

Productivity on the road

HP EliteDisplay S140u 14" USB Portable Monitor

Take your show on the road

Create a dual-display mobile workspace almost anywhere with the HP Elite Display S140u 14" USB Portable Monitor, an ultra-compact, strikingly thin, high-resolution display in a wraparound cover. Fold it back to add a second screen for your Windows tablet or notebook⁵ and connect with one USB cable³.

An Extra Screen.

For a multi-monitor environment everywhere you go. Double desktop real estate to increase productivity and efficiency, in the hotel room, in a customer meeting, on the train, pretty much anywhere. Mirror your notebook¹ desktop for customer facing presentation or group collaboration.

One Cable.

Simple to setup. Get super simple setup with a single USB cable connection³ (included) that powers the display, and allows you to instantly add a second screen².
