

HP Elite Top Load Colombian Leather Case

Set a new style standard when you're on the move with the HP Elite Top Load Colombian Leather Case, a beautifully lush full-grain leather bag that helps protect your devices and data and has ultimate expandability for your everyday essentials without the extra bulk.

Super secure

- Defend yourself against the electronic data theft of your cards and personal identification with the RFID-shielded pocket. Deter tampering and access to the contents of your bag with the lockable zipper.

Never lose your bag again

- Keep track of your bag and belongings with the optional HP TrackR Device, which fits neatly into a discrete pocket and enables device tracking from your phone through a Bluetooth® connection.

Leave nothing behind

- Use the main padded compartment for your device up to 14" diagonal, and the versatile foldout pocket to store your adapter, mouse, compact umbrella, and more. There's even a mouse pouch, an external phone pocket, and an adjustable-length key clip.

Carry it your way

- Throw the bag across your chest to keep your hands free, or carry by hand with the double handles. Commuting and traveling are easier than ever with a luggage pass-through pocket that fits over the handle of most rolling suitcases.
