Care Pack,
part of HP Care

How it works

Purchase

Eligible Care Pack services during the specified promotional period from an authorized HP reseller or direct from HP.

Submit

- A completed claim form that is received within 30 days after expiration of the Care Pack service.
- A copy of each original invoice/receipt for the hardware product with the Care Pack service Certificate for the eligible Care Pack service. Please circle the purchase price of the Care Pack service. The name on the invoice must match the name on the claim form.

Receive

Please allow 6–8 weeks from the time the claim is received by HP to receive your rebate check. If terms and conditions are not met, the rebate will not be sent. HP is not responsible for any claims lost, damaged, or delayed in transit. Rebate checks are void if they're not cashed within 90 days of issuance and cannot be reissued.

Eligibility

- Care Pack service must be registered with HP within 30 days of the original purchase date.
- If the Care Pack was purchased through a partner, please confirm with your partner that the Care Pack has been registered.

If the Care Pack was purchased directly from HP, please call **1-800-504-2007** or visit http://h71036.www7.hp.com/hho/cache/561387-0-0-225-121.html?jumpid=ex_r602_go/hpcarepack/register to register your Care Pack.

The hardware in question must not have had a service event for the life of the Care Pack. For this offer, a service event will have occurred if HP either sends parts, a replacement, a person onsite to the customer, or if the unit is transported to an HP repair depot during the life of the Care Pack service. A phone call or phone Support will not negate eligibility for the rebate.

- Maximum of fifty (50) rebates per customer per program time period.
- Resellers cannot claim this rebate on behalf of customers. The offer is applicable in the US only.
