Remarkable value for professional colour

Print professional-quality colour documents for up to half the cost per page, compared with lasers.¹ Save up to 70% with HP Instant Ink,²⁵ and get the colour and black text output you need, without running out of ink.²⁸

The most affordable way to print²⁸

Produce business-class prints for up to 50% less per page.¹ Plus, save even more when you sign up for HP Instant Ink, an ink replacement service.²⁵ Get ink delivered before you need it, so you never run out.²⁸

Stand out from the crowd

Attract new customers with borderless, double-sided marketing materials that help your business stand out. Choose HP Brochure papers to help you make a lasting impression.

Save money with high-yield cartridges²⁶

Get a better value for frequent printing. Produce up to three times as many pages and replace cartridges less often with optional Original HP high-yield ink cartridges (8720/8730/8740 series only).²⁶

Designed to conserve

Save resources without sacrificing performance, using this ENERGY STAR® certified all-in-one.

Professional colour for the office

Produce professional-quality colour and black text that's perfect for office use. Reliably print reports, memos, emails, and other documents on a variety of papers.

Easy recycling at no charge

Save time and conserve resources. Easily recycle your Original HP cartridges at no charge through HP Planet Partners.²⁹

Produce durable prints that last

Rely on Original HP ink cartridges to deliver durable prints that stand up to highlighters and resist water, smearing, and fading.²⁷

Protect your investment

Protect your printing and imaging device. A 3-year warranty is included.³⁰

Designed for superb office productivity

Finish jobs in a snap with an all-in-one designed for fast, high-volume performance. HP Print Forward Design delivers impressive speeds for two-sided printing and scanning, with laser-like paper handling (8720/8730/8740 series). Print longer without reloading paper, using a second paper tray.⁸

Innovative design, exceptional performance

HP Print Forward Design offers advanced paper handling with higher speeds, and an integrated legal and A4 paper feed (8720/8730/8740 series). Pages print face down for better security, plus, there is no flimsy paper tray extension, so pages don't fall off the printer (8720/8730/8740 series).

Print longer without reloading paper

Increase paper capacity up to 500 sheets, with a second 250-sheet paper tray (included with the 8740, optional for the 8720/8730 series, not compatible with the 8710 model). Load specialty papers, such as letterhead, in the main input tray and plain paper in the second tray, and print on multiple paper types without having to stop and change paper.

Ultra-fast print speeds

Fly through print jobs, using a printer equipped with fast, automatic two-sided printing—up to 20 ppm, up to legal size (8720/8730/8740 series).¹³ Complete tasks quickly and efficiently while saving time and paper. Single-page documents print even faster—up to 24 ppm, A4 (8720/8730/8740 series).¹²

Manage tasks with just a touch

Easily manage print, scan, copy, and fax jobs directly at the all-in-one. Tap and swipe the intuitive 10.9 cm colour touchscreen to access quick, customisable menu shortcuts on the advanced user interface (8720/8730/8740 series).⁶

High-speed two-sided scanning and copying

Breeze through multipage documents, including legal size, using single-pass, automatic two-sided scanning (8730/8740 series). The 50-page ADF also makes it easy to copy and fax multipage documents—simply load your originals and walk away or attend to other tasks.

Scan, send, simple

Send your work quickly to more places with less effort. Scan documents directly to email, network folders, and the cloud with a range of pre-loaded business apps.³¹

Print Microsoft files from a USB drive⁷

Easily print PDF files and Microsoft Word and PowerPoint documents, directly from your USB drive (8730/8740 series).⁷

Mobile printing that keeps business covered

Keep business moving from anywhere in the office. Connect to devices with NFC touch-to-print functionality.¹¹ Easily print documents, emails, and more, when and where you need to from your smartphone, tablet, or notebook PC.²⁴

NFC touch-to-print convenience¹¹

Walk up and print with just a touch using your NFC-enabled mobile device (8720/8730/8740 series).¹¹ There is no need to search through a long list of printers or connect to your corporate network (8720/8730/8740 series).

Print from mobile devices using Wi-Fi Direct⁹

Print directly from your smartphone, tablet, or notebook PC to these all-in-ones from anywhere in the office, using Wi-Fi Direct—there is no need to access your corporate network.⁹ Save guests time by enabling an easy connection to the nearest printer.

Easily print from a variety of mobile devices

Print documents, emails, PDFs, and more from iPhones and iPads using AirPrint, as well as smartphones and tablets running Android™, Windows® 8/10, or Google Chrome™ operating systems.³²

Ultimate fleet control, easy management

Get everything you need to easily manage your printing environment, from drives to deployment to policies (8730/8740 series only). Simplify fleet integration and expand print capabilities with support for HP PCL 6, HP PCL 5c, and HP PS printing options (8730/8740 series only).

Increase what you can print from the office

Produce a variety of text, graphics, images, barcodes, and more, using any array of built-in font solutions. Streamline device or fleet integration and increase your printing options with support for HP PCL 6, HP PCL 5c, HP Postscript level 3 emulation, and scalable TrueType fonts (8730/8740 series only).

Help safeguard your fleet

Help secure your fleet with the solution Buyers Laboratory (BLI) calls trailblazing.³³ Optional HP JetAdvantage Security Manager offers an effective, policy-based approach to helping secure HP printing and imaging devices (8730/8740 series only).

Streamline fleet management

Take command of your printing environment with HP Web Jetadmin, an HP JetAdvantage Management Solution. Easily add new devices and solutions, update features, and apply corporate policies from one central location.¹⁹

Save IT time and make printing easy with the HP Universal Print Driver (UPD).²⁰ Set up all your printers with one common driver, there is no need to download more than one.

Achieve a high level of privacy and control

Help increase privacy and maintain control. HP JetAdvantage Private Print²² helps prevent unauthorised access to confidential print jobs stored in the cloud. Users have the flexibility to pick up jobs at any compatible device with secure authentication.

Transform imaging and printing practices

Improve company-wide printing policies. By controlling user access, HP Access Control solutions help protect print jobs and devices. Improve workflows and monitor printing practices, while also reducing costs (8730/8740 series only).³⁴

Assign colour use and help control costs

Control colour printing use and costs across your organisation with HP Color Access Control. Track and allocate colour printing costs by client, department, or user. Assign colour printing access only to those who need it, or turn off colour printing capability completely (8730/8740 series only).²¹

Customise with top-flight flexibility

Extend the capabilities of your printing environment, using a rich array of easy-to-integrate HP JetAdvantage and third-party partner solutions, including job accounting (8730/8740 series only).

Notes

¹ Compared with the majority of colour laser AiOs <€500 Euros, August 2015; market share as reported by IDC as of Q2 2015. Cost-per-page (CPP) comparisons for laser supplies are based on published specifications of the manufacturers' highest-capacity cartridges and long-life consumables. CPP based on high-capacity HP ink supplies is based on published specifications of the manufacturers' highest-capacity cartridges. CPP based on high-capacity ink cartridges' estimated street price and page yield. ISO yield based on continuous printing in default mode. For more information, see hp.com/go/learnaboutsplies.

² Duty cycle is defined as the maximum number of pages per month of imaged output. This value provides a comparison of product robustness in relation to other devices, and enables appropriate deployment of printers and MFPs to satisfy the demands of connected individuals or groups.

³ The 50-sheet single-pass, two-sided automatic ADF is available with 8730 and 8740 models only. The 8710 and 8720 models have a 50-sheet mechanical two-sided ADF.

⁴ The 8710 model has a flatbed scanner that supports up to letter/A4 paper.

⁵ HP Print Forward Design is not available for the 8710 model.

⁶ The 8710 model has a 6.75 cm touchscreen with digital shortcuts.

⁷ USB document printing is available for 8730 and 8740 models only. Feature works with Microsoft Word and PowerPoint 2003 and later. Only Latin language fonts are supported.

⁸ The second 250-sheet paper tray (up to legal size) is included with the 8740 model only, please purchase separately for 8730 and 8720 models, not compatible with the 8710 model.

⁹ Mobile device needs to be connected directly to the Wi-Fi Direct signal of a Wi-Fi Direct-supported AiO or printer prior to printing. Depending on mobile device, an app or driver may also be required. For details, see hp.com/go/mobileprinting. Wi-Fi Direct is a registered trademark of the Wi-Fi Alliance®.

¹⁰ Wireless performance is dependent on physical environment and distance from access point, and may be limited during active VPN connections.

¹¹ NFC touch-to-print is not available for the 8710 model. Requires a compatible NFC-printing-enabled mobile device. For a list of compatible NFC-printing-enabled mobile devices, see hp.com/go/nfcprinting.

¹² Print speed is up to 22 ppm for the 8710 model, up to 24 ppm for 8720, 8730, and 8740 models. Printing speed measured using ISO/IEC 24734 and excludes first set of test documents. For more information, see hp.com/go/printerclaims. Exact speed varies depending on the system configuration, software application, driver, and document complexity.

¹³ Two-sided print speed is up to 12 ppm for the 8710 model, up to 20 ppm for 8720, 8730, and 8740 models. Excludes first set of ISO test pages. For details, see hp.com/go/printerclaims.

¹⁴ Two-sided scan speed is up to 4 ipm for the 8710 model, up to 6 ipm for the 8720 model, and up to 23 ipm for 8730 and 8740 models. Scan speeds measured from ADF. Actual processing speeds may vary depending on scan resolution, network conditions, computer performance, and application software.

¹⁵ Distributed enterprise management and security features are available with 8730 and 8740 models only. HP JetAdvantage Private Print and HP Web Jetadmin are available for all models.

¹⁶ After first set of ISO test pages. For more information, see hp.com/go/printerclaims.

¹⁷ Scan speeds measured using A4 or 8.5 x 11-inch documents in portrait mode.

¹⁸ Average yield based on ISO/IEC 24711 or HP testing methodology and continuous printing. Actual yield varies considerably based on content of printed pages and other factors. For more information, see hp.com/go/learnaboutsplies.

¹⁹ HP Web Jetadmin is available for download at no additional charge at hp.com/go/webjetadmin.

²⁰ The HP Universal Print Driver is not available for the 8710 and 8720 models. The HP Universal Print Driver is available for download at no additional charge at hp.com/go/upd.

²¹ HP Color Access Control is not available for the 8710 and 8720 models. Colour access control capabilities vary from device to device.

²² HP JetAdvantage Private Print is available at no charge and requires that the printer be connected to the Internet with web services enabled. Not available in all countries. For more information, see hp.com/go/privateprint.

²³ HP JetAdvantage Security Manager is not available for the 8710 and 8720 models. Optional HP JetAdvantage Security Manager Requires separate purchase. For details, see hp.com/go/securitymanager.

²⁴ Wireless operations are compatible with 2.4 GHz operations only. App or software and HP ePrint account registration may also be required. Some features require purchase of an optional accessory. Learn more at hp.com/go/mobileprinting.

²⁵ Savings based on HP Instant Ink service plan price for 12 months and use of all pages in plan without purchase of additional sets of pages compared to an average cost per page (CPP) to print ISO/IEC 24711 pages on a selection of colour inkjet printers less than £200 using standard capacity cartridges as reported by IDC in Q4 2014. Survey based upon indicative manufacturers' supplies pricing as reported by GfK as of December 2014 and page yield listed on original manufacturer website as of 13th March 2015. For further details please refer to hp.com/go/ukcompare. All prices include VAT. ISO yield based on continuous printing in default mode. Actual savings may vary depending on number of pages actually printed per month and content of pages printed. For more information on ISO standards: hp.com/go/pageyield. A full list of current ready printers can be found at hpinstantink.co.uk. Printers require direct connection to the internet for program participation. Internet access sold separately.

²⁶ Based on cartridge yields for HP 957/953XL ink cartridges compared with HP 953A ink cartridges. The HP 957XL ink cartridge is not compatible with the 8710 model. For more information, see hp.com/go/learnaboutsplies.

²⁷ Water, smear, fade, and highlighter resistance based on ISO 11798 and internal HP testing. For details, see hp.com/go/printpermanence.

²⁸ Based on plan usage, Internet connection to an eligible HP printer, valid credit/debit card, email address, and delivery service in your geographic area.

²⁹ Programme availability varies. For more information, visit hp.com/revcycle.

³⁰ Three-year HP limited hardware warranty after customer registration within 60 days of purchase. For details, see hp.com/eu/3yearwarranty.

³¹ Requires an Internet connection to the printer. Services may require registration. App availability varies by country, language, and agreements. For details, see hpconnected.com.

³² Local printing requires mobile device and printer be on the same network or have a direct wireless connection. AirPrint is supported on iPhones, iPads, and iPods using iOS v4.2 and higher. Remote printing requires an Internet connection to an HP web-connected printer. For details on how to print, including whether an app is required, see hp.com/go/mobileprinting.

³³ Based on HP internal research on competitor offerings (Device Security Comparison January 2015), and Solutions Report on HP JetAdvantage Security Manager 2.1 from Buyers Laboratory LLC, February 2015. Requires separate purchase. For details, see hp.com/go/securitymanager.

³⁴ HP Access Control is not available for the 8710 and 8720 models. Feature requires additional purchase. For more information, see hp.com/go/printsecurity.
