

Data sheet

HP Business Headset v2

Pro-quality audio for every day

Quickly and easily collaborate, chat online or listen to personal media with the crystal-clear sound and noise cancelling features of the sleek, lightweight HP Business Headset v2, designed to complement your professional workspace.^{1,2}

Easy comfort and connectivity

Connect the headset to your PC's 3.5 mm audio/mic jack through the adapter and control volume from the headset cable. Adjust the headband to your preferred comfort setting and rotate the microphone boom left or right or move it out of the way.

Compatible with the newest collaboration technologies

Work with what you know—the headset is designed for use with mainstream VoIP software and Skype for Business.²

World-class support

Get the reassurance of a one-year limited warranty.

¹ Listening to personal stereo equipment at full volume for long periods can damage the user's hearing. To reduce the risk of hearing damage, lower the volume and amount of time listening at full volume.

² Internet connection and voice service required and sold separately.
