Quality and performance you can count on

Balancing speed, quality, and printing cost once meant sacrificing one benefit for another. These HP printers with HP PageWide Technology deliver the ultimate combination of value and speed, with the quality businesses demand. Drive productivity with high-performance, professional-quality color printing, plus best-in-class security features¹ and energy efficiency²—for up to 40% lower color cost-per-page as compared with color lasers (HP PageWide Pro devices only).³

Who can benefit?

Work teams in small and medium-size businesses or remote branch offices can share these efficient, reliable printers. For teams of 5 to 15 users printing up to 6,000 pages per month,⁴ HP PageWide Pro 552 and 577 series offer a perfect solution. Work teams of 3 to 10 users printing up to 4,500 pages per month⁴ can share HP PageWide Pro 452 and 477 series models. The HP PageWide 377 series is ideal for teams of 3-10 users printing up to 3,000 pages per month.⁴ For businesses that need a multifunction printer, HP PageWide Pro 477, 577, and PageWide 377 MFP series deliver fast single-pass, two-sided scanning, plus versatile print, copy, and fax features. Many models offer convenient Wi-Fi Direct⁵ and NFC touch-to-print capabilities.⁶

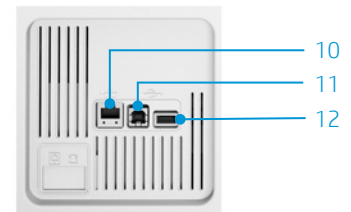

Product walk around: 552dw Printer

HP PageWide Pro 552dw Printer

- 1 Intuitive 4.3-inch (10.9 cm) color touchscreen with gesturing
- 2 Easy-access USB port for convenient USB document printing
- 3 NFC touch-to-print⁶
- 4 50-sheet multipurpose tray 1 with long paper extension
- 5 300-sheet output bin
- 6 Built-in wireless networking⁷
- 7 Front door access to easy-to-replace print cartridges
- 8 Built-in automatic two-sided printing
- 9 500-sheet main input tray 2
- 10 Ethernet network port, 10/100Base-TX
- 11 Hi-Speed USB 2.0 printing port
- 12 Hi-Speed USB 2.0 port (for connecting third-party devices)

Key benefits at a glance

Empower workgroups with impressively fast print speeds, professional-quality color, and streamlined workflow features. Efficient, reliable HP PageWide Technology minimizes downtime. Help protect your data, devices and documents with best-in-class security¹ (HP PageWide Pro devices only).

Outstanding value, the results you expect

- Print professional-quality color documents for up to 40% lower color cost-per-page as compared with color lasers (HP PageWide Pro devices only).³
- Rely on Original HP PageWide cartridges to deliver durable prints that last.
- Print more pages, with fewer interruptions using optional Original HP PageWide high-yield⁹ or extra-high-yield¹⁰ cartridges.
- Spend less time and budget on maintenance with streamlined HP PageWide Technology.

Keep productivity on track

- Save time with best-in-class print speeds—up to 70 ppm in color and black-and-white (552 and 577 series).²¹ Grab pages and go with the fastest first page printing in its class.²²
- Get fast, two-sided scanning with an MFP that captures both sides of the page at once (377, 477, and 577 MFP series).
- Manage print jobs directly at the printer—just tap and swipe the intuitive color touchscreen (377, 477, 552, and 577 series).
- Print directly from your mobile device to your Wi-Fi Direct printer, without accessing the company network,⁵ and empower work teams to print with just a touch of their NFC-enabled mobile device to the printer—no network needed⁶ (not available for 452dn and 477dn models).
- Print Microsoft Word and PowerPoint files directly from a USB drive (477, 552, and 577 series).¹⁴
- Meet high-volume demands with a paper capacity of up to 1,550 sheets (552 and 577 series).¹²

Proven, efficient technology

- Get fast, high-impact business printing using a printer that leverages the proven, advanced technology developed for HP's multimillion-dollar Web Press digital printers.
- Minimize interruptions and downtime with HP PageWide Technology that delivers the reliable performance businesses demand.
- Keep productivity up and energy use down with an efficient printer or MFP designed to use less energy than any printer/MFP in its class.²

Engineered for security and fleet management

- Help keep your printer secure, from boot up to shut down, with embedded security features.
- Easily manage devices and settings using HP Web Jetadmin with a suite of management features.¹⁸

Outstanding value, the results you expect

Count on exceptional value and the results businesses need. Print professional-quality color documents for up to 40% lower color cost-per-page as compared with color lasers (HP PageWide Pro devices only).³

Unbeatable, lasting value

Showcase your business with professional color printing and keep your budget in check. Produce high-impact color documents with an efficient, reliable device that delivers up to 40% lower color cost-per-page as compared with color lasers (HP PageWide Pro devices only).³

Affordable, high-volume printing

Print longer with less interruptions. Choose optional Original HP PageWide extra-high-yield cartridges for HP PageWide Pro 552 and 577 series.¹⁰ Print 17,000 black pages and 13,000 color pages before replacing cartridges—more than 4 times as many pages as standard cartridges.¹⁰

Professional-quality color and black text

Produce vibrant, high-quality color and sharp, black text that's perfect for office use. Reliably print reports, memos, emails, and other business documents on a variety of papers.

Spend less on maintenance

Minimize the time and budget spent on scheduled printer maintenance. Streamlined HP PageWide Technology requires fewer replaceable parts than most laser printers.²⁵

Optimize with ColorLok® papers

Improve the quality of your printed documents by choosing papers with ColorLok Technology. Colors are brighter, for rich, vivid images and graphics. Blacks are bolder to improve contrast and sharpen text.²³

Produce durable prints that last

Rely on Original HP PageWide cartridges to deliver durable documents that are water-, smear-, and fade-resistant, and stand up to highlighters.²⁴

Keep productivity on track

Move business forward with best-in-class print speeds,²¹ the fastest first page printing in its class,²² and a range of productivity features. Keep work teams covered—in the office and on the road—with easy mobile printing options.²⁶

Let large print jobs handle themselves

Flexible paper input options let you print in high volumes without having to stop and add paper:

- Print up to 1,050 sheets with an optional 500-sheet paper input tray¹¹
- Print up to 1,550 sheets with additional paper input trays and mobile cart accessory (552 and 577 series)¹²

Unmatched print speeds

Spend less time waiting and accomplish more. HP PageWide Technology delivers best-in-class print speeds—up to 70 ppm—for both color and black-and-white (552 and 577 series).²¹ And with the fastest first page printing in its class, your pages are ready right when you need them.²² Simply grab your documents and go.

Print Microsoft files from a USB drive

Easily print Adobe® PDF, Microsoft Word and PowerPoint documents, plus JPEG files directly from your USB drive (477, 552, and 577 series).¹⁴ Print PDF and JPEG files from a USB drive with the HP PageWide MFP 377dw.

Manage tasks from the intuitive color touchscreen

Easily manage print jobs directly at the printer. Tap and swipe the intuitive 4.3-inch (10.9 cm) color touchscreen for a more streamlined workflow (377, 477, 552, and 577 series). The adjustable tilt angle of the control panel provides convenient accessibility to all users.

Fast single pass, two-sided scanning

Efficiently scan stacks of paper files with quick, two-sided scanning that captures both sides of the page at once (377, 477, and 577 MFP series).

Scan documents directly to email, USB, network folders, and the cloud (377, 477, and 577 MFP series).²⁷ Save time and steps—quickly scan to email with LDAP directory email address lookup (477 and 577 MFP series).²⁷

Scan, copy, and fax while printing

Use multiple functions at once without interrupting someone else's task (377, 477, and 577 MFP series). The capability to scan, copy, or fax while another person is printing, keeps work moving simultaneously.

Print from mobile devices—no network needed

With the wireless models, print directly from your smartphone, tablet, or notebook PC to these Wi-Fi Direct-enabled printers—without accessing the company network.⁵ Or, walk up and print with a just touch of your NFC-enabled mobile device.⁶ There's no need to search through a long list of printers or connect to your corporate network (not available for 452dn and 477dn).

Print from a variety of mobile devices

Easily print documents, emails, PDFs, and more from iPhones and iPads as well as smartphones and tablets running Android™ version 4.4 or later, Windows® 8/10, or Google Chrome™ operating systems—generally no setup or apps required (not available for 452dn and 477dn models).²⁶

Proven, efficient technology

Minimize interruptions and downtime with efficient, reliable performance. Conserve resources and use significantly less energy than laser printers,² with HP PageWide Technology designed for today's busy office.

Proven, reliable technology

Avoid snags in your workflow with technology designed to provide efficient, proven results—for reliable performance businesses demand.

HP PageWide Technology leverages the advanced technology developed for HP's multimillion-dollar Web Press digital printers and delivers it in a new class of desktop printing devices—reinventing affordable, high-performance business printing.

HP printers with HP PageWide Technology offer exceptional value—outperforming in-class laser devices in speed²¹ and cost savings.³ They require less maintenance and fewer replaceable parts than most in-class laser printers,²⁵ for across-the-board savings, and reduced disruption and delays.

These HP business printers are designed and built to be robust. HP PageWide Pro 552 and 577 series have a recommended monthly page volume of up to 6,000 pages⁴ and a paper input capacity of up to 1,550 sheets.¹²

Less energy use than lasers²

Keep productivity up and energy use down. These efficient HP printers and MFPs are designed to use significantly less energy than any other in-class printer or MFP.²

Cartridges designed for your printer

Get professional-quality pages and the performance you expect. Only Original HP PageWide cartridges are specially designed and precisely engineered for HP printers and MFPs—for fast, reliable results.

Original HP PageWide pigment cartridges deliver water-, smear-, and fade-resistant documents for archival durability you can count on.²⁴

Engineered for security and fleet management

Help protect your fleet, data, and documents with best-in-class security¹ and management features. Easily integrate these HP PageWide Pro devices into your network, help secure important information, and get the tools you need to work efficiently and confidently.¹

Help secure data with PIN printing

Help ensure important documents and confidential information stay secure. Enter a PIN at the device for authentication and retrieve your print job (477, 552, and 577 series only).

Achieve a high level of privacy and control

Help increase privacy and maintain control. HP JetAdvantage Private Print²⁹ helps prevent unauthorized access to confidential print jobs stored in the cloud. Users have the flexibility to pick up jobs at any compatible device with secure authentication (477, 552, and 577 series only).

Assign color use and help control costs

Regulate color use and reduce printing costs. With HP Color Access Control, you can authorize permission to only specific users who need it (477, 552, and 577 series only).²⁸

Help safeguard your fleet

Help secure your fleet with the solution Buyers Laboratory (BLI) calls trailblazing.³⁰ Optional HP JetAdvantage Security Manager offers an effective, policy-based approach to helping secure HP printing and imaging devices (HP PageWide Pro devices only).

Embedded security for greater protection

Help keep your printer secure from boot up to shut down. Embedded security features like secure boot, secure firmware, and runtime code integrity validation guard against complex threats to your network.

Customize solutions with top-flight flexibility

Extend the capabilities of your printing environment, using a rich array of easy-to-integrate HP JetAdvantage and third-party partner solutions, including job accounting (477, 552, and 577 series only).

Manage business printing with ease

Gain comprehensive control of information while providing employees with the access they need to get the job done. Easily manage devices and settings using HP Web Jetadmin with a suite of management features (HP PageWide Pro devices only).¹⁸

Notes

¹ Best-in-class security features are available only with HP PageWide Pro 400 and 500 series MFPs and printers. Best-in-class security claim based on HP review of published embedded security features of competitive in-class Pro printers as of January 2016. Learn more at hp.com/go/printersecurityclaims.

² Energy claim based on TEC data reported on energystar.gov. Data normalized to determine energy efficiency of majority of in-class business printers \$300-\$600 USD, \$300-\$800 USD, MFPs \$400-\$800 USD, and MFPs \$400-\$1,000 USD as of November 2015; market share as reported by IDC as of Q3 2015. Actual results may vary. Learn more at hp.com/go/pagewideclaims.

³ 40% lower color cost-per-page compared with color lasers: Comparison of HP PageWide Pro and Enterprise class devices, not sold under contract, with the majority of in-class color laser MFPs < \$3,000 USD, and color laser printers < \$1,249 USD as of November 2016; market share as reported by IDC as of Q2 2016. Cost per page (CPP) reported by gap Intelligence Pricing & Promotions report Oct 2016, comparisons for all supplies are based on published specifications of the manufacturers' highest-capacity cartridges and page yield. Average yield based on ISO/IEC 24711 and continuous printing. Actual yield varies based on content of printed pages and other factors. For details see hp.com/go/learnaboutsupplies.

⁴ HP recommends that the number of printed pages per month be within the stated range for optimum device performance, based on factors including supplies replacement intervals and device life over an extended warranty period.

⁵ Wireless direct printing is not available with the 452dn and 477dn models. Mobile device needs to be connected directly to the signal of a Wi-Fi Direct®-supported MFP or printer prior to printing. Depending on mobile device, an app or driver may also be required. For details, see hp.com/go/mobileprinting. Wi-Fi Direct is a registered trademark of the Wi-Fi Alliance®.

⁶ NFC touch-to-print capabilities are not available with the 452dn and 477dn models. Requires a compatible NFC-printing-enabled mobile device. For a list of compatible NFC-printing-enabled mobile devices, see hp.com/go/nfcprinting.

⁷ Integrated Wi-Fi is not available with the 452dn and 477dn models. Wireless performance is dependent on physical environment and distance from access point, and may be limited during active VPN connections.

⁸ ISO speeds measured using ISO/IEC 24734. Excludes first page or first set of ISO test pages. For details see hp.com/go/printerclaims.

⁹ HP 970X High Yield Original PageWide Cartridges are not included in printer purchase; purchase separately. Comparison based on ISO 24711 cartridge yields for HP 970 series High Yield Original PageWide Cartridges compared with HP 970 series Original PageWide Cartridges. High-yield cartridges are compatible only with HP PageWide Pro 400 and 500 series MFPs and printers. Learn more at hp.com/go/learnaboutsupplies.

¹⁰ Yield based on ISO 24711 cartridge yields for HP 976Y Extra High Yield Original PageWide Cartridges, which are not included in printer purchase; purchase separately. Comparison based on ISO 24711 cartridge yields for HP 976Y Extra High Yield Original PageWide Cartridges compared with HP 970 series Original PageWide cartridges. Extra-high-yield cartridges are compatible only with HP PageWide Pro 500 series MFPs and printers. Learn more at hp.com/go/learnaboutsupplies.

¹¹ Printing up to 1,050 sheets with optional 500-sheet input tray, not included; please purchase separately.

¹² Printing up to 1,550 sheets with additional paper input trays 3, 4 and mobile cart included with the 577z model only; please purchase separately for the 552dw and 577dw models. Not compatible with the 377dw, 452dn/dw, and 477dn/dw models.

¹³ Duty cycle is defined as the maximum number of pages per month of imaged output.

¹⁴ Feature not available with 377dw and 452dn/dw models. Feature works with Microsoft® Word and PowerPoint® 2003 and later. Only Latin language fonts are supported.

¹⁵ Measured using ISO/IEC 17629. Exact speed for first page out varies depending on the system configuration, software application, driver, and document complexity. Learn more at hp.com/go/printerclaims.

¹⁶ Average color composite (C/M/Y) and black declared yields based on ISO/IEC 19798 and continuous printing. Actual yields vary considerably based on images printed and other factors. For details see hp.com/go/learnaboutsupplies.

¹⁷ Purchase of optional paper tray required to reach maximum input capacity.

¹⁸ HP Web Jetadmin is not supported by the 377 series model. HP Web Jetadmin is free and available for download at hp.com/go/webjetadmin.

¹⁹ HP JetAdvantage Security Manager is not supported by the 377 series model. Requires separate purchase. For details, see hp.com/go/securitymanager.

²⁰ Scan speeds measured from ADF. Actual processing speeds may vary depending on scan resolution, network conditions, computer performance, and application software.

²¹ Comparison based on manufacturers' published specifications of fastest available color mode of all color business printers \$300-\$800 USD, MFPs \$400-\$800 USD, and MFPs \$400-\$1,000 USD as of November 2015, excluding products with 1% or lower market share using market share as reported by IDC as of Q3 2015. Learn more at hp.com/go/printerspeeds.

²² Comparison based on manufacturers' published specifications of first page out from ready and sleep mode of all color business printers \$300-\$800 USD, color business MFPs \$400-\$800 USD, and color business MFPs \$400-\$1,000 USD as of November 2015, excluding other HP PageWide products, and products with 1% or lower market share using market share as reported by IDC as of Q3 2015. Subject to device settings. Actual results may vary. Learn more at hp.com/go/printerspeeds.

²³ Based on internal HP testing of Original HP PageWide cartridges on ColorLok® papers.

²⁴ Water, smear, fade, and highlighter resistance based on ISO 11798 testing. For details, see hp.com/go/printpermanence.

²⁵ Less scheduled maintenance based on 150,000 pages printed, and published comparisons of majority of in-class color laser printers \$300-\$800 USD, color business MFPs \$400-\$800 USD, and color business MFPs \$400-\$1,000 USD as of November 2015; market share as reported by IDC as of Q3 2015. Learn more at hp.com/go/pagewideclaims.

²⁶ Integrated Wi-Fi is not available with the 452dn and 477dn models. Wireless operations are compatible with 2.4 GHz operations only. App or software and HP ePrint account registration may also be required. Some features require purchase of an optional accessory. Learn more at hp.com/go/mobileprinting.

²⁷ Scan-to functions available for MFP models only. Requires an Internet connection to the printer. Services may require registration. App availability varies by country, language, and agreements. For details, see hpconnected.com.

²⁸ HP Color Access Control is available only on HP PageWide Pro devices with a 4.3-inch touchscreen. Learn more at hp.com/go/pagewidebusiness.

²⁹ HP JetAdvantage Private Print is not supported by the 452 series model. HP JetAdvantage Private Print is available at no charge and requires that the printer be connected to the Internet with web services enabled. Not available in all countries. For more information, see hpietadvantage.com.

³⁰ Based on HP internal research on competitor offerings (Device Security Comparison January 2015), and Solutions Report on HP JetAdvantage Security Manager 2.1 from Buyers Laboratory LLC, February 2015. Requires separate purchase. For details, see hp.com/go/securitymanager.
