

HP HC240 24-inch Healthcare Edition Display

Work efficiently and accurately with the HP HC240 Healthcare Edition Display, a DICOM Part 14-calibrated display that delivers consistent views of clinical data and non-diagnostic images to enhance collaboration between healthcare professionals.

Out-of-the-box bi-modal DICOM and color calibration.

- Be assured that grayscale and color medical images and patient information are consistent and accurate on every display. The HP Pixel Policy² also means you get a screen with zero bright dots, or HP replaces it.

See more and scroll less.

- View your medical images and records onscreen with a 24" diagonal IPS display with 1920 x 1200 resolution.³ Seamlessly work across multiple displays⁴ and sources with micro-edge bezels, DisplayPort™ multi-stream support, and Picture-in-Picture.

Create an efficient, compact workspace for high-traffic areas.

- Attach your HP Desktop Mini or select HP Thin Client behind the display⁵ for an integrated, small footprint solution that's perfect for busy and shared spaces like nurse's or charting stations. Mount on a wall or arm with the VESA pattern.⁶

Featuring

- Connect to everyday and specialty devices with HDMI, mini DisplayPort™, DisplayPort™, MHL,⁷ DVI, and a USB 3.0 hub with a fast-charging port. DisplayPort™ enables daisy chaining up to four displays⁸ with just one PC or workstation connection.
- Use Picture-in-Picture or Picture-by-Picture to boost your multi-tasking productivity with simultaneous views from two connected devices. IPS technology delivers remarkably crisp images and vivid colors from any angle, even in portrait mode.
- Work comfortably with adjustable tilt, height adjustment, and swivel settings. Use pivot rotation to customize portrait or landscape views when using multiple displays.⁴
- Design the screen for how you work with HP Display Assistant software, which enables screen partitioning and helps deter theft by deactivating a display that's disconnected without approval.
- Reduce power consumption and help lower your costs with an energy-efficient design.
- Rest assured that your IT investment is supported by a three-year standard limited warranty, and optional HP Care service.¹¹

HP HC240 24-inch Healthcare Edition Display Specifications Table

Product Number	Z0A71A4, Z0A71A8
Display Size (diagonal)	60.96 cm (24")
Display Type	IPS w/LED backlight
Panel Active Area	20.4 x 12.76 in; 518.4 x 324 mm

Accessories and services (not included)

HP Single Monitor Arm

The HP Single Monitor Arm is the perfect desk accessory for your work life. Sleek and streamlined, the HP Single Monitor Arm is designed to complement the way you work.

Product number: BT861AA

HP Quick Release Bracket

HP Quick Release is an easy to use, 100 mm VESA-compliant, LCD monitor mounting solution that allows you to quickly and securely attach a flat panel monitor to a variety of stands, brackets, arms or wall mounts. HP Quick Release can also be used for mounting any combination of devices that are compatible with the 100 mm VESA Flat Display Mounting Interface Standard. The failsafe "Sure-Lock" mechanism snaps the monitor (or mounted device) securely in place, and can be further secured with a theft-deterrent security screw.

Product number: EM870AA

HP PC Mounting Bracket for Monitors

Customize an altogether better solution with the HP PC Mounting Bracket for Monitors, which lets you attach your HP Desktop Mini, HP Chromebox, or select HP Thin Client directly behind select HP Z Displays and EliteDisplays.

Product number: N6N00AA

HP LCD Speaker Bar

The LCD Speaker Bar seamlessly attached to the bezel of the HP Business Monitor and provides full multimedia capabilities.

Product number: NQ576AA

HP Business PC Security Lock Kit

Protect your HP Business PC from tampering or theft in public locations by locking-down peripherals such as keyboards, mice, monitors or USB security devices and preventing the removal of the PC chassis cover.

Product number: PV606AA

HP 4 year Next business day Exchange Large Monitor Service

HP Hardware Support Exchange Service offers a reliable and fast exchange service for eligible HP products. Specifically targeted at products that can easily be shipped and on which customers may easily restore data from backup files, HP Hardware Support Exchange Service is a cost-efficient but still convenient alternative to onsite support.

HP Hardware Support Exchange Service provides a replacement product or part to be delivered free of freight charges to your location within a specified period of time. Replacement products or parts are new or equivalent to new in performance.

Product number: U0J12E

Messaging Footnotes

¹ The display is a general purpose computing device and is not intended for use in the diagnosis, cure, treatment, or prevention of disease or other medical conditions.

² The HP Pixel Policy allows no bright sub-pixel defects for this display. For complete details, see <http://support.hp.com/us-en/document/c00288895>

³ All performance specifications represent the typical specifications provided by HP's component manufacturers; actual performance may vary either higher or lower.

⁴ Each sold separately.

⁵ Sold separately. HP PC Mounting Bracket for Monitors required and sold separately; see Bracket QuickSpecs for exact compatibility.

⁶ Mounting hardware sold separately.

⁷ MHL 2.0 port will charge an MHL-compatible smart phone and tablet battery. Requires the smart phone or tablet to be enabled for MHL or have an HDMI dongle (sold separately) to connect to the monitor. See your mobile device specifications. Max display resolution of content from a smart phone or tablet is dependent on the max resolution of those devices.

⁸ Each sold separately. Connect up to 4 displays if supported by the graphics card in the PC or workstation.

¹¹ HP Care Packs are sold separately. Service levels and response times for HP Care Packs may vary depending on your geographic location. Service starts on date of hardware purchase. Restrictions and limitations apply. For details, visit www.hp.com/go/cpc. HP Services are governed by the applicable HP terms and conditions of service provided or indicated to Customer at the time of purchase. Customer may have additional statutory rights according to applicable local laws, and such rights are not in any way affected by the HP terms and conditions of service or the HP Limited Warranty provided with your HP Product.

Technical Specifications Footnotes

¹ All specifications represent the typical specifications provided by HP's component manufacturers, actual performance may vary either higher or lower.

² External power supplies, power cords, cables and peripherals are not Low Halogen. Service parts obtained after purchase may not be Low Halogen.
