HP LaserJet Ultra MFP M230 series

JetIntelligence toner cartridges now print more pages than ever before.<sup>1</sup> With costs so low, there's no need to consider alternatives.

## More pages—and more value—than ever<sup>1</sup>

Get more from your investment with page maximizer technology that delivers more pages per cartridge than previous versions of HP toner cartridges.<sup>1</sup> Enjoy the convenience of replacing your cartridge less often.

## Protect your investment

Only Original HP LaserJet Toner cartridges are precisely engineered for your HP LaserJet Ultra printer or MFP—so you can spend less time troubleshooting device problems and more time on what matters most to your business.

## Print fast without sacrificing quality

Precision black toner keeps up with your printer to produce sharp text, bold blacks, and crisp graphics. Print professional documents, and avoid costly reprints with a toner cartridge and imaging drum engineered to perform flawlessly with your HP LaserJet Ultra.
