

Brochure

HP Air Force DPI PSC-2018

FA8055-14-A-0001

The world's most secure printers.¹

Get more for your budget dollars while helping meet all of your printing requirements. HP offers printers at significantly lower costs than GSA pricing.

A device decision is a security decision

Print security is more than document security. Today's threats require attention to data in-transit and endpoint devices on the network. Only HP printers can stop an attack the moment it starts and HP Enterprise models can self-heal with unique security features like HP Sure Start with its self-healing BIOS, whitelisting, and run-time intrusion detection. HP CAC enabled MFPs increase security with FIPS 140-2 validated cryptographic modules to help secure email and secure PDF.

Shop HP's secure line-up of printers, MFPs, and scanners and stay a step ahead of cyber threats—with the only American company manufacturing approved DPI contract printers.

CONUS (110v)	\$468.46
OCONUS (110v)	\$756.00
CONUS (220v)	\$440.00
OCONUS (220v)	\$570.00

Print only function—fast, consistent, and clear—virtually every time

HP LaserJet Enterprise M506dn Printer (Monochrome)

Finish tasks faster with a printer that starts right away and helps conserve energy.² Multi-level device security helps protect from threats.

- Up to 45 ppm black³
- Up to 1200 x 1200 dpi
- Up to 150,000 monthly duty cycle⁴
- 512 MB memory installed, expandable to 1.5 GB
- Automatic duplex printing
- 650-sheet input capacity
- 10/100/1000 Base-T Ethernet
- Industry leading security features with HP Sure Start, Whitelisting, and Run-Time Intrusion Detection¹
- Includes standard 4-year on-site, next business day support, with disk media retention, if applicable⁵
- CONUS & OCONUS versions available in 220v only via HP Direct
- CONUS & OCONUS 110v available via HP Small Business DPI partner, Coast to Coast

CONUS (110v)	\$739.00
OCONUS (110v)	\$998.00
CONUS (220v)	\$739.00
OCONUS (220v)	\$998.00

HP Color LaserJet Enterprise M553dn

A fast and energy-efficient printer that delivers vibrant, professional-quality color documents.

- Up to 40 ppm color³
- Up to 1200 x 1200 dpi
- Up to 80,000 monthly duty cycle⁴
- 1 GB memory
- Automatic duplex printing
- 650-sheet input capacity
- 10/100/1000 Base-T Ethernet
- Industry leading security features with HP Sure Start, Whitelisting, and Run-Time Intrusion Detection¹
- Includes standard 4-year on-site, next business day support, with disk media retention, if applicable⁵

Multi-function—print, copy, scan, and more

HP LaserJet Enterprise Flow M527c MFP (Monochrome)

Produce sharp text, bold blacks, and crisp graphics with precision black toner. Embedded security features detect security threats and heal your MFP, protecting it from boot up to shutdown.

- Up to 45 ppm black³
- Up to 1200 x 1200 dpi
- Up to 150,000 monthly duty cycle⁴
- Automatic duplex printing
- 650-sheet input capacity
- 10/100/1000 Base-T Ethernet
- CAC included
- AES 256/FIPS 140/500GB HDD
- Industry leading security features with HP Sure Start, Whitelisting, and Run-Time Intrusion Detection¹
- Includes standard 4-year on-site, next business day support, with disk media retention, if applicable⁵
- CONUS & OCONUS versions available in 110v or 220v via HP Small Business DPI partner, Coast to Coast

Compare and Save with DPI Pricing

CONUS	\$ 2,571.79
OCONUS	\$ 2,900.91

HP Color LaserJet Enterprise Flow M577c MFP

This efficient MFP is designed to conserve energy without sacrificing productivity—so users can speed through tasks and move business forward. Embedded features detect security threats and heal your MFP, protecting it from boot up to shutdown.⁵

- Up to 40 ppm black and color³
- Up to 1200 x 1200 dpi
- Up to 80,000 monthly duty cycle⁴
- Automatic duplex printing
- 650-sheet input capacity
- 1.25 GB memory installed (printer), 500 MB (Scanner)
- 10/100/1000 Base-T Ethernet
- CAC included
- AES 256/FIPS 140/500GB HDD
- Industry leading security features with HP Sure Start, Whitelisting, and Run-Time Intrusion Detection¹
- Includes standard 4-year on-site, next business day support, with disk media retention, if applicable⁵
- CONUS & OCONUS versions available in 110v
- Maintenance items to cover USAF DPI 4-year print volume

CONUS	\$ 2,957.00
OCONUS	\$ 3,267.00

HP PageWide Enterprise Color Flow MFP 586z

Ideal for agencies that need a high-volume, professional-quality color MFP with fast speeds and strong security features for an exceptional value.

- Up to 50 ppm black and color³
- Up to 2400 x 1200 optimized dpi
- Up to 80,000 pages monthly duty cycle⁴
- Automatic duplex printing
- 550-sheet input capacity
- 2048 MB memory installed
- 10/100/1000 Base-T Ethernet
- CAC included
- AES 256/FIPS 140/500 GB HDD
- Industry leading security features with HP Sure Start, Whitelisting, and Run-Time Intrusion Detection¹
- Includes standard 4-year on-site, next business day support, with disk media retention, if applicable⁵
- CONUS & OCONUS 110v and 220v available via HP Small Business DPI Partner, Coast to Coast
- Maintenance items to cover USAF DPI 4-year print volume

HP LaserJet Enterprise Flow M632z MFP (Monochrome)

This HP LaserJet MFP with JetIntelligence combines exceptional performance and energy efficiency with professional-quality documents right when you need them—all while protecting your network from attacks with the industry’s deepest security.¹

- Up to 65 ppm black³
- Up to 1200 x 1200 dpi
- Up to 300,000 monthly duty cycle⁴
- 2.5 GB memory installed
- Automatic duplex printing
- 3,200-sheet input capacity
- 10/100/1000 Base-T Ethernet
- 1,000-sheet stapler stacker with job offset
- CAC included
- AES 256/FIPS 140/500 GB HDD
- Industry-leading security features with HP Sure Start, Whitelisting, and Run-Time Intrusion Detection¹
- Includes standard 4-year on-site, next business day support, with disk media retention, if applicable⁵
- CONUS & OCONUS versions available in 110v and 220v via HP Direct
- CONUS and OCONUS versions also available via HP Small Business Partner, NCST. See NCST For pricing.

HP Color LaserJet Enterprise M775z MFP

Get standout color, robust scanning features, and high-volume paper capacity in a versatile MFP.

- Up to 30 ppm black and color³
- Up to 600 x 600 dpi
- Up to 120,000 monthly duty cycle⁴
- Automatic duplex printing
- 1,850-sheet input capacity
- 11x17 size supported
- 1,536 MB memory installed
- 10/100/1000 Base-T Ethernet
- CAC included
- AES 256/FIPS 140/500 GB HDD
- Industry leading security features with Whitelisting and Run-Time Intrusion Detection¹
- Includes standard 4-year on-site, next business day support, with disk media retention, if applicable⁵
- CONUS & OCONUS versions available in 220v only via HP Direct
- CONUS & OCONUS 110v available via HP Small Business DPI partner, Coast to Coast and NCST. See partners for pricing.

HP Scanners

Fast, high-quality scanning with advanced features to handle everything from simple color jobs to complex workflows.

HP ScanJet Pro 3000 s3 Sheet-feed Scanner

Manage projects and workflows quickly and confidently. Easily handle mixed media, and get one-pass duplex scanning with speeds up to 35 ppm/70 ipm.⁷

Compare and Save with DPI Pricing

CONUS	\$ 576.82
OCONUS	\$ 862.75

- Up to 35 ppm/70 ipm⁵
- Up to 600 x 600 dpi scan resolution(color and mono, ADF)
- 24-bit external, 48-bit internal bit depth
- Includes standard 4-year on-site, next business day support⁴
- CONUS & OCONUS versions available only via HP Small Business DPI Partner, Coast to Coast

HP ScanJet Enterprise Flow 7000 s3 Sheet-feed Scanner

Handle large volumes at blazing speeds—up to 75 ppm/150 ipm for black-and-white and color.⁸ Built-in software and an 80-page automatic document feeder deliver smooth paper handling.

Compare and Save with DPI Pricing

CONUS	\$ 948.00
OCONUS	\$ 1,062.00

- Up to 75 ppm/150 ipm⁵
- Up to 600 x 600 dpi scan resolution
- 24-bit external, 48-bit internal bit depth
- Includes standard 4-year on-site, next business day support⁴
- CONUS & OCONUS versions available
- CONUS & OCONUS versions also available via HP Small Business DPI Partner, NCST

HP Air Force DPI/PSC-2018

Standardize and consolidate your printing environment with HP for reduced TCO and predictable operational costs. HP offers printers at significantly lower costs than GSA pricing through the Air Force DPI Contract. Browse our offerings, and give an HP representative a call to discuss how to secure your network with HP printers and MFPs.

Don't forget to ask about even more aggressive pricing for volume purchases. HP offers desktops and laptops at significantly lower costs.

1. Based on HP review of 2017 published security features of competitive in-class printers. Only HP offers a combination of security features that can monitor to detect and automatically stop an attack then self-validate software integrity in a reboot. For a list of printers, visit hp.com/go/PrintersThatProtect. For more information: hp.com/go/printersecurityclaims.
2. Based on HP internal testing of top three leading competitors' first page out from sleep mode and duplex print speed completed 8/2015. Subject to device settings. Actual results may vary. For details, see <http://www.hp.com/go/Ljclaims>.
3. Measured using ISO/IEC 24734, excludes first set of test documents. For more information see hp.com/go/printerclaims. Exact speed varies depending on the system configuration, software application, driver, and document complexity.
4. Duty cycle is defined as the maximum number of pages per month of imaged output. This value provides a comparison of product robustness in relation to other HP LaserJet or HP Color LaserJet devices, and enables appropriate deployment of printers and MFPs to satisfy the demands of connected individuals or groups.
5. HP Service levels and response times for HP Care Pack Services may vary depending on your geographic location and product model. Service starts on the date of hardware purchase. Restrictions and limitations may apply. For details, visit: hp.com/services/carepack.
6. Some features require additional purchase. A FutureSmart service pack update may be required to activate security features. Learn more at <http://www.hp.com/go/printsecurity>.
7. Scan speeds of up to 50 ipm (25 ppm) measured at 300 dpi (black and white, grayscale, and color). Actual processing speeds may vary depending on scan resolution, network conditions, computer performance, and application software.
8. Scan speed measured at 300 dpi (black-and-white, grayscale, and color). Actual processing speeds may vary depending on scan resolution, network conditions, computer performance, and application software.
