
- 8 550-sheet tray 2

Key benefits at a glance

Impressive print speeds and performance, energy-efficiency, and a small footprint combine to make this printer a perfect fit for your office—while offering security features that help guard against threats. Get more pages and help protect your printer using Original HP Toner cartridges with JetIntelligence.²

Big results, small footprint

- Don't wait for documents. Print your first page in as few as 7.2 seconds from energy-efficient sleep mode.⁷
- This printer leads its class in low energy use¹⁷—thanks to its innovative design and toner technology.
- Speed through tasks and save paper with ultra-fast two-sided printing. Produce two-sided documents almost as quickly as one-sided documents.
- Get consistently high-quality documents across a variety of media—at up to 65 ppm on A5 paper.⁴
- This compact, quiet printer is designed to fit where it suits your work team best, even in tight spaces.
- Let high-volume print jobs handle themselves, using a printer with a 1,200-sheet maximum capacity.⁹
- Help reduce your impact. Count on easy cartridge recycling at no charge through HP Planet Partners.¹⁸

Get strong protection and easily manage your fleet

- Help keep printing safe from boot up to shutdown with security features that guard against complex threats.
- Help ensure documents remain confidential with PIN printing enabled through an optional USB drive.³
- Employ policy-based protection for printing devices with optional HP JetAdvantage Security Manager.¹⁹
- Easily manage devices and settings using HP Web Jetadmin with a suite of essential management features.¹⁶

More. Pages, Performance, and Protection.

- Get the most prints for your money and spend less time replacing toner—using Original HP High Yield Black Toner cartridges with JetIntelligence.^{2,6}
- Count on consistent results at high speeds with precision black toner.
- Help ensure you're getting the authentic HP quality you paid for with innovative anti-fraud technology.
- Get right to printing without delays or mess—quickly replace your cartridge using easy-open packaging and auto seal removal.

Big results, small footprint

Stay ahead of schedule with the fastest first page out from sleep mode.¹ This compact, quiet printer delivers ultra-fast two-sided printing and outperforms the competition on energy efficiency.¹⁷

Take waiting out of your workday

Don't wait for documents. Receive your first page in as little as 7.2 seconds from energy-efficient sleep mode and 5.8 seconds from ready mode⁷—faster than the competition¹—thanks to Original HP Toner cartridges with JetIntelligence.

Designed to conserve

Keep productivity up and energy use down. This efficient printer has the lowest energy consumption in its class¹⁷—thanks to its innovative design and specially formulated toner. With its intelligent design, this printer can help you meet your energy goals, without sacrificing performance:

- HP Auto-On/Auto-Off Technology—intelligence that can turn your printer on when you need it and off when you don't.²⁰
- With Instant-on Technology, the fuser warms rapidly and cools quickly, helping you conserve energy.²¹
- This printer is ENERGY STAR certified.

Print two-sided pages almost as fast as one

Speed through tasks and save paper with ultra-fast two-sided printing. Produce two-sided documents almost as quickly as one-sided documents—up to 43 ppm, simplex, and 34 ipm, duplex (A4).⁴ Plus, reduced paper use helps lower printing costs.

Top quality and speed, even on narrow media

Get consistently high-quality documents and speedy results across a variety of media. Print up to 65 ppm on A5 paper.⁴

Designed to fit where you need it

Place this printer where it suits your work team best, even in tight spaces. Design improvements make for a quiet printer that fits right in.

Loaded for productivity

Let high-volume print jobs handle themselves. This printer has a 1,200-sheet maximum capacity,⁹ so you can spend less time loading and reloading paper. New 550 sheet paper trays let you add an entire ream before the paper runs out. And all trays support a wide variety of media weights and sizes.

Reduce your impact—recycle HP cartridges

HP helps you recycle your Original HP cartridges at no charge—it's easy and convenient with the HP Planet Partners programme, available in more than 50 countries and territories around the world.¹⁸

No Original HP cartridges returned through HP Planet Partners are ever sent to a landfill. For more information, visit hp.com/recycle.

Get strong protection and easily manage your fleet

Work with confidence, not worries. Get strong protection for devices, data, and documents, using embedded security features, and centrally manage your entire printer fleet.¹⁶

Embedded security features for greater protection

Help keep printing safe from boot up to shutdown. Embedded security features guard your device, data, and documents against complex threats.

With Pro series security, you can define which clients/devices are allowed on the network, manage the industry-standard of SNMP configuration, and decide which ports/IP addresses have access to printer features.

Protect information and confidential print jobs and easily authenticate users with encrypted job storage with PIN printing—just plug a flash drive into the USB port located on the back of this printer.³

Unmatched defense for your fleet

Optional HP JetAdvantage Security Manager is the most comprehensive printing security solution in the market, offering an effective, policy-based approach to securing HP printing and imaging devices.¹⁹

Manage the printer right at your PC

For simple one-on-one management, connect via the network or USB to the product's HP Embedded Web Server. Here you can easily view supplies status, adjust device settings, access up-to-date troubleshooting guides, and more.

Manage your business printing with ease

Gain comprehensive control of information while providing employees the access they need to get the job done. Easily manage devices and settings using HP Web Jetadmin with a suite of essential, enterprise-level management features.¹⁶

Get standard monitoring and reporting (such as page counts and supply status), core fleet configuration and security settings, and basic management and policy tools. IT can quickly and easily apply printing rules across your fleet—to help meet environmental goals, improve security, and help reduce operating costs.

The M501 series is supported by the HP Universal Print Driver.

HP JetAdvantage Security Manager

Help secure your HP printing fleet with the solution Buyers Laboratory calls trailblazing.¹⁹

More. Pages, Performance, and Protection.

Bring out the best in your printer. Print more consistent, high-quality pages than ever before,² using specially designed Original HP Toner cartridges with JetIntelligence. Count on better performance, higher energy efficiency, and the authentic HP quality you paid for—something the competition simply can't match.

Original HP Toner cartridges with JetIntelligence

More pages than ever before²

Be confident you're getting the most out of every cartridge you buy. HP JetIntelligence Toner cartridges deliver up to 44% more pages² than ever before with page maximiser technology. Consistently predict toner levels with print gauge technology.²²

HP quality—print after print

Precision black toner is engineered to deliver consistent placement of toner particles and produce sharp text, bold blacks, and crisp graphics. It is precisely tuned to match the powerful performance of the M501 series.

Protect your investment

Don't be fooled by cartridges that attempt to mimic Original HP. Innovative anti-fraud technology helps identify whether a cartridge is Original HP, used, or counterfeit—to help ensure you're getting the authentic HP quality you paid for.

High yield, low intervention

Don't waste important business time replacing toner cartridges. Optional high-yield cartridges enable uninterrupted printing for longer periods of time.⁶

Ready to work, right away

Speed through print jobs right out of the box—without even opening the cartridge door. The M501 series is shipped with preinstalled, specially designed Original HP Toner cartridges with JetIntelligence—ready to print.

Start printing quickly and easily

Get right to printing without delays or mess—quickly replace your cartridges using easy-open packaging and auto seal removal.

More pages

Original HP Toner cartridges with JetIntelligence are re-engineered for higher ISO yields² and more dependable toner level status.²²

Page maximiser technology

- More pages per cartridge than previous generations of HP toner cartridges²
- Smaller, more robust parts²⁴
- Less cartridge wear²⁴

Print gauge technology

- More dependable gauges²² to ensure you get the most prints possible from your cartridges

More performance

Reformulated toner that supports more pages² in a smaller, faster device and uses less energy to print a page.²³

Precision black toner

- Spherical shape = more pages, sharp text, bold blacks and crisp graphics
- Encapsulated design = less energy; enables faster print speed

More protection

Get the authentic HP quality you paid for and avoid potential problems. Help manage business costs and maintain quality standards across your fleet.

Anti-fraud technology

- Helps you identify the difference between Original HP and used or counterfeit cartridges
- Supports policies you set for your printing fleet

Auto seal removal

- Skip a step—the toner seal is automatically removed for you
- Get right to printing without delays

Technical specifications

Notes

- ¹ Based on HP internal testing of top 5 leading competitors' first page out from ready and sleep mode completed 1/2016. Subject to device settings. Actual results may vary. For details see hp.com/go/Liclaims.
- ² More pages versus predecessor cartridges claim based on page-yield comparison of HP 55X High Yield Black Original LaserJet Toner Cartridges with HP 87X High Yield Black Original LaserJet Toner Cartridges. For more information, see hp.com/go/learnaboutsupplies.
- ³ Requires purchase of separate USB flash drive with at least 16 GB capacity.
- ⁴ Measured using ISO/IEC 24734 Feature Performance Test; excludes first set of test documents. For more information, see hp.com/go/printerclaims. Exact speed varies depending on the system configuration, software application, driver, and document complexity.
- ⁵ Declared yield value in accordance with ISO/IEC 19752 and continuous printing. Actual yields vary considerably based on images printed and other factors. For details see hp.com/go/learnaboutsupplies.
- ⁶ HP High Yield Black Original LaserJet Toner cartridges are not included in printer purchase; purchase separately. Learn more at hp.com/go/learnaboutsupplies.
- ⁷ Measured using ISO/IEC 17629. For more information, see hp.com/go/printerclaims. Exact speed varies depending on the system configuration, software application, driver, and document complexity.
- ⁸ The 4-line control panel is available on the HP LaserJet Enterprise M506n and M506dn models. A 4.3-inch (10.9 cm) colour touchscreen is available on the HP LaserJet Enterprise M506x model.
- ⁹ Purchase of optional paper tray required to reach maximum input capacity.
- ¹⁰ Duty cycle is defined as the maximum number of pages per month of imaged output. This value provides a comparison of product robustness in relation to other HP LaserJet or HP Color LaserJet devices, and enables appropriate deployment of printers and MFPs to satisfy the demands of connected individuals or groups.
- ¹¹ Printer requires ePrint account registration. App or software may be required. Wireless operations are compatible with 2.4 GHz operations only. Learn more at hp.com/go/mobileprinting.
- ¹² Supports the following devices running iOS 4.2 or later: iPad, iPad 2, iPhone (3GS or later), iPod touch (3rd generation or later). Works with HP's AirPrint-enabled printers and requires the printer be connected to the same network as your iOS device. Wireless performance is dependent on physical environment and distance from the access point.
- ¹³ Mopria-certified HP printer and mobile device must be connected to the same wireless network or have a direct wireless connection. Performance is dependent on physical environment and distance from the wireless access point. Wireless operations are compatible with 2.4 GHz routers only.
- ¹⁴ Wireless direct printing is standard on the HP LaserJet Enterprise M506x only. Requires purchase of optional HP Jetdirect 3000w NFC/Wireless Direct Accessory for the HP LaserJet Enterprise M506n/dn. Mobile device needs to be connected directly to the Wi-Fi network of a wireless direct-capable MFP or printer prior to printing. Depending on mobile device, an app or driver may also be required. For details, see hp.com/go/businessmobileprinting.
- ¹⁵ Touch-to-print capability is standard on the HP LaserJet Enterprise M506x only. Requires purchase of optional HP Jetdirect 3000w NFC/Wireless Direct Accessory for the HP LaserJet Enterprise M506n/dn. Mobile device must support Near Field Communication (NFC)-enabled printing. For more information, see hp.com/go/businessmobileprinting.
- ¹⁶ HP Web Jetadmin is available for download at no additional charge at hp.com/go/wja.
- ¹⁷ Based on comparisons of TEC (Typical Electricity Consumption) data reported on energystar.gov for mono laser printers with >1% worldwide market share as reported by IDC as of Q3 2015, available worldwide and with print speeds of 40–50 ppm (A4). Actual results may vary. Learn more at hp.com/go/Liclaims.
- ¹⁸ Programme availability varies. Original HP cartridge return and recycling is currently available in more than 50 countries, territories, and regions in Asia, Europe, and North and South America through the HP Planet Partners programme. For more information, visit hp.com/recycle.
- ¹⁹ Based on HP Internal research on competitive offerings (Device Security Comparison, January 2015) and Solutions Report on HP JetAdvantage Security Manager 2.1 from Buyers Laboratory LLC, February 2015. HP JetAdvantage Security Manager must be purchased separately. To learn more, please visit hp.com/go/securitymanager.
- ²⁰ HP Auto-On/Auto-Off Technology capabilities subject to printer and settings; may require a firmware upgrade.
- ²¹ Compared with products that use traditional fusing.
- ²² As compared with cartridge gauges for predecessor products.
- ²³ As compared with previous generation of HP LaserJet printers.
- ²⁴ As compared with previous generation of HP LaserJet toner cartridges.
- ²⁵ HP recommends that the number of printed pages per month be within the stated range for optimum device performance, based on factors including supplies replacement intervals and device life over an extended warranty period.
- ²⁶ Not all "Compatible Operating Systems" are supported with inbox software; Full solution software available only for Windows 7 and newer; Legacy Windows Operation Systems (XP, Vista, and equivalent servers) get print drivers only; Windows RT OS for Tablets (32-bit & 64-bit) uses a simplified HP print driver built into the RT OS; UNIX Modelscripts are available on hp.com (Modelscripts are printer drivers for UNIX operating systems); Linux systems use in-OS HPLIP software; HP Software for Mac is no longer included on the CD, but can be downloaded from hp.com - the Mac driver and Mac Utility are installed for Mac operating systems.
- ²⁷ Acoustic values are subject to change. For current information see hp.com/support.
- ²⁸ Power requirements are based on the country/region where the printer is sold. Do not convert operating voltages. This will damage the printer and void the product warranty.
- ²⁹ EPEAT Silver registered model of this product is available where HP registers imaging and equipment products. (Australia only)
- ³⁰ Service levels and response times may vary depending on your geographic location. Service starts on date of hardware purchase. Restrictions and limitations apply. For details, visit hp.com/go/cpc.
