

HP N270 27-inch Monitor

A modern display with an incredibly thin design, a great complement to forward thinking offices. At a remarkably reachable price point, the HP N270 27-inch Monitor is an easy answer to the cutting-edge styles demanded by growing businesses.

3-Sided micro-edge design

- Specifically designed with a thin and airy frame, the 3-sided micro-edge allows the display to sit unobtrusively on top of a desk, or seamlessly sit next to another display for a near borderless transition between screens.

A reachable price, for the growing business

- A cutting edge design, without razor sharp prices. The HP N270 27-inch Monitor was designed with focus to work alongside distinctive businesses who are set apart from the ordinary.

Stunning from all angles

- Wide viewing angles allow for greater position flexibility on your desktop, more accurate around-the-desk review of projects, no matter where you sit.

Featuring

- Rest assured that your IT investment is supported by a three-year standard limited warranty. To extend your protection, select optional HP Care Pack Services.¹
- Technicolor Color Certified presets are included in each displays user interface. Certified to bring out colors and details in photos and multimedia like never before.
- Enjoy the benefits of a certified low blue light display directly through the displays menu.
- Reduce power consumption and help lower your costs with an energy-efficient design.
