

HP Elite x3

Experience the power and productivity of a PC, the versatility of a tablet, and the connectivity of a smartphone in the palm of your hand with the HP Elite x3, HP's first built for business 3-in-1 device. It's designed to deliver simple and seamless access to your people, apps, and data.

- Windows 10 Mobile¹
- 5.96-inch display

Do it all from a single device

- The handheld HP Elite x3 is an easy and convenient way to work, in the office and on the go. Dock it in the optional HP Elite x3 Desk Dock or HP Elite x3 Lap Dock to get the productivity of a desktop or the convenience of a notebook.

Work uninterrupted

- Start a task on the go and finish at your desk without saving, syncing or restarting with the HP Elite x3, Microsoft Continuum², and the optional docks³, which allow you to work with a larger display, keyboard and mouse for added convenience.

Built for business

- Crafted for business users, the HP Elite x3 is a robust device with powerful processing power and a long-life battery. An Iris scanner and fingerprint reader⁵ make login fast, and dual SIM card slots⁶ support travel.

Easy access to business-critical apps

- With HP Workspace⁴, virtualize the business-critical Windows x64 and x86 apps you rely on to get the job done. Available as a service from HP, it offers IT a simple alternative to deploying and managing corporate licensed apps and includes analytics.

Featuring

- Enable your IT to reduce device and OS footprints and drive innovation for your mobile employees with the HP Elite x3, which helps boost your ROI and employee satisfaction and productivity.
- The HP Elite x3 is a robust device designed to perform in even the most challenging environments. It has passed MIL-STD 810G testing⁷ and is IP67 rated⁸ for dust and water resistance.
- Enjoy clear conversations with premium audio by B&O PLAY, dual front-facing speakers, active noise cancellation microphones, and an 8 MP front-facing camera that's great for Skype for Business[®] conference calls.
- Help secure your data and apply corporate security policies with integrated hardware and software encryption, and iris and fingerprint authentication.⁵
- Project your slide show, video, product demo, and more to a larger screen through the integrated Microsoft Miracast technology.⁹
- Avoid downtime when the unexpected happens with a worldwide, world-class one-year limited warranty delivered by HP experts. For supplemental coverage, optional HP Care services¹⁰ are also available.

HP Elite x3 Specifications Table

Product Design	Graphite with chrome; Gold with gold ¹
Available Operating System	Windows 10 Mobile ¹⁹
Available Processors	Qualcomm® Snapdragon 820 (2.15 GHz, 4 cores) ¹¹
Chipset	Qualcomm® MSM8996
Memory	4 GB LPDDR4 SDRAM (onboard)
Internal Storage	64 GB eMMC 5.1 ⁴
Display	5.96" diagonal WQHD (2560 x 1440) AMOLED multitouch display with Corning® Gorilla® Glass 4 and anti-reflective coating ⁷

HP Elite x3

Recommended Accessories and Services

HP Elite x3 Desk Dock

Reinvent your desktop workspace with the ultra-compact HP Desk Dock, which quickly charges your HP Elite x3 and uses its pocket-sized PC power to maximize your Windows 10 Mobile¹ productivity on an external display, keyboard, and mouse.²

Product number: V5H01AA

HP Elite x3 Wallet Folio Case

Help protect your HP Elite x3 from drops and dings with the flexible and functional HP Elite x3 Wallet Folio Leather Case¹, which has a built-in stand for use on a desk or table and convenient slots for your ID, credit cards, and business cards.

Product number: V8Z61AA

HP Elite x3 Silicone Case

Comfortably carry your HP Elite x3 with the HP Elite x3 Silicone Case, which has an anti-slip finish and puts a layer of protection between your device and the real world.

Product number: V8Z62AA

HP Elite x3 Rugged Case

Shield your HP Elite x3 from whatever the day may bring with the anti-slip grip, shock-absorbing HP Elite x3 Rugged Case, which is designed to pass MIL-STD drop testing up to 6 feet (1.8 m).¹

Product number: V8Z63AA

HP Elite x3 Wireless Charger

Reduce your cable clutter and save time spent searching for the right adapter with the always-ready, always-on, HP Elite x3 Wireless Charger, which uses Qi inductive charging technology to wirelessly charge your HP Elite x3.

Product number: W9A82AA

HP 3-year Next Business Day Onsite Notebook Only Service

Receive 3 years of next business day onsite repair from an HP-qualified technician for your computing device, if the issue cannot be solved remotely. For more information on Care Pack services, please visit www.hp.com/go/cpc.

Product number: U7C50E

Messaging Footnotes

- ¹ Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers, software or BIOS update to take full advantage of Windows functionality. Windows 10 Mobile is automatically updated, which is always enabled. ISP fees may apply and additional requirements may apply over time for updates. See <http://www.microsoft.com>.
- ² For multi-screen Continuum experience, one of the following accessories is required: 1) HP Elite x3 Desk Dock using USB-C™ to DisplayPort connection to external display, 2) HP Elite x3 Lap Dock using USB-C™ connection to HP Elite x3 Lap Dock's integrated display, 3) Dongle using USB-C™ to DisplayPort, HDMI or VGA connection to external display, 4) Miracast-enabled external display or Miracast dongle attached to an external display. All docks and dongles sold separately.
- ³ Optional dock required and sold separately. Peripherals sold separately.
- ⁴ HP Workspace subscription required. Corporate application must be licensed on corporate network for virtualization.
- ⁵ Fingerprint reader will not be enabled until OTA update coming soon.
- ⁶ Single SIM card models available in select regions.
- ⁷ MIL-STD 810G testing is not intended to demonstrate fitness for U.S. Department of Defense contract requirements or for military use. MIL-STD 810G test results are not a guarantee of future performance under these test conditions. Damage under the MIL-STD 810G test conditions or any accidental damage requires an optional HP Accidental Damage Protection Care Pack.
- ⁸ IP 67 test results are not a guarantee of future performance under these test conditions. Damage under the test conditions or any accidental damage requires an optional HP Accidental Damage Protection Care Pack.
- ⁹ Microsoft Miracast compatible screen or projector required.
- ¹⁰ Sold separately. Service levels and response times for HP Care Packs may vary depending on your geographic location. Service starts on date of hardware purchase. Restrictions and limitations apply. For details, visit www.hp.com/go/cpc. HP services are governed by the applicable HP terms and conditions of service provided or indicated to Customer at the time of purchase. Customer may have additional statutory rights according to applicable local laws, and such rights are not in any way affected by the HP terms and conditions of service or the HP Limited Warranty provided with your HP Product.

Technical Specifications Footnotes

- ¹ Gold color is planned to be available in a future release. Not available in all countries.
- ² Actual battery times will vary depending on the network conditions, settings, configuration, individual usage pattern and other conditions. Use of wireless and backlight will significantly decrease battery run time. Maximum capacity will naturally decrease with time and usage. Tested by HP using 720p (1280x720), video media file, single SIM, 200 nits brightness, airplane mode on, volume level at 50% with wired headset inserted. Actual battery life will vary depending on configuration and maximum capacity will naturally decrease with time and usage.
- ³ Wireless charging requires the optional HP Elite x3 Wireless Charger and is sold separately.
- ⁴ For storage, GB = 1 billion bytes. Actual formatted capacity is less. Up to 8 GB is reserved for system recovery software.
- ⁵ microSD cards sold separately. Supports up to 2 TB capacity when this capacity becomes available.
- ⁶ For all 802.11 wireless, wireless access point and Internet service is required and is not included. Availability of public wireless access points limited. The specifications for the 802.11ac WLAN are draft specifications and are not final. If the final specifications differ from the draft specifications, it may affect the ability of the notebook to communicate with other 802.11ac WLAN devices.
- ⁷ WWAN requires separately purchased service contract. Check with service provider for coverage and availability in your area. Connection speeds will vary due to location, environment, network conditions, and other factors. 4G LTE not available on all products, and in all regions.
- ⁸ Miracast is a wireless technology your PC can use to project your screen to TVs, projectors, and streaming media players that also support Miracast. You can use Miracast to share what you're doing on your PC and present a slide show. For more information: <http://windows.microsoft.com/en-us/windows-8/project-wireless-screen-miracast>.
- ⁹ Broadband requires separately purchased service contract. Check with service provider for coverage and availability in your area. Connection speeds will vary due to location, environment, network conditions, and other factors. 4G LTE not available in all regions.
- ¹⁰ WQHD content required to view WQHD images.
- ¹¹ Multicore is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. Qualcomm's numbering is not a measurement of clock speed.
- ¹² Fingerprint Reader software for update Windows 10 Mobile required and planned in a future release.
- ¹³ HP Workspace subscription required. Corporate application must be licensed on corporate network for virtualization.
- ¹⁴ Skype is not offered in China.
- ¹⁵ Available in future software update.
- ¹⁶ Will need to be configured by user/IT manager.
- ¹⁷ Salesforce web launcher app is a link to the salesforce.com website, but will be updated with Salesforce Universal application once available. Available in future software update. Salesforce subscription required.
- ¹⁸ Check website for Cortana availability
<http://windows.microsoft.com/en-us/windows-10/cortana-regions-and-languages#v1h=tab01>
- ¹⁹ Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers, software or BIOS update to take full advantage of Windows functionality. Windows 10 Mobile is automatically updated, which is always enabled. ISP fees may apply and additional requirements may apply over time for updates. See <http://www.microsoft.com>.
- ²¹ MIL-STD 810G is not intended to demonstrate fitness for U.S. Department of Defense contract requirements or for military use. MIL-STD 810G test results are not a guarantee of future performance under these test conditions. Damage under the MIL-STD 810G test conditions or any accidental damage requires an optional HP Accidental Damage Protection Care Pack .
