

HP Active Pen with App Launch

Write naturally, launch an app with the touch of a button, and maximize your mobile productivity with the HP Active Pen with App Launch.

Simplify onscreen navigation

- Use the pen to write or draw onscreen or interact with your touch applications. Integrated pressure sensors help you control the width of your drawn lines.

Open sesame

- Launch an app on your tablet from your pen with a programmable Bluetooth® feature that you can pair with your choice of frequently-used software.

Easy to use

- Once in range, your tablet detects the pen and cues you where to place it onscreen. Erase, highlight, and click on your content with the two convenient side buttons.

World-class support

- Rest easy with a one-year limited warranty.
