

HP Cable Locks

Help protect your hardware at work and home with locking solutions that add an extra layer of security

HP Essential Keyed Cable Lock

Affordable locking

Add an extra layer of security to your notebook with the HP Essential Keyed Cable Lock, designed for any notebook with a standard lock slot.

Loop, push, lock. Easy!

Route the 4 ft (1.22 m) vinyl-coated, galvanized steel cable around any secure object, attach to your notebook, and lock with a unique key (plus a spare).

Room to move

The cable head swivels 360 degrees to help you position the cable as needed before you lock.

Rest easy

Get the reassurance of a one-year limited warranty.

HP Essential Combination Lock

Affordable physical security for your notebook

Add an extra layer of security to your notebook with the HP Essential Combination Lock, designed for any notebook with a standard lock slot.

Loop and lock with your own code

Route the 4 ft (1.22 m) vinyl-coated, galvanized steel cable around any secure object, attach to your notebook, and lock with the push-button mechanism and your user-resettable four-digit combination.

Room to move

The cable head swivels 360 degrees to help you position the cable as needed before you lock.

Rest easy

Get the reassurance of a one-year limited warranty.

HP Combination Lock

Security for your notebook

Put your own spin on your notebook lock with the programmable HP Combination Lock, designed for any HP notebook with a standard lock slot.

Loop and lock with a unique combination

Route the 6 ft (1.83 m) vinyl-coated, galvanized steel cable around any secure object, attach to your notebook, and lock with the push-button mechanism and the factory-set four-digit combination.

Room to move

The cable head swivels 360 degrees to help you position the cable as needed before you lock.

Rest easy

Get the reassurance of a one-year limited warranty.

HP Dual Head Master Cable Lock

Double up

Get hardware security for your notebook and another device like a display or dock with the HP Dual Head Master Cable Lock, which locks both devices to the lock and then a third fixed surface.

Pair and lock

Loop one end of the 7 ft (2.13 m) vinyl-coated, galvanized steel cable around a secure object, attach one lock to your notebook and the other to a dock, printer or display. Insert the master key into the lock and turn clockwise 90 degrees to lock.

Room to move

The cable head swivels 360 degrees to help you position the cable as needed before you lock.

Rest easy

Get the reassurance of a one-year limited warranty.
