

HP Elite x3 Desk Dock

HP Elite x3, HP display and keyboard sold separately. Apps sold separately, availability may vary.

Effortlessly switch between a handheld and desktop PC experience

Reinvent your desktop workspace with the ultra-compact HP Elite x3 Desk Dock, which quickly charges your HP Elite x3 and uses its pocket-sized PC power to maximize your Windows 10 Mobile¹ productivity on an external display, keyboard, and mouse.²

Multi-task with seamless multi-screen flexibility

Talk, text and run mobile apps on your docked HP Elite x3 while simultaneously multi-tasking with your Windows and corporate apps on a connected external display² using Windows Continuum³ and your app virtualization software.

Add your network and your accessories

Connect to a wired network through the HP Elite x3 Desk Dock's Gigabit Ethernet⁵ connection and your choice of input/output devices and accessories with two USB-A ports and one USB-C™ port.

Charge up

Get back to full battery power while you work when you quick charge your HP Elite x3 in the HP Elite x3 Desk Dock.

Travel light

Simplify your day with one device. The HP Elite x3 Desk Dock lets you use your HP Elite x3 in and out of the office and easily dock at work and home for a complete desktop experience.

Integrated security

Use the security lock slot and your own lock (sold separately) to secure your dock to another device, desk, or table.

1. Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers, software or BIOS update to take full advantage of Windows functionality. Windows 10 Mobile is automatically updated, which is always enabled. ISP fees may apply and additional requirements may apply over time for updates. See <http://www.microsoft.com>.

2. Sold separately.

3. For multi-screen Continuum experience, the HP Elite x3 must be connected to the HP Elite x3 Desk Dock that is connected to an external display.

4. Windows 10 Mobile supports proxy over WiFi or LTE on the HP Elite x3. Proxy on wired Ethernet connections (Internet access through a company firewall and intranet setup) is not supported through the HP Elite x3 Desk Dock's Ethernet connection.

Windows is either a registered trademark or trademark of Microsoft Corporation in the United States and/or other countries
