Printing, copying, and scanning—anywhere, anytime

Print, scan, and copy from virtually anywhere with this portable all-in-one. Android users can easily detect¹ and connect to a nearby HP OfficeJet 250 and print using Wi-Fi Direct[®].² This quiet workhorse has a long battery life and uses cartridges that deliver highest-in-class page yields.³

Who can benefit?

This compact, lightweight all-in-one is ideal for mobile professionals and telecommuters printing 100 to 300 pages per month.⁴ Quickly print, copy, and scan multipage documents hands-free using the 10-sheet automatic document feeder (ADF). The HP OfficeJet 250 Mobile All-in-One series can be easily transported in a car, briefcase, or backpack allowing users to print virtually anywhere. Its simple mobile printing options, easy setup, and robust, reliable design make it the perfect fit for workers on the go.

10-sheet ADF	Single-sheet ADF	Scan and copy multiple pages hands-free
Quiet mode setting	Not available	Helps keep noise to a minimum
HP Auto Wireless Connect	Not available	Helps make setup easy

Key benefits at a glance

Print, scan, and copy from virtually anywhere, using this portable all-in-one with a long battery life and highest-in-class cartridge page yields.³

Portability meets productivity

- Quickly print, scan, and copy multipage documents hands-free with the 10-page ADF.
- Simply print from your laptop or mobile devices wirelessly, with or without a network.^{1,2}
- Start printing right out of the box with quick and easy setup, using HP Auto Wireless Connect.⁹
- This durable, compact all-in-one fits in your car, backpack, and more for convenient printing anywhere.

Lead the way with fast, easy mobile printing

- Reduce charging interruptions with a long-lasting battery.
- Get the highest page yields of any in-class all-in-one, using HP Original 62XL/651 cartridges.³
- Set the pace for success wherever you go. Keep moving through the day with fast print speeds.⁶
- The 6.73 cm colour touchscreen makes for easy printing, scanning, and copying.

High-powered quality and reliability

- Power through the workday. Charge from home, in your car or office, and more.¹⁰
- Plug in your AC power source to charge within 90 minutes while the printer is turned off, with HP Fast Charge.¹¹
- Minimise disruptions with premium design and quiet performance. Impress clients, without noisy interruptions.
- Get high-quality prints time after time with an all-in-one designed and built to be reliable.
- Make your everyday documents look their best. Take advantage of Original HP ink cartridges to produce affordable, outstanding results.

Portability meets productivity

Print, scan, and copy with this compact, all-in-one with a 10-sheet ADF. Android users can easily detect¹ and connect to a nearby HP OfficeJet 250 and print using Wi-Fi Direct—no network required.²

Feed multiple pages at once

Complete tasks quickly. Print, scan, and copy multipage documents, and speed through jobs hands-free with the 10-page automatic document feeder.

Easy setup

With the HP OfficeJet 250 Mobile All-in-One series, start printing right out of the box with quick, easy setup, using HP Auto Wireless Connect.⁹

Easily print from your laptop or smartphone

Simply connect and print to get documents, forms, contracts, flyers, and more from your laptop or mobile devices wirelessly, with or without a network.²

Print with a compact, portable printer

Get big capability in a small package. Easily take this durable, compact all-in-one along with you anywhere: in your car, briefcase, backpack, and more. This device fits wherever you need it.

Lead the way with fast, easy mobile printing

Get exceptional performance with fast mobile print speeds⁶ and cartridges that let you print more pages than other in-class cartridges.³ Reduce interruptions with fewer supplies replacements and a long battery life.

Long-lasting battery

Reduce interruptions to charge the battery, and be confident that you have power when you need it. With a long battery life, the HP OfficeJet 250 Mobile All-in-One series takes you further.

Speed through document tasks

Set the pace for success wherever you go. Fast print speeds of up to 10 ppm, black, and up to 7 ppm, colour,⁶ keep you moving through tasks for consistent productivity on the go.

The highest page yields in its class³

Get more pages on the go. Print longer between supply replacements and keep business moving with Original HP ink cartridges.

With optional high-yield cartridges, this all-in-one delivers the highest page yields of any device in its class³ (up to 600 pages, black; up to 415 pages colour for the 250 model; up to 600 pages, black; up to 300 pages, colour, for the 252 model).⁶

World's largest touchscreen on a portable all-in-one³

Easily print, scan, and copy with just a few taps of your finger. The 6.73 cm touchscreen is the largest in its class.³ The control panel provides access to quick, easy wireless setup, easy mobile printing options, ink status, battery status, and other information about the printer.

High-powered quality and reliability

Count on inspired design and lasting quality from a printing leader. Flexible power options let you charge in the car, office, and home. Quiet performance reduces interruptions while Original HP inks deliver affordable, high-quality documents.

Power when you need it, where you need it

Power through the workday. Charge at home, in your car, in your office, and more with AC and USB charging options.¹⁰

Power up, fast

Quickly power up before meetings. Plug in your AC power source and charge within 90 minutes while the printer is turned off, with HP Fast Charge.¹¹

Premium design and quiet performance

Minimise disruptions. With its premium design and quiet performance, the HP OfficeJet 250 Mobile All-in-One series lets you impress clients in meetings, without noisy interruptions.

Quality you can count on

Count on this HP OfficeJet and Original HP ink cartridges to deliver high-quality prints time after time. This printer is designed and built to high HP standards for reliable, long-term use.

Low cost, high expectations

Make your everyday documents look their best. Take advantage of Original HP ink cartridges to produce affordable, outstanding results.

Notes

¹ Learn more at hp.com/go/blueprinting.

² Mobile device needs to be connected directly to the Wi-Fi Direct® signal of a Wi-Fi Direct-supported AiO or printer prior to printing. Depending on mobile device, an app or driver may also be required. For details, see hp.com/go/mobileprinting. Wi-Fi Direct is a registered trademark of Wi-Fi Alliance®.

³ Best-in-class performance claim compares all inkjet colour mobile printers as of October 2015 based on market share as reported by Q2 2015 IDC, based on manufacturer's published specifications.

⁴ HP recommends that the number of printed pages per month be within the stated range for optimum device performance, based on factors including supplies replacement intervals and device life over an extended warranty period.

⁵ Local printing requires mobile device and printer to be on the same network or to have a direct wireless connection. Remote printing requires an Internet connection to an HP web-connected printer. For details on how to print, including whether an app is required, see hp.com/go/mobileprinting.

⁶ Printing speeds may vary depending on the power source. Excludes first set of ISO test pages. For details, see hp.com/go/printerclaims.

⁷ Average yield based on ISO/IEC 24711 or HP testing methodology and continuous printing. Actual yield varies considerably based on content of printed pages and other factors. For details see hp.com/go/learnaboutsupplies.

⁸ Scan and copy speeds measured from ADF. Actual processing speeds may vary depending on scan resolution, network conditions, computer performance, and application software. For details, see hp.com/go/printerclaims.

⁹ Not all computers or network configurations are compatible with HP Auto Wireless Connect. For details, see hp.com/go/wirelessprinting.

¹⁰ Supports USB charging in OFF mode when connected to a 1A-minimum-charge-capable USB charging port.

¹¹ HP Fast Charge Technology recharges your standard battery up to 90% within 90 minutes when charging from an AC power source and with the system off. When the printer is powered on, charge time may increase and will vary based on usage.
