

CPQ B191 18.5-inch Display

Take back some of that cluttered desk with versatile mounting options and bulk-free cables. Enjoy HD¹ quality on this affordable display designed to optimize your workspace.

Free up your workspace

- Make the most of your space with VESA mounting² capability. Sturdy brackets and screws ensure your display can be safely mounted to a wall mount or mounting arm.

Space-saving cable management

- We took the power supply and built it into the display, improving cable management while keeping its slim profile. Perfect when space is at a premium.

One contemporary design

- With its slim design and glossy bezel, this compact display looks great, whether mounted to the wall or sitting on a desk.

The greener choice

- Designed with a mercury-free backlight and arsenic-free glass, this ENERGY STAR[®] qualified 3 and EPEAT[®] Silver registered⁴ display helps reduce power consumption to save on costs.

CPQ B191 18.5-inch Display Specifications Table

Recommended Accessories and Services

HP Adjustable Dual Display Stand

The HP Adjustable Dual Display Stand allows you to use two displays to maximize your productivity and optimize efficiency. Either or both displays can be rotated to landscape or portrait orientation, and the stand is depth-, height-, tilt-, and angle-adjustable so you can view both screens at eye-level as well as slightly facing each other, letting you track multiple applications and information sources at the same time. Integrated base rollers let you rotate the stand so you can more easily share your work.

Product number: AW664AA

HP Quick Release Bracket

A secure and easy-to-use mounting solution for your VESA-compliant HP thin clients, compatible HP flat panel monitors and other HP desktop products. Attach to any a compatible stand, bracket or wall mount and make the most of your workspace.
