

HP ScanJet Wireless Adapter 100 Accessory

Manage scans from your mobile device. The affordable HP ScanJet Wireless Adaptor 100 and the HP JetAdvantage Capture App help you easily capture, edit, and send files.¹ Help protect information with a direct wireless connection.²

Simple to set up and easy to use

- Create a direct wireless connection—simply plug the adaptor into the USB port.²
- Use the HP JetAdvantage Capture App to initiate scans from your smartphone or tablet.¹
- Edit and send jobs to email and the cloud using the HP JetAdvantage Capture App.¹
- Help save time and simplify workflows. Create shortcuts for frequent tasks to focus on what matters.¹

Help protect business data and your network

- Help protect the company network. Perform scans with a direct wireless connection, using Wi-Fi Direct®.²
- Help keep your data secure. All scanned files are 256-bit encrypted while in transit.²

Easy scanning from mobile devices

- This adaptor is currently compatible with mobile devices running Android™ 4.0 and higher.

¹ Requires the HP JetAdvantage Capture App. The app is available for mobile devices running Android™ version 4.0 and higher, and can be downloaded from the Google Play™ store. For more information, see hp.com/go/documentmanagement

² Wireless performance is dependent on physical environment and distance from access point and may be limited during active VPN connections. Wi-Fi Direct® scanning requires the mobile device to be connected directly to the Wi-Fi® network of the scanner. Wi-Fi and Wi-Fi Direct are registered trademarks of Wi-Fi Alliance®.
