## High-volume printing

With enough toner for up to 6,900 pages included with this HP LaserJet Ultra,<sup>2</sup> you're ready for high-volume printing. Don't risk print quality—with printing costs so low, there's no need to consider non-HP alternatives.

## Standout HP quality for lower-than-ever print costs

Get the results you expect from the HP LaserJet Ultra that delivers consistent, professional quality for up to 60% lower cost per page than its predecessor.<sup>3</sup>

lower cost per page than its predecessor<sup>3</sup>

## HP quality, low costs, no compromise

No more trade-offs—lock in HP quality you can trust at print costs that make alternatives a poor choice. Print affordably without compromising quality, using dependable Original HP toner cartridges.

Count on consistent results with Original HP toner cartridges designed to work flawlessly with the HP LaserJet Ultra devices. Produce sharp text, bold blacks, and crisp graphics with precision black toner—engineered to deliver consistent placement of toner particles and help this device work its best.

## Don't risk quality on cheap toner

Results from third-party studies concluded that problems are more likely to occur when using non-HP toner cartridges compared to using Original HP LaserJet toner cartridges.<sup>7,8</sup> These problems can affect a single user or an entire workgroup. Issues such as poor quality and leaking cartridges can cause printer downtime. An unusable device translates into a loss of money and valuable time—time that could be spent on more productive tasks.

**81%** of printer technicians said they recommended Original HP toner cartridges over non-HP toner cartridges because they have the best print quality, are more reliable, and require less service.<sup>7</sup>

Printer technicians reported that **1 in 3** of the problems caused by non-HP toner cartridges are cartridge failures.<sup>7</sup>

**Nearly 100%** of the toner cartridges sold by remanufacturers surveyed will ultimately be thrown away. No Original HP cartridges returned through HP Planet Partners are ever sent to a landfill.<sup>8</sup>

# HP quality—print after print

Get professional-quality pages and the performance you expect. The Original HP toner cartridge and imaging drum system is specially designed and precisely engineered for HP printers and MFPs—so you can count on fast, consistent results. Precision black toner is specially formulated to help the HP LaserJet Ultra devices work their best.

**Page maximizer technology**

- Up to 30% more pages per cartridge than previous generations of HP toner cartridges<sup>9</sup>
- Smaller, more robust parts<sup>10</sup>
- Less cartridge wear<sup>10</sup>

**Print gauge technology**

- More dependable gauges to ensure you get the most prints possible from your cartridges<sup>11</sup>

**Precision black toner**

- Spherical shape = more pages, sharp text, bold blacks, and crisp graphics
- Encapsulated design = less energy, enables faster print speed

**Anti-fraud technology (imaging drum only)**

- Helps you identify whether a drum is Original HP, used, or counterfeit—to help ensure you're getting the authentic HP quality you paid for

**Auto seal removal**

- Skip a step—the toner seal is automatically removed for you
- Get right to printing without delays

## Easy mobile printing

Mobile printing is easier than ever with HP. Print with minimal steps from a broad range of mobile devices—smartphones, tablets, and notebooks (M106w only).<sup>4</sup> No network, no problem—easily print from your laptop or PC, using a USB cable.

**Print confidently with Apple AirPrint**

Print from iPhone and iPad with AirPrint, which automatically scales jobs to the correct paper size so you avoid wasting paper and time (M106w only).<sup>12</sup>

**Print from mobile devices—no network needed<sup>13</sup>**

Choose the HP LaserJet Ultra M106w printer to print directly from your mobile device to your Wi-Fi Direct® printer—without accessing a company network.<sup>13</sup>

**Print from virtually anywhere**

Print by easily sending an email from a smartphone, tablet, or Internet-connected notebook to an HP ePrint-enabled printer or MFP—even when you're away from home or work (M106w only).<sup>14</sup>

Enable seamless printing—from virtually anywhere. Google Cloud Print™ 2.0 lets you send jobs from your smartphone, tablet, or PC through the cloud to any company printer (M106w only).<sup>15</sup>

# Designed for efficiency

This efficient HP LaserJet Ultra device delivers documents quickly while helping to keep energy costs low. All HP LaserJet Ultra devices include HP Auto-On/Auto-Off Technology—intelligence that turns your printer on when you need it and off when you don't.<sup>16</sup>
